STANDARD PROVISIONS

(1) **Consultant's Scope of Services and Additional Services.** The Consultant will perform only the services specifically described in this Agreement. If requested by the Client and agreed to by the Consultant, the Consultant will perform Additional Services, which shall be governed by these provisions. Unless otherwise agreed to in writing, the Client shall pay the Consultant for any Additional Services an amount based upon the Consultant's then-current hourly rates plus an amount to cover certain direct expenses including telecommunications, in-house reproduction, postage, supplies, project related computer time, and local mileage. Other direct expenses will be billed at 1.15 times cost.

(2) **Client's Responsibilities.** In addition to other responsibilities herein or imposed by law, the Client shall:

(a) Designate in writing a person to act as its representative, such person having complete authority to transmit instructions, receive information, and make or interpret the Client's decisions.

(b) Provide all information and criteria as to the Client's requirements, objectives, and expectations for the project and all standards of development, design, or construction.

(c) Provide the Consultant all available studies, plans, or other documents pertaining to the project, such as surveys, engineering data, environmental information, etc., all of which the Consultant may rely upon.

(d) Arrange for access to the site and other property as required for the Consultant to provide its services.

(e) Review all documents or reports presented by the Consultant and communicate decisions pertaining thereto within a reasonable time so as not to delay the Consultant.

(f) Furnish approvals and permits from governmental authorities having jurisdiction over the project and approvals and consents from other parties as may be necessary.

(g) Obtain any independent accounting, legal, insurance, cost estimating and feasibility services required by Client.

(h) Give prompt written notice to the Consultant whenever the Client becomes aware of any development that affects the Consultant's services or any defect or noncompliance in any aspect of the project.

(3) **Period of Services.** Unless otherwise stated herein, the Consultant will begin work after receipt of a properly executed copy of this Agreement. This Agreement assumes conditions permitting continuous and orderly progress through completion of the services. Times for performance shall be extended as necessary for delays or suspensions due to circumstances that the Consultant does not control. If such delay or suspension extends for more than six months, Consultant's compensation shall be renegotiated.

(4) **Method of Payment.** Client shall pay Consultant as follows:

(a) Invoices will be submitted periodically for services performed and expenses incurred. Payment of each invoice will be due within 45 days of receipt. The Client shall also pay any applicable sales tax. All retainers will be held by the Consultant and applied against the final invoice. Interest will be added to accounts not paid within 45 days at the rate allowed by Mississippi Code Section 31-7-305. If the Client fails to make any payment due under this or any other agreement within 50 days after the Consultant's transmittal of its invoice, the Consultant may, after giving notice to the Client, suspend services and withhold deliverables until all amounts due are paid.

(b) If the Client relies on payment or proceeds from a third party to pay Consultant and Client does not pay Consultant's invoice within 60 days of receipt, Consultant may communicate directly with such third party to secure payment.

(c) If the Client objects to an invoice, it must advise the Consultant in writing giving its reasons within 14 days of receipt of the invoice or the Client's objections will be waived, and the invoice shall conclusively be deemed due and owing. If the Client objects to only a portion of the invoice, payment for all other portions remains due within 45 days of receipt.

(d) The Client agrees that the payment to the Consultant is not subject to any contingency or condition. The Consultant may negotiate payment of any check tendered by the Client, even if the words "in full satisfaction" or words intended to have similar effect appear on the check without such negotiation being an accord and satisfaction of any disputed debt and without prejudicing any right of the Consultant to collect additional amounts from the Client.

(5) **Use of Documents.** All documents and data prepared by the Consultant are related exclusively to the services described in this Agreement, and may be used only if the Client has satisfied all of its obligations under this Agreement. They are not intended or represented to be suitable for use or reuse by the Client or others on

extensions of this project or on any other project. Any modifications by the Client to any of the Consultant's documents, or any reuse of the documents without written authorization by the Consultant will be at the Client's sole risk. The Consultant's electronic files and source code remain the property of the Consultant and shall be provided to the Client only if expressly provided for in this Agreement. Any electronic files not containing an electronic seal are provided only for the convenience of the Client, and use of them is at the Client's sole risk. In the case of any defects in the electronic files or any discrepancies between them and the hardcopy of the documents prepared by the Consultant, the hardcopy shall govern.

(6) **Opinions of Cost.** Because the Consultant does not control the cost of labor, materials, equipment or services furnished by others, methods of determining prices, or competitive bidding or market conditions, any opinions rendered as to costs, including but not limited to the costs of construction and materials, are made solely based on its judgment as a professional familiar with the industry. The Consultant cannot and does not guarantee that proposals, bids or actual costs will not vary from its opinions of cost. If the Client wishes greater assurance as to the amount of any cost, it shall employ an independent cost estimator. Consultant's services required to bring costs within any limitation established by the Client will be paid for as Additional Services.

(7) **Termination.** The obligation to provide further services under this Agreement may be terminated by either party upon seven days' written notice in the event of substantial failure by the other party to perform in accordance with the terms hereof, or upon thirty days' written notice for the convenience of the terminating party. The Consultant shall be paid for all services rendered and expenses incurred to the effective date of termination, and other reasonable expenses incurred by the Consultant as a result of such termination.

(8) **Standard of Care.** The standard of care applicable to Consultant's services will be the degree of care and skill ordinarily exercised by consultants performing the same or similar services in the same locality at the time the services are provided. No warranty, express or implied, is made or intended by the Consultant's performance of services, and it is agreed that the Consultant is not a fiduciary with respect to the Client.

(9) **Certifications.** The Consultant shall not be required to execute certifications or third-party reliance letters that are inaccurate, that relate to facts of which the Consultant does not have actual knowledge, or that would cause the Consultant to violate applicable rules of professional responsibility.

(10) **Dispute Resolution.** All claims by the Client arising out of this Agreement or its breach shall be submitted first to mediation as a condition precedent to litigation.

(11) **Hazardous Substances and Conditions.** Consultant shall not be a custodian, transporter, handler, arranger, contractor, or remediator with respect to hazardous substances and conditions. Consultant's services will be limited to analysis, recommendations, and reporting, including, when agreed to, plans and specifications for isolation, removal, or remediation. The Consultant will notify the Client of unanticipated hazardous substances or conditions of which the Consultant actually becomes aware. The Consultant may stop affected portions of its services until the hazardous substance or condition is eliminated.

(12) Construction Phase Services.

(a) If the Consultant prepares construction documents and the Consultant is not retained to make periodic site visits, the Client assumes all responsibility for interpretation of the documents and for construction observation.

(b) The Consultant shall have no responsibility for any contractor's means, methods, techniques, equipment choice and usage, sequence, schedule, safety programs, or safety practices, nor shall Consultant have any authority or responsibility to stop or direct the work of any contractor. The Consultant's visits will be for the purpose of endeavoring to provide the Client a greater degree of confidence that the completed work of its contractors will generally conform to the construction documents prepared by the Consultant. Consultant neither guarantees the performance of contractors, nor assumes responsibility for any contractor's failure to perform its work in accordance with the contract documents.

(c) The Consultant is not responsible for any duties assigned to it in the construction contract that are not expressly provided for in this Agreement. The Client agrees that each contract with any contractor shall state that the contractor shall be solely responsible for job site safety and its means and methods; that the contractor shall indemnify the Client and the Consultant for all claims and liability arising out of job site accidents; and that the Client

and the Consultant shall be made additional insureds under the contractor's general liability insurance policy.

(13) No Third-Party Beneficiaries; Assignment and Subcontracting. This Agreement gives no rights or benefits to anyone other than the Client and the Consultant, and all duties and responsibilities undertaken pursuant to this Agreement will be for the sole benefit of the Client and the Consultant. The Client shall not assign or transfer any rights under or interest in this Agreement, or any claim arising out of the performance of services by Consultant, without the written consent of the Consultant. The Consultant reserves the right to augment its staff with subconsultants as it deems appropriate due to project logistics, schedules, or market conditions. If the Consultant exercises this right, the Consultant will maintain the agreed-upon billing rates for services identified in the contract, regardless of whether the services are provided by in-house employees, contract employees, or independent subconsultants.

(14) Confidentiality. The Client consents to the use and dissemination by the Consultant of photographs of the project and to the use by the Consultant of facts, data and information obtained by the Consultant in the performance of its services. If, however, any facts, data or information are specifically identified in writing by the Client as confidential, the Consultant shall use reasonable care to maintain the confidentiality of that material.

(15) Miscellaneous Provisions. This Agreement is to be governed by the law of the State where the Project is located. This Agreement contains the entire and fully integrated agreement between the parties and supersedes all prior and contemporaneous negotiations, representations, agreements or understandings, whether written or oral. Except as provided in Section 1, this Agreement can be supplemented or amended only by a written document executed by both parties. Any conflicting or additional terms on any purchase order issued by the Client shall be void and are hereby expressly rejected by the Consultant. Any provision in this Agreement that is unenforceable shall be ineffective to the extent of such unenforceability without invalidating the remaining provisions. The non-enforcement of any provision by either party shall not constitute a waiver of that provision nor shall it affect the enforceability of that provision or of the remainder of this Agreement.

The Owner and Architect acknowledge that, in order to perform the Work, the Contractor will provide additional information, including Shop Drawings, Product Data, Samples and other similar submittals, which the Architect shall review in accordance with Section 3.6.4.

§ 3.4.2 The Architect shall incorporate the design requirements of governmental authorities having jurisdiction over the Project into the Construction Documents.

§ 3.4.3 During the development of the Construction Documents, the Architect shall assist the Owner in the development and preparation of (1) procurement information that describes the time, place, and conditions of bidding, including bidding or proposal forms; (2) the form of agreement between the Owner and Contractor; and (3) the Conditions of the Contract for Construction (General, Supplementary and other Conditions). The Architect shall also compile a project manual that includes the Conditions of the Contract for Construction and Specifications, and may include bidding requirements and sample forms.

§ 3.4.4 The Architect shall update the estimate for the Cost of the Work prepared in accordance with Section 6.3.

§ 3.4.5 The Architect shall submit the Construction Documents to the Owner, advise the Owner of any adjustments to the estimate of the Cost of the Work, take any action required under Section 6.5, and request the Owner's approval.

§ 3.5 Procurement Phase Services

§ 3.5.1 General

The Architect shall assist the Owner in establishing a list of prospective contractors. Following the Owner's approval of the Construction Documents, the Architect shall assist the Owner in (1) obtaining either competitive bids or negotiated proposals; (2) confirming responsiveness of bids or proposals; (3) determining the successful bid or proposal, if any; and, (4) awarding and preparing contracts for construction.

§ 3.5.2 Competitive Bidding

§ 3.5.2.1 Bidding Documents shall consist of bidding requirements and proposed Contract Documents.

§ 3.5.2.2 The Architect shall assist the Owner in bidding the Project by:

- .1 facilitating the distribution of Bidding Documents to prospective bidders;
- .2 organizing and conducting a pre-bid conference for prospective bidders;

§ 3.6 Construction Phase Services

§ 3.6.1 General

§ 3.6.1.1 The Architect shall provide administration of the Contract between the Owner and the Contractor as set forth below and in AIA Document A201™-2017, General Conditions of the Contract for Construction. If the Owner and Contractor modify AIA Document A201-2017, those modifications shall not affect the Architect's services under this Agreement unless the Owner and the Architect amend this Agreement.

§ 3.6.1.2 The Architect shall advise and consult with the Owner during the Construction Phase Services. The Architect shall have authority to act on behalf of the Owner only to the extent provided in this Agreement. The Architect shall not have control over, charge of, or responsibility for the construction means, methods, techniques, sequences or procedures, or for safety precautions and programs in connection with the Work, nor shall the Architect be responsible for the Contractor's failure to perform the Work in accordance with the requirements of the Contract Documents. The Architect shall be responsible for the Architect's negligent acts or omissions, but shall not have control over or charge

of, and shall not be responsible for, acts or omissions of the Contractor or of any other persons or entities performing portions of the Work.

§ 3.6.1.3 Subject to Section 4.2 and except as provided in Section 3.6.6.5, the Architect's responsibility to provide Construction Phase Services commences with the award of the Contract for Construction and terminates on the date the Architect issues the final Certificate for Payment.

§ 3.6.2 Evaluations of the Work

§ 3.6.2.1 The Architect shall visit the site at intervals appropriate to the stage of construction, or as otherwise required in Section 4.2.3, to become generally familiar with the progress and quality of the portion of the Work completed, and to determine, in general, if the Work observed is being performed in a manner indicating that the Work, when fully completed, will be in accordance with the Contract Documents. However, the Architect shall not be required to make exhaustive or continuous on-site inspections to check the quality or quantity of the Work. On the basis of the site visits, the Architect shall keep the Owner reasonably informed about the progress and quality of the portion of the Work completed, and promptly report to the Owner (1) known deviations from the Contract Documents, (2) known deviations from the most recent construction schedule submitted by the Contractor, and (3) defects and deficiencies observed in the Work.

§ 3.6.2.2 The Architect has the authority to reject Work that does not conform to the Contract Documents. Whenever the Architect considers it necessary or advisable, the Architect shall have the authority to require inspection or testing of the Work in accordance with the provisions of the Contract Documents, whether or not the Work is fabricated, installed or completed. However, neither this authority of the Architect nor a decision made in good faith either to exercise or not to exercise such authority shall give rise to a duty or responsibility of the Architect to the Contractor, Subcontractors, suppliers, their agents or employees, or other persons or entities performing portions of the Work.

§ 3.6.2.3 The Architect shall interpret and decide matters concerning performance under, and requirements of, the Contract Documents on written request of either the Owner or Contractor. The Architect's response to such requests shall be made in writing within any time limits agreed upon or otherwise with reasonable promptness.

§ 3.6.2.4 Interpretations and decisions of the Architect shall be consistent with the intent of, and reasonably inferable from, the Contract Documents and shall be in writing or in the form of drawings. When making such interpretations and decisions, the Architect shall endeavor to secure faithful performance by both Owner and Contractor, shall not show partiality to either, and shall not be liable for results of interpretations or decisions rendered in good faith. The Architect's decisions on matters relating to aesthetic effect shall be final if consistent with the intent expressed in the Contract Documents.

§ 3.6.2.5 Unless the Owner and Contractor designate another person to serve as an Initial Decision Maker, as that term is defined in AIA Document A201-2017, the Architect shall render initial decisions on Claims between the Owner and Contractor as provided in the Contract Documents.

§ 3.6.3 Certificates for Payment to Contractor

§ 3.6.3.1 The Architect shall review and certify the amounts due the Contractor and shall issue certificates in such amounts. The Architect's certification for payment shall constitute a representation to the Owner, based on the Architect's evaluation of the Work as provided in Section 3.6.2 and on the data comprising the Contractor's Application for Payment, that, to the best of the Architect's knowledge, information and belief, the Work has progressed to the point indicated, the quality of the Work is in accordance with the Contract Documents, and that the Contractor is entitled to payment in the amount certified. The foregoing representations are subject to (1) an evaluation of the Work for conformance with the Contract Documents upon Substantial Completion, (2) results of subsequent tests and inspections, (3) correction of minor deviations from the Contract Documents prior to completion, and (4) specific qualifications expressed by the Architect.

§ 3.6.3.2 The issuance of a Certificate for Payment shall not be a representation that the Architect has (1) made exhaustive or continuous on-site inspections to check the quality or quantity of the Work, (2) reviewed construction means, methods, techniques, sequences or procedures, (3) reviewed copies of requisitions received from Subcontractors and suppliers and other data requested by the Owner to substantiate the Contractor's right to payment,

or (4) ascertained how or for what purpose the Contractor has used money previously paid on account of the Contract Sum.

§ 3.6.3.3 The Architect shall maintain a record of the Applications and Certificates for Payment.

§ 3.6.4 Submittals

§ 3.6.4.1 The Architect shall review the Contractor's submittal schedule and shall not unreasonably delay or withhold approval of the schedule. The Architect's action in reviewing submittals shall be taken in accordance with the approved submittal schedule or, in the absence of an approved submittal schedule, with reasonable promptness while allowing sufficient time, in the Architect's professional judgment, to permit adequate review.

§ 3.6.4.2 The Architect shall review and approve, or take other appropriate action upon, the Contractor's submittals such as Shop Drawings, Product Data and Samples, but only for the limited purpose of checking for conformance with information given and the design concept expressed in the Contract Documents. Review of such submittals is not for the purpose of determining the accuracy and completeness of other information such as dimensions, quantities, and installation or performance of equipment or systems, which are the Contractor's responsibility. The Architect's review shall not constitute approval of safety precautions or construction means, methods, techniques, sequences or procedures. The Architect's approval of a specific item shall not indicate approval of an assembly of which the item is a component.

§ 3.6.4.3 If the Contract Documents specifically require the Contractor to provide professional design services or certifications by a design professional related to systems, materials, or equipment, the Architect shall specify the appropriate performance and design criteria that such services must satisfy. The Architect shall review and take appropriate action on Shop Drawings and other submittals related to the Work designed or certified by the Contractor's design professional, provided the submittals bear such professional's seal and signature when submitted to the Architect. The Architect's review shall be for the limited purpose of checking for conformance with information given and the design concept expressed in the Contract Documents. The Architect shall be entitled to rely upon, and shall not be responsible for, the adequacy and accuracy of the services, certifications, and approvals performed or provided by such design professionals.

§ 3.6.4.4 Subject to Section 4.2, the Architect shall review and respond to requests for information about the Contract Documents. The Architect shall set forth, in the Contract Documents, the requirements for requests for information. Requests for information shall include, at a minimum, a detailed written statement that indicates the specific Drawings or Specifications in need of clarification and the nature of the clarification requested. The Architect's response to such requests shall be made in writing within any time limits agreed upon, or otherwise with reasonable promptness. If appropriate, the Architect shall prepare and issue supplemental Drawings and Specifications in response to the requests for information.

§ 3.6.4.5 The Architect shall maintain a record of submittals and copies of submittals supplied by the Contractor in accordance with the requirements of the Contract Documents.

§ 3.6.5 Changes in the Work

§ 3.6.5.1 The Architect may order minor changes in the Work that are consistent with the intent of the Contract Documents and do not involve an adjustment in the Contract Sum or an extension of the Contract Time. Subject to Section 4.2, the Architect shall prepare Change Orders and Construction Change Directives for the Owner's approval and execution in accordance with the Contract Documents.

§ 3.6.5.2 The Architect shall maintain records relative to changes in the Work.

§ 3.6.6 Project Completion

§ 3.6.6.1 The Architect shall:

- .1 conduct inspections to determine the date or dates of Substantial Completion and the date of final completion;
- .2 issue Certificates of Substantial Completion;
- .3 forward to the Owner, for the Owner's review and records, written warranties and related documents required by the Contract Documents and received from the Contractor; and,

- 4 issue a final Certificate for Payment based upon a final inspection indicating that, to the best of the Architect's knowledge, information, and belief, the Work complies with the requirements of the Contract Documents.

§ 3.6.6.2 The Architect's inspections shall be conducted with the Owner to check conformance of the Work with the requirements of the Contract Documents and to verify the accuracy and completeness of the list submitted by the Contractor of Work to be completed or corrected.

§ 3.6.6.3 When Substantial Completion has been achieved, the Architect shall inform the Owner about the balance of the Contract Sum remaining to be paid the Contractor, including the amount to be retained from the Contract Sum, if any, for final completion or correction of the Work.

§ 3.6.6.4 The Architect shall forward to the Owner the following information received from the Contractor: (1) consent of surety or sureties, if any, to reduction in or partial release of retainage or the making of final payment; (2) affidavits, receipts, releases and waivers of liens, or bonds indemnifying the Owner against liens; and (3) any other documentation required of the Contractor under the Contract Documents.

§ 3.6.6.5 Upon request of the Owner, and prior to the expiration of one year from the date of Substantial Completion, the Architect shall, without additional compensation, conduct a meeting with the Owner to review the facility operations and performance.

(Describe in detail the Owner's Supplemental Services identified in Section 4.1.1 or, if set forth in an exhibit, identify the exhibit.)

Not applicable

§ 4.1.3 If the Owner identified a Sustainable Objective in Article 1, the Architect shall provide, as a Supplemental Service, the Sustainability Services required in AIA Document E204™–2017, Sustainable Projects Exhibit, attached to this Agreement. The Owner shall compensate the Architect as provided in Section 11.2.

§ 4.2 Architect's Additional Services

The Architect may provide Additional Services after execution of this Agreement without invalidating the Agreement. Except for services required due to the fault of the Architect, any Additional Services provided in accordance with this Section 4.2 shall entitle the Architect to compensation pursuant to Section 11.3 and an appropriate adjustment in the Architect's schedule.

§ 4.2.1 Upon recognizing the need to perform the following Additional Services, the Architect shall notify the Owner with reasonable promptness and explain the facts and circumstances giving rise to the need. The Architect shall not proceed to provide the following Additional Services until the Architect receives the Owner's written authorization:

- .1 Services necessitated by a change in the Initial Information, previous instructions or approvals given by the Owner, or a material change in the Project including size, quality, complexity, the Owner's schedule or budget for Cost of the Work, or procurement or delivery method;
- .2 Services necessitated by the enactment or revision of codes, laws, or regulations, including changing or editing previously prepared Instruments of Service;
- .3 Changing or editing previously prepared Instruments of Service necessitated by official interpretations of applicable codes, laws or regulations that are either (a) contrary to specific interpretations by the applicable authorities having jurisdiction made prior to the issuance of the building permit, or (b) contrary to requirements of the Instruments of Service when those Instruments of Service were prepared in accordance with the applicable standard of care;
- .4 Services necessitated by decisions of the Owner not rendered in a timely manner or any other failure of performance on the part of the Owner or the Owner's consultants or contractors;
- .5 Preparing digital models or other design documentation for transmission to the Owner's consultants and contractors, or to other Owner-authorized recipients;
- .6 Preparation of design and documentation for alternate bid or proposal requests proposed by the Owner;

- .9 Evaluation of the qualifications of entities providing bids or proposals;
- .10 Consultation concerning replacement of Work resulting from fire or other cause during construction; or,
- .11 Assistance to the Initial Decision Maker, if other than the Architect.

§ 4.2.2 To avoid delay in the Construction Phase, the Architect shall provide the following Additional Services, notify the Owner with reasonable promptness, and explain the facts and circumstances giving rise to the need. If, upon receipt of the Architect's notice, the Owner determines that all or parts of the services are not required, the Owner shall give prompt written notice to the Architect of the Owner's determination. - .1 Two (2) reviews of each Shop Drawing, Product Data item, sample and similar submittals of the Contractor
- .2 One per week (1) visit per week to the site by the Architect during construction
- .3 Two (2) inspections for any portion of the Work to determine whether such portion of the Work is substantially complete in accordance with the requirements of the Contract Documents
- .4 Two (2) inspections for any portion of the Work to determine final completion.

§ 4.2.4 Except for services required under Section 3.6.6.5 and those services that do not exceed the limits set forth in Section 4.2.3, Construction Phase Services provided more than 60 days after (1) the date of Substantial Completion of the Work or (2) the initial date of Substantial Completion identified in the agreement between the Owner and Contractor, whichever is earlier, shall be compensated as Additional Services to the extent the Architect incurs additional cost in providing those Construction Phase Services.

§ 4.2.5 If the services covered by this Agreement have not been completed within Eighteen (18) months of the date of this Agreement, through no fault of the Architect, extension of the Architect's services beyond that time shall be compensated as Additional Services.

ARTICLE 5 OWNER'S RESPONSIBILITIES

§ 5.1 Unless otherwise provided for under this Agreement, the Owner shall provide information in a timely manner regarding requirements for and limitations on the Project, including a written program, which shall set forth the Owner's objectives; schedule; constraints and criteria, including space requirements and relationships; flexibility; expandability; special equipment; systems; and site requirements.

§ 5.2 The Owner shall establish the Owner's budget for the Project, including (1) the budget for the Cost of the Work as defined in Section 6.1; (2) the Owner's other costs; and, (3) reasonable contingencies related to all of these costs. The Owner shall update the Owner's budget for the Project as necessary throughout the duration of the Project until final completion. If the Owner significantly increases or decreases the Owner's budget for the Cost of the Work, the Owner shall notify the Architect. The Owner and the Architect shall thereafter agree to a corresponding change in the Project's scope and quality.

§ 5.3 The Owner shall identify a representative authorized to act on the Owner's behalf with respect to the Project. The Owner shall render decisions and approve the Architect's submittals in a timely manner in order to avoid unreasonable delay in the orderly and sequential progress of the Architect's services.

§ 5.4 The Owner shall furnish surveys to describe physical characteristics, legal limitations and utility locations for the site of the Project, and a written legal description of the site. The surveys and legal information shall include, as applicable, grades and lines of streets, alleys, pavements and adjoining property and structures; designated wetlands; adjacent drainage; rights-of-way, restrictions, easements, encroachments, zoning, deed restrictions, boundaries and contours of the site; locations, dimensions, and other necessary data with respect to existing buildings, other improvements and trees; and information concerning available utility services and lines, both public and private, above and below grade, including inverts and depths. All the information on the survey shall be referenced to a Project benchmark.

§ 5.5 The Owner shall furnish services of geotechnical engineers, which may include test borings, test pits, determinations of soil bearing values, percolation tests, evaluations of hazardous materials, seismic evaluation, ground corrosion tests and resistivity tests, including necessary operations for anticipating subsoil conditions, with written reports and appropriate recommendations.

§ 5.6 The Owner shall provide the Supplemental Services designated as the Owner's responsibility in Section 4.1.1.

§ 5.7 If the Owner identified a Sustainable Objective in Article 1, the Owner shall fulfill its responsibilities as required in AIA Document E204™-2017, Sustainable Projects Exhibit, attached to this Agreement.

§ 5.8 The Owner shall coordinate the services of its own consultants with those services provided by the Architect. Upon the Architect's request, the Owner shall furnish copies of the scope of services in the contracts between the Owner and the Owner's consultants. The Owner shall furnish the services of consultants other than those designated as the responsibility of the Architect in this Agreement, or authorize the Architect to furnish them as an Additional Service, when the Architect requests such services and demonstrates that they are reasonably required by the scope of the Project. The Owner shall require that its consultants and contractors maintain insurance, including professional liability insurance, as appropriate to the services or work provided.

§ 5.9 The Owner shall furnish tests, inspections and reports required by law or the Contract Documents, such as structural, mechanical, and chemical tests, tests for air and water pollution, and tests for hazardous materials.

§ 5.10 The Owner shall furnish all legal, insurance and accounting services, including auditing services, that may be reasonably necessary at any time for the Project to meet the Owner's needs and interests.

§ 5.11 The Owner shall provide prompt written notice to the Architect if the Owner becomes aware of any fault or defect in the Project, including errors, omissions or inconsistencies in the Architect's Instruments of Service.

Init.

§ 5.12 The Owner shall include the Architect in all communications with the Contractor that relate to or affect the Architect's services or professional responsibilities. The Owner shall promptly notify the Architect of the substance of any direct communications between the Owner and the Contractor otherwise relating to the Project. Communications by and with the Architect's consultants shall be through the Architect.

§ 5.13 Before executing the Contract for Construction, the Owner shall coordinate the Architect's duties and responsibilities set forth in the Contract for Construction with the Architect's services set forth in this Agreement. The Owner shall provide the Architect a copy of the executed agreement between the Owner and Contractor, including the General Conditions of the Contract for Construction.

§ 5.14 The Owner shall provide the Architect access to the Project site prior to commencement of the Work and shall obligate the Contractor to provide the Architect access to the Work wherever it is in preparation or progress.

§ 5.15 Within 15 days after receipt of a written request from the Architect, the Owner shall furnish the requested information as necessary and relevant for the Architect to evaluate, give notice of, or enforce lien rights.

ARTICLE 6 COST OF THE WORK

§ 6.1 For purposes of this Agreement, the Cost of the Work shall be the total cost to the Owner to construct all elements of the Project designed or specified by the Architect and shall include contractors' general conditions costs, overhead and profit. The Cost of the Work also includes the reasonable value of labor, materials, and equipment, donated to, or otherwise furnished by, the Owner. The Cost of the Work does not include the compensation of the Architect; the costs of the land, rights-of-way, financing, or contingencies for changes in the Work; or other costs that are the responsibility of the Owner.

§ 6.2 The Owner's budget for the Cost of the Work is provided in Initial Information, and shall be adjusted throughout the Project as required under Sections 5.2, 6.4 and 6.5. Evaluations of the Owner's budget for the Cost of the Work, and the preliminary estimate of the Cost of the Work and updated estimates of the Cost of the Work, prepared by the Architect, represent the Architect's judgment as a design professional. It is recognized, however, that neither the Architect nor the Owner has control over the cost of labor, materials, or equipment; the Contractor's methods of determining bid prices; or competitive bidding, market, or negotiating conditions. Accordingly, the Architect cannot and does not warrant or represent that bids or negotiated prices will not vary from the Owner's budget for the Cost of the Work, or from any estimate of the Cost of the Work, or evaluation, prepared or agreed to by the Architect.

§ 6.3 In preparing estimates of the Cost of Work, the Architect shall be permitted to include contingencies for design, bidding, and price escalation; to determine what materials, equipment, component systems, and types of construction are to be included in the Contract Documents; to recommend reasonable adjustments in the program and scope of the Project; and to include design alternates as may be necessary to adjust the estimated Cost of the Work to meet the Owner's budget. The Architect's estimate of the Cost of the Work shall be based on current area, volume or similar conceptual estimating techniques. If the Owner requires a detailed estimate of the Cost of the Work, the Architect shall provide such an estimate, if identified as the Architect's responsibility in Section 4.1.1, as a Supplemental Service.

§ 6.4 If, through no fault of the Architect, the Procurement Phase has not commenced within 90 days after the Architect submits the Construction Documents to the Owner, the Owner's budget for the Cost of the Work shall be adjusted to reflect changes in the general level of prices in the applicable construction market.

§ 6.5 If at any time the Architect's estimate of the Cost of the Work exceeds the Owner's budget for the Cost of the Work, the Architect shall make appropriate recommendations to the Owner to adjust the Project's size, quality, or budget for the Cost of the Work, and the Owner shall cooperate with the Architect in making such adjustments.

§ 6.6 If the Owner's budget for the Cost of the Work at the conclusion of the Construction Documents Phase Services is exceeded by the lowest bona fide bid or negotiated proposal, the Owner shall

- .1 give written approval of an increase in the budget for the Cost of the Work;
- .2 authorize rebidding or renegotiating of the Project within a reasonable time;
- .3 terminate in accordance with Section 9.5;

- .4 in consultation with the Architect, revise the Project program, scope, or quality as required to reduce the Cost of the Work; or,
- .5 implement any other mutually acceptable alternative.

§ 6.7 If the Owner chooses to proceed under Section 6.6.4, the Architect shall modify the Construction Documents as necessary to comply with the Owner's budget for the Cost of the Work at the conclusion of the Construction Documents Phase Services, or the budget as adjusted under Section 6.6.1. If the Owner requires the Architect to modify the Construction Documents because the lowest bona fide bid or negotiated proposal exceeds the Owner's budget for the Cost of the Work due to market conditions the Architect could not reasonably anticipate, the Owner shall compensate the Architect for the modifications as an Additional Service pursuant to Section 11.3; otherwise the Architect's services for modifying the Construction Documents shall be without additional compensation. In any event, the Architect's modification of the Construction Documents shall be the limit of the Architect's responsibility under this Article 6.

ARTICLE 7 COPYRIGHTS AND LICENSES

§ 7.1 The Architect and the Owner warrant that in transmitting Instruments of Service, or any other information, the transmitting party is the copyright owner of such information or has permission from the copyright owner to transmit such information for its use on the Project.

§ 7.2 The Architect and the Architect's consultants shall be deemed the authors and owners of their respective Instruments of Service, including the Drawings and Specifications, and shall retain all common law, statutory and other reserved rights, including copyrights. Submission or distribution of Instruments of Service to meet official regulatory requirements or for similar purposes in connection with the Project is not to be construed as publication in derogation of the reserved rights of the Architect and the Architect's consultants.

§ 7.3 The Architect grants to the Owner a nonexclusive license to use the Architect's Instruments of Service solely and exclusively for purposes of constructing, using, maintaining, altering and adding to the Project, provided that the Owner substantially performs its obligations under this Agreement, including prompt payment of all sums due pursuant to Article 9 and Article 11. The Architect shall obtain similar nonexclusive licenses from the Architect's consultants consistent with this Agreement. The license granted under this section permits the Owner to authorize the Contractor, Subcontractors, Sub-subcontractors, and suppliers, as well as the Owner's consultants and separate contractors, to reproduce applicable portions of the Instruments of Service, subject to any protocols established pursuant to Section 1.3, solely and exclusively for use in performing services or construction for the Project. If the Architect rightfully terminates this Agreement for cause as provided in Section 9.4, the license granted in this Section 7.3 shall terminate.

§ 7.3.1 In the event the Owner uses the Instruments of Service without retaining the authors of the Instruments of Service, the Owner releases the Architect and Architect's consultant(s) from all claims and causes of action arising from such uses. The Owner, to the extent permitted by law, further agrees to indemnify and hold harmless the Architect and its consultants from all costs and expenses, including the cost of defense, related to claims and causes of action asserted by any third person or entity to the extent such costs and expenses arise from the Owner's use of the Instruments of Service under this Section 7.3.1. The terms of this Section 7.3.1 shall not apply if the Owner rightfully terminates this Agreement for cause under Section 9.4.

§ 7.4 Except for the licenses granted in this Article 7, no other license or right shall be deemed granted or implied under this Agreement. The Owner shall not assign, delegate, sublicense, pledge or otherwise transfer any license granted herein to another party without the prior written agreement of the Architect. Any unauthorized use of the Instruments of Service shall be at the Owner's sole risk and without liability to the Architect and the Architect's consultants.

§ 7.5 Except as otherwise stated in Section 7.3, the provisions of this Article 7 shall survive the termination of this Agreement.

ARTICLE 8 CLAIMS AND DISPUTES

(Paragraphs deleted)

§ 8.2 Mediation

§ 8.2.1 Any claim, dispute or other matter in question arising out of or related to this Agreement may be subject to mediation if both parties agree. If such matter relates to or is the subject of a lien arising out of the Architect's services, the Architect may proceed in accordance with applicable law to comply with the lien notice or filing deadlines prior to resolution of the matter by mediation.

§ 8.2.2 The Owner and Architect shall endeavor to resolve claims, disputes and other matters in question between them by mediation. A request for mediation shall be made in writing, delivered to the other party to this Agreement, and filed with the person or entity administering the mediation.

If the Owner requests the Architect to execute consents reasonably required to facilitate assignment to a lender, the Architect shall execute all such consents that are consistent with this Agreement, provided the proposed consent is submitted to the Architect for review at least 14 days prior to execution. The Architect shall not be required to execute certificates or consents that would require knowledge, services, or responsibilities beyond the scope of this Agreement.

If it is determined that any provision of the Agreement violates any law, or is otherwise invalid or unenforceable, then that provision shall be revised to the extent necessary to make that provision legal and enforceable. In such case the Agreement shall be construed, to the fullest extent permitted by law, to give effect to the parties' intentions and purposes in executing the Agreement.

Payments of principal of and interest on this Qualified Obligation shall be made by check or draft mailed to such Registered Owner at its address as such address appears on such

registration records in time to reach the Registered Owner at least five (5) days prior to an Interest Payment Date (as defined in the Municipality Bond Resolution, as hereinafter defined).

This Qualified Obligation is issued under the authority of the Constitution and statutes of the State of Mississippi, including House Bill No. 1565, as approved by the Legislature of the State of Mississippi (the “Legislature” of the “State”) in its Regular Session 2019 and signed by the Governor (the “Governor”) of the State on April 3, 2019 (the “Authority Act”), Sections 21-33-301 *et seq.*, Mississippi Code of 1972, as amended (the “Municipal Improvements Act”), Sections 31-25-1 *et seq.*, Mississippi Code of 1972, as amended (the “Bank Act”), and other applicable laws of the State (together, the “Act”), and by the further authority of proceedings duly had by the Mayor and Board of Aldermen of the Municipality, including a resolution adopted on _____, 20__ (the “Municipality Bond Resolution”).

This Qualified Obligation is issued in the aggregate authorized principal amount of _____ Dollars (\$_____) to provide funds for the purposes set forth in the Municipality Bond Resolution, including, but not limited to (a) the Special Tax Authorized Purpose (as defined in the Municipality Bond Resolution), (b) the General Municipal Improvements Authorized Purpose (as defined in the Municipality Bond Resolution), and (c) other authorized purposes under the Act, including paying capitalized interest, funding a debt service reserve fund, and paying the costs of issuance for the Bank Bonds and the Qualified Obligation (the “Project”).

The Municipality will duly and punctually pay the principal of, premium, if any, and interest on this Qualified Obligation at the dates and the places and in the manner mentioned in the Municipality Bond Resolution, according to the true intent and meaning thereof. Notwithstanding any schedule of payments upon the Qualified Obligation, the Municipality agrees to make payments upon the Qualified Obligation and be liable therefor at such times and in such amounts (including principal, premium, if any, and interest) so as to provide for payment of the principal of, premium, if any, and interest on the \$_____ Mississippi Development Bank Special Obligation Bonds, Series 2020 (Starkville, Mississippi, Parks and Recreation General Obligation Bond Project) (the “Bank Bonds”), outstanding under the Indenture of Trust, by and between the Mississippi Development Bank and _____, _____, _____, as trustee (the “Trustee”), dated as of _____, 20__ (the “Indenture”), when due whether upon a scheduled Interest Payment Date or at maturity.

Reference is hereby made to the Municipality Bond Resolution and to all amendments and supplements thereto for the provisions, among others, with respect to the nature and extent of the security for the bondholder, the rights, duties and obligations of the Municipality and the bondholder and the terms upon which this Qualified Obligation is or may be issued and secured.

The Municipality and the Paying Agent may deem and treat the Registered Owner hereof as the absolute owner for the purpose of receiving payment of principal hereof and interest due hereon and for all other purposes and neither the Municipality nor the Paying Agent shall be affected by any notice to the contrary.

This Qualified Obligation shall be a general obligation of the Municipality payable as to principal of, premium, if any, and interest out of and secured by a special tax to be levied

annually by the Municipality, without limitation as to time, rate or amount, upon all of the taxable property within the geographical boundaries of the Municipality adequate and sufficient to provide for the payment of the principal of, premium, if any, and interest on the Qualified Obligation as the same becomes due. Said tax shall be extended upon the tax rolls and collected in the same manner and at the same time as other taxes of the Municipality are collected, and the rate of the tax which shall be so extended shall be sufficient in each year fully to produce the sums required as aforesaid, without limitation as to time, rate or amount; provided, however, that such tax levy for any year shall be abated *pro tanto* to the extent the Municipality on or prior to September 1 of that year has transferred money to the Parks and Recreation Bond Fund (as defined in the Municipality Bond Resolution), or has made other provisions for funds, to be applied toward the payment of the principal of and interest on the Qualified Obligation due during the ensuing fiscal year of the Municipality, in accordance with the provisions of the Municipality Bond Resolution. The avails of said tax are irrevocably pledged by the Municipality under the Municipality Bond Resolution for the payment of the principal of, premium, if any, and interest on the Qualified Obligation as the same shall mature and accrue. Should there be a failure in any year to comply with the requirements, such failure shall not impair the right of the holder of the Qualified Obligation in any subsequent year to have adequate taxes levied and collected to meet the obligations of the Qualified Obligation, as to principal of, premium, if any, and interest.

Provided, however, any other funds available to the Municipality which may be lawfully used for payment of the principal of, premium, if any, and interest on the Qualified Obligation or for other obligations of the Municipality which may be due under the Indenture, and which the Governing Body, in its discretion, may direct to be deposited into the Parks and Recreation Bond Fund, including, but not limited to, the Special Sales Tax, as provided by the Authority Act, may be used for the payment of the principal and interest due on the Qualified Obligation.

This Qualified Obligation is the only evidence of indebtedness issued and outstanding under the Municipality Bond Resolution. This Qualified Obligation has been purchased by the Mississippi Development Bank and has been assigned to the Trustee under the Indenture. This Qualified Obligation is registered in the name of the Trustee and is non-transferrable except as provided in the Indenture.

The Municipality and the Paying Agent may deem and treat the person in whose name this Qualified Obligation is registered as the absolute owner hereof, whether this Qualified Obligation shall be overdue or not, for the purpose of receiving payment of the principal of, premium, if any, and interest on this Qualified Obligation and for all other purposes. All such payments so made to the Registered Owner shall be valid and effectual to satisfy and discharge the liability upon this Qualified Obligation to the extent of the sum or sums paid, and neither the Municipality nor the Paying Agent shall be affected by any notice to the contrary.

Upon a default in payment under this Qualified Obligation, the Trustee may, as provided in the Indenture and the Municipality Bond Resolution, declare the principal of and accrued interest on this Qualified Obligation to be due and payable immediately.

This Qualified Obligation shall only be redeemed under the Municipality Bond Resolution to the extent and in the manner required to redeem the Bank Bonds pursuant to the provisions of the Indenture.

Modifications or alterations of the Municipality Bond Resolution may be made only to the extent and under the circumstances permitted by the Indenture.

This Qualified Obligation shall not be valid or become obligatory for any purpose or be entitled to any benefit or security under the Municipality Bond Resolution until the certificate of registration and authentication hereon shall have been signed by the Paying Agent.

Capitalized terms used herein, but not defined herein, shall have the meanings given to such terms in the Municipality Bond Resolution and the Indenture.

IT IS HEREBY CERTIFIED, RECITED, AND REPRESENTED that all conditions, acts, and things required by law to exist, to have happened, and to have been performed precedent to and in the issuance of this Qualified Obligation, in order to make the same a legal and binding general obligation of the Municipality, according to the terms thereof, do exist, have happened, and have been performed in regular and due time, form and manner as required by law. For the performance in apt time and manner of every official act herein required, and for the prompt payment of this Qualified Obligation, including principal, premium, if any, and interest, the full faith, credit, and taxing power of the Municipality are hereby irrevocably pledged.

IN WITNESS WHEREOF, the Municipality has caused this Qualified Obligation to be executed in its name by the manual or facsimile signature of the Mayor of the Municipality, countersigned by the manual or facsimile signature of the City Clerk of the Municipality, under the manual or facsimile seal of the Municipality, which said manual or facsimile signatures and seal said officials adopt as and for their own proper signatures and seal, on this day, _____, 20__.

SECTION 12. In case the Qualified Obligation shall become mutilated, stolen, destroyed, or lost, the Municipality shall, if not then prohibited by law, cause to be authenticated and delivered a new Qualified Obligation of like date, number, maturity, and tenor in exchange and substitution for and upon cancellation of such mutilated Qualified Obligation, or in lieu of and in substitution for such Qualified Obligation stolen, destroyed, or lost, upon the Registered Owner's paying the reasonable expenses and charges of the Municipality in connection therewith, and in case of a Qualified Obligation stolen, destroyed, or lost, such Registered Owner's filing with the Municipality or Paying Agent evidence satisfactory to them that the Qualified Obligation was stolen, destroyed, or lost, and of its ownership thereof, and furnishing the Municipality or the Paying Agent with such security and/or indemnity as may be required by law or by them to save each of them harmless from all risks, however remote.

SECTION 13. The Qualified Obligation shall be a general obligation of the Municipality payable as to principal and interest out of and secured by an irrevocable pledge of the avails of a direct and continuing tax to be levied annually, to the extent necessary, without limitation as to rate or amount upon all the taxable property within the geographical limits of the

Municipality. To the extent necessary, a special tax upon all taxable property within the geographical limits of the Municipality shall be levied annually as required by law, which tax, together with any other moneys available for such purpose, shall be adequate and sufficient to provide for the payment of the principal of and the interest on the Qualified Obligation as the same comes due. Said tax shall be extended upon the tax rolls and collected in the same manner and at the same time as other taxes for the Municipality are collected, and the rate of tax which shall be so extended shall be sufficient in each year fully to produce the sums required as aforesaid, without limitation as to rate or amount; provided, however, that such tax levy for any year shall be abated *pro tanto* to the extent the Municipality on or prior to September 1 of that year has transferred money to the Parks and Recreation Bond Fund (as established by Section 17 hereof), or has made other provisions for funds, to be applied toward the payment of the principal of and interest on the Qualified Obligation due during the ensuing fiscal year of the Municipality, in accordance with the provisions of this Municipality Bond Resolution. The avails of said tax are hereby irrevocably pledged for the payment of the principal of, premium, if any, and interest on the Qualified Obligation as the same shall mature and accrue. Should there be a failure in any year to comply with the requirements, such failure shall not impair the right of the holder of the Qualified Obligation in any subsequent year to have adequate taxes levied and collected to meet the obligations the Qualified Obligation, as to principal of, premium, if any, and interest.

SECTION 14. Only if the Qualified Obligation shall have endorsed thereon a certificate of registration and authentication in substantially the form hereinabove set forth, duly executed by the Paying Agent, shall the Qualified Obligation be entitled to the rights, benefits, and security of this Municipality Bond Resolution. The Qualified Obligation shall not be valid or obligatory for any purpose unless and until such certificate of registration and authentication shall have been duly executed by the Paying Agent, which executed certificate shall be conclusive evidence of registration, authentication, and delivery under this Municipality Bond Resolution. The Paying Agent's certificate of registration and authentication on the Qualified Obligation shall be deemed to have been duly executed if signed by an authorized officer of the Paying Agent; provided, however, it shall not be necessary that the same officer sign said certificate on every Qualified Obligation that may be issued hereunder.

SECTION 15. Ownership of the Qualified Obligation shall be in the Bank or its assignee. The Person in whose name the Qualified Obligation shall be registered in the records of the Municipality maintained by the Paying Agent may be deemed the absolute owner thereof for all purposes, and payment of or on account of the principal of, premium, if any, or interest on the Qualified Obligation shall be made only to or upon the order of the Registered Owner thereof, or its legal representative, but such registration may be changed as hereinafter provided. All such payments shall be valid and effectual to satisfy and discharge the liability upon the Qualified Obligation to the extent of the sum or sums so paid.

SECTION 16. The Qualified Obligation shall be transferable only as provided in the Indenture. Upon the transfer of the Qualified Obligation, the Municipality, acting through the Paying Agent, shall issue in the name of the transferee a new Qualified Obligation of the same aggregate principal amount and maturity and rate of interest as the surrendered Qualified Obligation.

SECTION 17. (a) The Municipality hereby establishes the “City of Starkville, Mississippi, General Obligation Parks and Recreation Bond Fund” (the “Parks and Recreation Bond Fund”) which shall be maintained with a qualified depository in its name for the payment of the principal of, premium, if any, and interest on the Qualified Obligation, and the payment of the Paying Agent’s fees in connection therewith. There shall be deposited into the Parks and Recreation Bond Fund as and when received:

(i) The avails of any of the taxes levied and collected pursuant to Section 13 hereof;

(ii) Any income received from the investment of monies in the Parks and Recreation Bond Fund; and

(iii) Any other funds available to the Municipality which may be lawfully used for payment of the principal of, premium, if any, and interest on the Qualified Obligation or for other obligations of the Municipality which may be due under the Indenture, and which the Governing Body, in its discretion, may direct to be deposited into the Parks and Recreation Bond Fund, including, but not limited to, the Special Sales Tax, as provided by the Authority Act.

(b) As long as any principal of, premium, if any, and interest on the Qualified Obligation or the Bank Bonds remain outstanding and/or other obligations of the Municipality remain outstanding hereunder or under the Indenture, the City Clerk is hereby irrevocably authorized and directed to withdraw from the Parks and Recreation Bond Fund sufficient monies to make the payments necessary (the “Qualified Obligation Payments”) to pay (i) the principal of, premium, if any, and interest coming due on the Bank Bonds, and (ii) any additional payments necessary and required as obligations of the Municipality hereunder or under the Indenture, including, but not limited to Program Expenses (as such term is defined in the Indenture), and to transfer same to the account of the Trustee in time to reach the Trustee at least five (5) days prior to the date on which said interest, principal or premium, if any, on the Bank Bonds shall become due, or in such time as may be required for any other payments regarding the Bank Bonds shall become due. The Trustee shall deposit all Qualified Obligation Payments received in the General Account of the General Fund of the Indenture (as such terms are defined in the Indenture), or such other fund or account as the Trustee is so directed in the Indenture.

SECTION 18. (a) The Municipality hereby establishes the “City of Starkville, Mississippi, General Obligation Parks and Recreation Improvements Fund” (the “Parks and Recreation Improvements Fund”) which shall be maintained with a qualified depository in its name. A portion of the proceeds received upon the sale of the Qualified Obligation as provided in the Indenture shall be transferred by the Trustee and deposited in the Parks and Recreation Improvements Fund. Monies deposited in the Parks and Recreation Improvements Fund shall be used, to the extent permitted by law, (i) for the Project; (ii) to pay architectural, engineering, fiscal, Paying Agent, printing, accounting, construction manager, feasibility consultant, legal expenses, and development expenses incurred in connection with the Project; and (iii) to pay costs related to any suits and proceedings in connection with the Project, including any costs of settlement thereof. Any income received from investment of monies in the Parks and Recreation Improvements Fund shall be deposited in the Parks and Recreation Improvements Fund and shall

be used for the costs of the Project. Any amounts which remain in the Parks and Recreation Improvements Fund after the completion of the Project shall be transferred to the Parks and Recreation Bond Fund and used as permitted under the Code and State law.

(b) The balance of the proceeds derived from the sale of the Qualified Obligation following the deposits to be made pursuant to this Section shall be retained by the Bank and deposited with the Trustee under the Indenture to be used for the payment of the costs of the authorization, issuance, sale, validation, and delivery of the Qualified Obligation and the costs of authorization, issuance, sale, validation, and delivery of the Bank Bonds, all as provided in the Indenture.

SECTION 19. (a) Payment of principal on the Qualified Obligation shall be made, upon presentation of the Qualified Obligation at the corporate trust office of the Paying Agent, to the Record Date Registered Owner thereof who shall appear in the registration records of the Municipality maintained by the Paying Agent as of the Record Date.

(b) Payment of each installment of interest on the Qualified Obligation shall be made to the Record Date Registered Owner thereof whose name shall appear in the registration records of the Municipality maintained by the Paying Agent as of the Record Date. Interest shall be payable in the aforesaid manner irrespective of any transfer or exchange of such Qualified Obligation subsequent to the Record Date and prior to the due date of the interest.

(c) Principal of and interest on the Qualified Obligation shall be paid by the Paying Agent by check or draft mailed to the Registered Owner at the address appearing in the registration records of the Paying Agent in time to reach the Registered Owner at least five (5) days prior to an Interest Payment Date. Any such address may be changed by written notice from the Registered Owner to the Paying Agent by certified mail, return receipt requested, or such other method and at the times as may be subsequently prescribed by the Paying Agent.

SECTION 20. The Municipality may issue refunding bonds, in one or more series, with the consent of the Bank pursuant to a supplement to this Municipality Bond Resolution or a separate resolution to provide funds for the refunding of all or a portion of the Qualified Obligation so long as: (a) no default has occurred and is continuing under this Municipality Bond Resolution or the Indenture; and (b) there shall have been filed with the Municipality and the Trustee an opinion of Bond Counsel that the exclusion from gross income for federal income tax purposes of interest on the Bank Bonds then outstanding under the Indenture shall not be adversely affected.

Such refunding bonds shall be appropriately designated, shall be dated, shall bear interest at a rate or rates not exceeding the maximum rate then permitted by law, shall be numbered, shall have such Paying Agents, and shall have such maturities and redemption provisions, all as may be provided in the supplement to this Municipality Bond Resolution or separate resolution of the Governing Body authorizing the issuance of such refunding bonds.

It is intended that this Section allow for the provision of refunding bonds commensurate with the ability of the Bank to issue its refunding bonds as provided in the Indenture.

SECTION 21. The Qualified Obligation may be submitted to validation in the Chancery Court of Oktibbeha County, Mississippi, in the manner and with the force and effect provided by Sections 31-13-1 *et seq.*, Mississippi Code of 1972, as amended. The City Clerk is hereby directed to make up a transcript of all legal papers and proceedings relating to the Qualified Obligation and to certify and forward the same to the State Bond Attorney for the institution of validation proceedings.

SECTION 22. The Municipality covenants to comply with each requirement of the Code and the regulations promulgated thereunder necessary to maintain the exclusion of interest on the Bank Bonds from gross income for federal income tax purposes, and in furtherance thereof, to comply with a certificate of the Municipality to be executed and delivered concurrently with the issuance of the Qualified Obligation and the Bank Bonds, or such other covenants as may, from time to time, be required to be complied with in order to maintain the exclusion of interest on the Bank Bonds from gross income for federal income tax purposes. The Municipality shall not use or permit the use of any of the proceeds of the Qualified Obligation or the Bank Bonds, or any other funds of the Municipality, directly or indirectly, to acquire any securities, obligations or other investment property, and shall not take or permit to be taken any other action or actions, which would cause any Bank Bond to be an “arbitrage bond” as defined in Section 148 of the Code. Notwithstanding any other provisions to the contrary, so long as necessary in order to maintain the exclusion of interest on the Bank Bonds from gross income for federal income tax purposes under the Code, the covenants contained in this Section shall survive the payment of the Qualified Obligation and the Bank Bonds and the interest thereon, including any payment or defeasance thereof.

SECTION 23. The Municipality represents as follows:

(a) The Municipality shall take no action that would cause the Bank Bonds to be “federally guaranteed” within the meaning of Section 149(b) of the Code;

(b) The Municipality shall take all necessary action to have the Bank Bonds registered within the meaning of Section 149(a) of the Code; and

(c) The Municipality will not employ any device or abusive transaction with respect to the investment of the proceeds of the Bank Bonds and, to the extent necessary, the Qualified Obligation.

SECTION 24. The Municipality hereby covenants that in connection with the Bank Bonds it shall make, or cause to be timely made to the United States of America, any rebate payment required by Section 148(f) of the Code and the regulations promulgated thereunder and to that end, will enter into the Arbitrage Rebate Agreement (as defined in the Indenture) with the Bank and the Trustee.

SECTION 25. The Mayor is hereby authorized to sign and file or cause to be filed a completed Internal Revenue Service Form 8038-G “Information Return for Governmental Obligations” if required by Section 149(e) of the Code.

SECTION 26. The Mayor is hereby authorized to execute a non-arbitrage certification in order to comply with Section 148 of the Code and the applicable regulations thereunder.

SECTION 27. Pursuant to SEC Rule 15c2-12(b)(5) (the “Rule”), the Municipality, as an “obligated person” under the Rule, covenants and agrees to enter into the Continuing Disclosure Agreement with the Bank and the Trustee, setting forth the Municipality’s agreement with regard to continuing disclosure and to comply with the covenants set forth therein and carry out all of the provisions of the Continuing Disclosure Agreement. In the event the Municipality fails to comply with the provisions of the Continuing Disclosure Agreement, the beneficial owners of the Bank Bonds may take such actions as may be necessary and appropriate, including mandamus or specific performance by court order, to cause the Municipality to comply with its obligations set forth in the Continuing Disclosure Agreement and this Section.

SECTION 28. (a) The Bank and the Municipality, without the consent of the owners of any of the Bank Bonds outstanding under the Indenture, may enter into supplements to this Municipality Bond Resolution which shall not be inconsistent with the terms and provisions hereof for any of the purposes heretofore specifically authorized in this Municipality Bond Resolution or the Indenture, and in addition thereto for the following purposes:

- (i) To cure any ambiguity or formal defect or omission in the Indenture;
- (ii) To grant to or confer upon the Trustee for the benefit of the Bondholders any additional benefits, rights, remedies, powers, or authorities that may lawfully be granted to or conferred upon the Bondholders or the Trustee, or to make any change which, in the opinion of Bond Counsel, does not materially and adversely affect the interest of the owner of the Qualified Obligation and does not require unanimous consent of the Bondholders pursuant to the Indenture;
- (iii) To subject to the Indenture additional Revenues (as such term is defined in the Indenture), properties, or collateral;
- (iv) To modify, amend, or supplement the Indenture or any indenture supplemental thereto in such manner as to permit the qualification thereof under the Trust Indenture Act of 1939 or any similar federal statute hereafter in effect or to permit the qualification of the Bank Bonds for sale under the securities laws of the United States of America or of any of the states of the United States of America, and, if they so determine, to add to the Indenture or any indenture supplemental thereto such other terms, conditions, and provisions as may be permitted by said Trust Indenture Act of 1939 or similar federal statute; and
- (v) To evidence the appointment of a separate or co-trustee or the succession of a new Trustee under the Indenture or the succession of a new registrar and/or Paying Agent; and
- (vi) No supplemental agreement or amendment shall be executed and delivered pursuant hereto without prior written notice having been given by the Municipality to any rating agency carrying a rating on the Bank Bonds or the Qualified Obligation of the Municipality's intention to execute such supplemental agreement or amendment not less than fifteen (15) days in advance of the execution of said supplemental agreement or amendment.

(b) The provisions of this Municipality Bond Resolution may be amended in any particular with the written consent of the Bank to the extent authorized by the Indenture; provided, however, that no such amendment may be adopted which decreases the percentage of owners of Bank Bonds required to approve any amendment, or which permits a change in the date of payment of the principal of or interest on any Bank Bonds or of any redemption price thereof or the rate of interest thereon.

(c) If at any time the Bank and the Municipality shall request the Trustee to consent to a proposed amendment of this Municipality Bond Resolution for any of the purposes of this Section, the Trustee shall, upon being satisfactorily indemnified and/or secured with respect to expenses, cause notice of the proposed execution of such proposed amendment to be given in the manner required by the Indenture to redeem Bank Bonds. Such notice shall briefly set forth the nature of the proposed amendment and shall state that copies thereof are on file at the principal corporate trust office of the Trustee for inspection by all holders of Bank Bonds. If, within sixty (60) days or such longer period as shall be prescribed by the Bank following such notice, the owners of not less than a majority in aggregate principal amount of the Bank Bonds outstanding at the time of the execution of any such proposed amendment shall have consented to and approved the execution thereof as herein provided, no owner of any Bank Bond shall have any right to object to any of the terms and provisions contained therein, or the operation thereof, or in any manner to question the propriety of the execution thereof, or to enjoin or restrain the Trustee, the Municipality or the Bank from executing or approving the same or from taking any action pursuant to the provisions thereof. Upon the execution of any such proposed amendment permitted and provided in this Section, this Municipality Bond Resolution shall be modified and amended in accordance therewith.

(d) Copies of any such supplement or amendment shall be filed with the Trustee and delivered to the Bank and the Municipality before such supplement or amendment may become effective.

Notwithstanding any other provision herein or in any attachments hereto, the Governing Body further authorizes any necessary changes to the name or title or series designation of the Bank Bonds or the Qualified Obligation and

This Bond and the other Bonds, and the interest payable hereon and thereon, are payable by the Bank solely from the Revenues (as defined herein) and other funds of the Bank pledged therefor under the Indenture, which Revenues and funds include the payments on the Qualified Obligation (as defined herein) purchased by the Bank. The Bank has no taxing power. This Bond and the other Bonds, as to principal, premium, if any, and interest, constitutes neither a debt, liability or loan of the credit of the State or any political subdivision thereof under the constitution or statutes of the State nor a pledge of the faith and credit, the taxing power or moral obligation of the State or any political subdivision thereof; provided, however, that the Qualified Obligation (as hereinafter defined) is a general obligation of the City of Starkville, Mississippi (the "Municipality"). The issuance of the Bonds under the provisions of the Act (as defined herein) does not, directly, indirectly or contingently, obligate the State or any political subdivision thereof to levy any form of taxation for the payment thereof or to make any appropriation for their payment and such Bonds do not now and shall never constitute a debt of the State or any political subdivision thereof within the meaning of the constitution or the statutes of the State and do not now and shall never constitute a charge against the credit of the State or any political subdivision thereof or a charge against the taxing power of the State or any political subdivision thereof. Neither the State nor any agent, attorney, member or employee of the State or of the Bank shall in any event be liable for the payment of the principal of, premium, if any, or interest on the Bonds or for the performance of any pledge, mortgage, obligation or agreement of any kind whatsoever which may be undertaken by the Bank. No breach by the Bank of any such pledge, mortgage, obligation or agreement may impose any liability, pecuniary or otherwise, upon the State or any agent, employee, attorney or member of the State or of the Bank, or any charge upon their general credit or upon the taxing power of the State. In the Bank Act (as defined herein), the State has pledged and agreed with the holders of the Bonds that the State will not limit or alter the rights hereby vested in the Bank to fulfill the terms of any agreements made with the said bondholders or in any way impair the rights and remedies of such holders until such Bonds, together with the interest thereon, with interest on any unpaid installments of interest, and all costs and expenses in connection with any action or proceeding by or on behalf of such holders of Bonds, are fully met and discharged.

This Bond is one of an authorized issue of bonds of the Bank known as Mississippi Development Bank Special Obligation Bonds, Series 20__ (Starkville, Mississippi, Parks and Recreation General Obligation Bond Project) (the “Bonds”) issued under and secured by an Indenture of Trust, dated as of _____, 20__ (“Indenture”), duly executed and delivered by the Bank to _____, _____, _____, as Trustee (“Trustee”). The Bonds are limited in aggregate principal amount to _____ Dollars (\$_____). The Bonds are issued pursuant to Sections 31-25-1 *et seq.*, Mississippi Code of 1972, as amended (the “Bank Act”), House Bill 1565 of the 2019 Regular Session of the Legislature of the State (“Authority Act”), and Sections 21-33-301 *et seq.*, Mississippi Code of 1972, as amended (the “Municipality Act” and together with the Bank Act and the Authority Act, the “Act”), to provide funds to purchase the Qualified Obligation and to pay the costs of issuing the Bonds and the Qualified Obligation. The Qualified Obligation is the General Obligation Bond, Series 20__ (Starkville, Mississippi, Parks and Recreation General Obligation Bond Project), issued in the aggregate principal amount of \$_____ (the “Qualified Obligation”). The Qualified Obligation is a general obligation of the Municipality secured and described in that certain resolution, adopted by the Board of Mayor and Aldermen of the Municipality on _____, 20__ (the “Municipality Bond Resolution”). The proceeds received by the Municipality from the sale of the Qualified Obligation to the Bank will be used by the Municipality for the purpose of acquiring real property and constructing, equipping, owning, operating, leasing, furnishing, and maintaining recreation and tourism venues.

The Municipality Bond Resolution, a certified copy of which is on file in the Principal Office of the Trustee, provides that the Municipality is unconditionally obligated to make payments secured by the full faith, credit and taxing power of the Municipality in an aggregate amount sufficient, with any other funds available therefor, for the payment in full of the principal of, premium, if any, and interest on all Bonds issued and outstanding under the Indenture, to the date of payment thereof, and certain costs, expenses and charges of the Bank and the Trustee.

For purposes of funding the Bond Fund (as defined in the Municipality Bond Resolution), the Municipality Bond Resolution provides that the Municipality will levy a direct, continuing and special tax upon all of the taxable property within the geographical limits of the Municipality, adequate and sufficient, after allowance shall have been made for the expenses of collection and delinquencies in the payment of taxes, to produce sums required for the payment of the principal of, premium, if any, and interest on the Qualified Obligation. Said tax shall be extended upon the tax rolls and collected in the same manner and at the same time as other taxes of the Municipality are collected, and the rate of the tax which shall be so extended shall be sufficient in each year fully to produce the sums required as aforesaid, without limitation as to time, rate or amount; provided, however, that such tax levy for any year shall be abated *pro tanto* to the extent the Municipality on or prior to September 1 of that year has transferred money to the Bond Fund, or has made other provisions for funds, to be applied toward the payment of the principal of and interest on the Qualified Obligation due during the ensuing fiscal year of the Municipality, in accordance with the provisions of the Municipality Bond Resolution. The avails of said tax are irrevocably pledged by the Municipality under the Municipality Bond Resolution for the payment of the principal of, premium, if any, and interest on the Qualified Obligation as the same shall respectively mature and accrue.

The Bonds are all equally and ratably secured by and entitled to the protection of the Indenture on a parity one with another. To secure payment of the principal of and interest on all Bonds and performance of all other covenants of the Bank under the Indenture, the Bank, pursuant to the Indenture, has assigned and pledged to the Trustee, and has granted to the Trustee a security interest in, the Trust Estate (as defined in the Indenture), including all right, title and interest of the Bank in and to all moneys and securities from time to time received and held by the Trustee under the Indenture and all income from the deposit, investment and reinvestment thereof, except any moneys and securities held in the Rebate Fund established under the Indenture, including, without limitation, all Qualified Obligation Payments and any additional amounts paid to the Trustee under the Municipality Bond Resolution (all such money and funds and accounts referred to in the granting clauses of the Indenture are defined in the Indenture and are herein referred to as the "Revenues"). Reference is hereby made to the Indenture for a description of the rights, duties and obligations of the Bank, the Trustee and the owners of the Bonds, the terms and conditions upon which the Bonds are issued and the terms and conditions upon which the Bonds will be paid at or prior to maturity, or will be deemed to be paid upon the making of provision for payment therefor. A copy of the Indenture is on file in the Principal Office of the Trustee.

THE BONDS ARE LIMITED AND SPECIAL OBLIGATIONS OF THE BANK AND DO NOT CONSTITUTE OR CREATE AN OBLIGATION, GENERAL OR SPECIAL, DEBT, LIABILITY OR MORAL OBLIGATION OF THE STATE OR ANY OTHER POLITICAL SUBDIVISION THEREOF WITHIN THE MEANING OF ANY CONSTITUTIONAL OR STATUTORY PROVISIONS WHATSOEVER AND NEITHER THE FAITH OR CREDIT NOR THE TAXING POWER OF THE STATE, THE BANK OR OF ANY OTHER POLITICAL SUBDIVISION THEREOF IS PLEDGED TO THE PAYMENT OF THE PRINCIPAL OF, PREMIUM, IF ANY, OR THE INTEREST ON THE BONDS; PROVIDED, HOWEVER, THAT THE QUALIFIED OBLIGATION CONSTITUTES A PLEDGE OF THE FULL FAITH, CREDIT AND TAXING POWER OF THE MUNICIPALITY. THE BONDS ARE NOT A GENERAL OBLIGATION OF THE BANK BUT ARE A LIMITED AND SPECIAL REVENUE OBLIGATION OF THE BANK PAYABLE SOLELY FROM THE TRUST ESTATE, INCLUDING, WITHOUT LIMITATION, THE AVAILS OF THE FULL FAITH, CREDIT AND TAXING POWER OF THE MUNICIPALITY DERIVED OR TO BE DERIVED FROM PAYMENTS MADE BY THE MUNICIPALITY IN RESPECT OF THE QUALIFIED OBLIGATION PURSUANT TO THE MUNICIPALITY BOND RESOLUTION AND FROM ANY MONEYS RECEIVED BY THE TRUSTEE UNDER THE INDENTURE. THE BANK HAS NO TAXING POWER.

This Bond is transferable by the Registered Owner hereof in person or by such Registered Owner's attorney duly authorized in writing at the Principal Office of the Trustee, but only in the manner and subject to the limitations prescribed in the Indenture and upon surrender and cancellation of this Bond. This Bond may be transferred without cost to the Registered Owner except for any tax or governmental charge required to be paid with respect to the transfer. Upon such transfer, a new Bond or Bonds of the same maturity and of authorized denomination or denominations for the same aggregate principal amount will be issued to the transferee in exchange therefor.

The Bank and the Trustee may deem and treat the Registered Owner hereof as the absolute owner hereof for the purpose of receiving payment of or on account of principal hereof and the interest due hereon and for all other purposes and neither the Bank nor the Trustee shall be affected by any notice to the contrary.

The Bonds are issuable as fully registered bonds in denominations of \$5,000 and any integral multiple thereof. Subject to the limitations and upon payment of any taxes or governmental charges, Bonds may be exchanged for a like aggregate principal amount of Bonds of the same maturity of authorized denominations.

In accordance with the Indenture and the Municipality Bond Resolution, the Bonds (or any portions thereof in integral multiples of \$5,000 each) which mature on or after _____ 1, 20__, are subject to optional redemption prior to their stated date of maturity in whole or in part, in principal amounts and maturities as selected by the Bank on any date on or after _____ 1, 20__, at par, plus accrued interest to the date of redemption thereof. 	\$_____
Bonds Maturing _____ 1, 20__	
<u>Year</u>	<u>Principal Amount</u>

*Final Maturity

In the event less than all of the Bonds are to be redeemed, the principal amount and maturity to be redeemed shall be selected by the Bank, and the Trustee, in its sole discretion,

shall select the Bonds to be redeemed by lot within a selected maturity, provided that Bonds shall be redeemed only in whole multiples of \$5,000.

In the event any of the Bonds are called for optional redemption as aforesaid, notice thereof identifying the Bonds to be redeemed will be given by mailing a copy of the redemption notice (which may be a conditional notice of redemption) by registered or certified mail not less than thirty (30) days nor more than forty-five (45) days prior to the date fixed for redemption to the Registered Owner of the Bonds to be redeemed at the address shown on the Bond Register. Failure to give such notice by mailing, or any defect therein with respect to any Bond, shall not affect the validity of any proceedings for the redemption of other Bonds.

All Bonds called for redemption will cease to bear interest on the specified redemption date, shall no longer be secured under the Indenture and shall not be deemed to be Outstanding under the provisions of the Indenture, provided funds for their redemption are on deposit at the place of payment on or prior to the redemption date.

The Registered Owner of this Bond shall have no right to enforce the provisions of the Indenture or to institute an action to enforce the covenants therein, or to take any action with respect to any event of default under the Indenture, or to institute, appear in or defend any suit or other proceeding with respect thereto, except as provided in the Indenture. In certain events, on the conditions, in the manner and with the effect set forth in the Indenture, the principal of all the Bonds issued under the Indenture and then outstanding may become or may be declared due and payable before the stated maturity thereof, together with interest accrued thereon. Modifications or alterations of the Indenture or of any supplements thereto, may be made to the extent permitted by, and in accordance with, the Indenture.

The Bank hereby certifies, recites and declares that all acts, conditions and things required by the constitution and statutes of the State, the Indenture, and resolutions of the Bank to exist, to have happened and to be performed prior to the issuance of this Bond do exist, have happened and have been performed in due time, form and manner as required by the Act; that the issuance of the Bonds, together with all other obligations of the Bank, does not exceed or violate any constitutional or statutory limitation applicable to the Bank; and that the revenues pledged to the payment of the principal of and interest on the Bonds, as the same become due, are designed to be sufficient in amount for that purpose.

This Bond shall not be valid or become obligatory for any purpose or be entitled to any security or benefit under the Indenture until the certificate of authentication hereon shall have been signed by the Trustee.

SECTION 2.07. Book-Entry Only System. The Bonds shall be initially issued in the form of a separate single fully registered Bond for each of the maturities thereof. Upon initial issuance, the ownership of each such Bond shall be registered in the Bond Register in the name of Cede & Co., as nominee of DTC, and except as provided in Section 2.08 hereof, all of the outstanding Bonds shall be registered in the Bond Register in the name of Cede & Co., as nominee of DTC.

With respect to Bonds registered in the Bond Register in the name of Cede & Co., as nominee of DTC, the Bank and the Trustee shall have no responsibility or obligation to any participant for whom DTC is a security depository nominee (“DTC Participants”) or to any person on behalf of whom such a DTC Participant holds an interest in the Bonds. Without limiting the immediately preceding sentence, the Bank and the Trustee shall have no responsibility or obligation with respect to (a) the accuracy of the records of DTC, Cede & Co. or any DTC Participant with respect to any ownership interest in the Bonds, (b) the delivery to any DTC Participant or any other person, other than a Bondholder, as shown in the Bond Register, of any notice with respect to the Bonds, or (c) the payment to any DTC Participant or any other person, other than a Bondholder, as shown in the Bond Register, of any amount with respect to principal of, premium, if any, or interest on, the Bonds. Notwithstanding any other provision of this Indenture to the contrary, the Bank, the Trustee and each paying agent, if any, shall be entitled to treat and consider the person in whose name each Bond is registered in the Bond Register as the absolute owner of such Bond for the purpose of payment of principal, premium, if any, and interest with respect to such Bond, for the purpose of giving notices and other matters with respect to such Bond, for the purpose of registering transfers with respect to such Bond, and for all other purposes whatsoever. The Trustee and each paying agent, if any, shall pay all principal of, premium, if any, and interest on the Bonds only to or upon the order of the respective Bondholders, as shown in the Bond Register as provided in this Indenture, or their respective attorneys duly authorized in writing, and all such payments shall be valid and effective to fully satisfy and discharge the Bank’s obligations with respect to payment of principal of, premium, if any, and interest on the Bonds to the extent of the sum or sums so paid. No person other than a Bondholder, as shown in the Bond Register, shall receive a Bond certificate evidencing the obligation of the Bank to make payments of principal, premium, if any, and interest pursuant to this Indenture. Upon delivery by DTC to the Trustee of written notice to the effect that DTC has determined to substitute a new nominee in place of Cede & Co., and subject to the provisions in this Indenture with respect to interest checks or drafts being mailed to the Registered Owner at the close of business on the Record Date, the words “Cede & Co.” in this Indenture shall refer to such new nominees of DTC; and upon receipt of such a notice the Trustee shall promptly deliver a copy of the same to each paying agent, if any.

SECTION 2.08. Successor Securities Depository; Transfers Outside Book-Entry Only System. In the event that the Bank or the Municipality determines that DTC is incapable of discharging its responsibilities described herein and DTC’s Blanket Letter of Representations or that it is in the best interest of the Beneficial Owners of the Bonds that they be able to obtain certificated Bonds, the Bank shall (a) appoint a successor securities depository, qualified to act as such under Section 17(a) of the Securities and Exchange Act of 1934, as amended, notify DTC and DTC Participants of the appointment of such successor securities depository and transfer one or more separate Bond certificates to such successor securities depository or (b) notify DTC and DTC Participants of the availability through DTC of Bond certificates and transfer one or more

separate Bond certificates to DTC Participants having Bonds credited to their DTC accounts. In such event, the Bonds shall no longer be restricted to being registered in the Bond Register in the name of Cede & Co., as nominee of DTC, but may be registered in the name of the successor securities depository, or its nominee, or in whatever name or names Bondholders transferring or exchanging Bonds shall designate, in accordance with the provisions of this Indenture.

SECTION 2.09. Payments and Notices to Cede & Co. Notwithstanding any other provision of this Indenture to the contrary, so long as any of the Bonds are registered in the name of Cede & Co., as nominee of DTC, all payments with respect to the principal of, premium, if any, and interest on such Bond and all notices with respect to such Bond shall be made and given, respectively, in the manner provided in DTC's Blanket Letter of Representations. The Trustee shall request in each notice sent to Cede & Co. pursuant to the terms of this Indenture that Cede & Co. forward or cause to be forwarded such notice to the DTC Participants.

SECTION 3.04. Authentication. No Bond shall be valid or obligatory for any purpose or entitled to any security or benefit under this Indenture unless and until a certificate of authentication on such Bond shall have been duly executed by the Trustee, and such executed certificate of the Trustee upon any such Bond shall be conclusive evidence that such Bond has been authenticated and delivered under this Indenture.

The Trustee's certificate of authentication on any Bond shall be deemed to have been executed by the Trustee if signed by an authorized representative or signatory of the Trustee, but it shall not be necessary that the same representative or signatory sign the certificate of authentication on all of the Bonds. The signature of the authorized representative or signatory of the Trustee shall be manual.

SECTION 3.05. Mutilated, Lost, Stolen or Destroyed Bonds. If any Bond is mutilated, lost, stolen or destroyed, the Bank shall execute and the Trustee shall authenticate a new Bond or Bonds of the same maturity and denomination, as that mutilated, lost, stolen or destroyed; provided that in the case of any mutilated Bond, it shall first be surrendered to the Trustee, and in the case of any lost, stolen or destroyed Bond, there shall be first furnished to the Trustee evidence of such loss, theft or destruction satisfactory to the Trustee, together with security and/or indemnity satisfactory to it. In the event any such Bond shall have matured or been called for redemption instead of issuing and authenticating a duplicate Bond, the Trustee may pay the same without surrender thereof, provided, however, that in the case of a lost, stolen or destroyed Bond, there shall be first furnished to the Trustee evidence of such loss, theft or destruction satisfactory to the Trustee together with security and/or indemnity satisfactory to it. The Trustee may charge the owner of such Bond its reasonable fees and expenses in connection with replacing any Bonds mutilated, lost, stolen or destroyed. Any Bond issued pursuant to this Section 3.05 shall be deemed part of the original series of the Bonds in respect of which it was issued and a contractual obligation of the Bank replacing the obligation evidenced by such mutilated, lost, stolen or destroyed Bond.

SECTION 3.06. Registration, Transfer and Exchange of Bonds; Persons Treated as Owners. The Bank shall cause records for the registration and for the transfer of the Bonds to be kept by the Trustee at its Principal Office, and the Trustee is hereby constituted and appointed the bond registrar of the Bank for the Bonds. At reasonable times and under reasonable regulations established by the Trustee, said records may be inspected and prepared by the Bank or by Beneficial Owners (or a designated representative thereof) of five percent (5%) or more in aggregate principal amount of the Bonds then Outstanding.

Upon surrender for transfer of any Bond at the Principal Office of the Trustee, duly endorsed by, or accompanied by a written instrument or instruments of transfer in form satisfactory to the Trustee and duly executed by the Registered Owner or his attorney duly authorized in writing, the Bank shall execute and the Trustee shall authenticate and deliver in the name of the transferee or transferees a new Bond or Bonds of the same maturity for a like aggregate principal amount. The Bonds may be transferred or exchanged without cost to the Bondholders except for any tax or governmental charge required to be paid with respect to the transfer or exchange. The execution by the Bank of any Bond of any denomination shall constitute full and due authorization of such denomination and the Trustee shall thereby be authorized to authenticate and deliver such Bond.

The Trustee shall not be required to (a) register, transfer or exchange any Bond during a period of fifteen (15) days next preceding mailing of a notice of redemption of any Bond, or (b) to register, transfer or exchange any Bond selected, called or being called for redemption in whole or in part after mailing notice of such call has been made.

The person in whose name a registered Bond shall be registered shall be deemed and regarded as the absolute owner thereof for all purposes, and payment of principal, premium, if any, and interest thereon, shall be made only to or upon the order of the Registered Owner thereof or his legal representative, but such registration may be changed as hereinabove provided. All such payments shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid.

All Bonds delivered upon any transfer or exchange shall be valid obligations of the Bank, evidencing the same debt as the Bonds surrendered, shall be secured by this Indenture and shall be entitled to all of the security and benefits hereof to the same extent as the Bond surrendered.

SECTION 3.07. Destruction of Bonds. Whenever any Outstanding Bond shall be delivered to the Trustee for cancellation pursuant to this Indenture or upon payment of the principal, premium, if any, or interest represented thereby or for replacement pursuant to Section 3.05 hereof, such Bond shall be canceled and destroyed by the Trustee and a counterpart of a certificate of destruction evidencing such destruction shall be furnished by the Trustee to the Bank.

SECTION 3.08. Nonpresentment of Bonds. In the event any Bond shall not be presented for payment when the principal thereof comes due, either at maturity or at the date fixed for redemption thereof, or otherwise, if funds sufficient to pay such Bond shall have been made available to the Trustee for the benefit of the owner thereof, all liability of the Bank to the owner thereof for the payment of such Bond shall forthwith cease, terminate and be completely discharged, and thereupon it shall be the duty of the Trustee to hold such funds for four (4) years, for the benefit of the owner of such Bond, without liability for interest thereon to such owner, who shall thereafter be restricted exclusively to such funds, for any claim of whatever nature on his part under this Indenture or on, or with respect to, said Bond.

Any money so deposited with and held by the Trustee not so applied to the payment of Bonds within four (4) years after the date on which the same shall become due shall be repaid by the Trustee to the Bank and thereafter the Bondholders shall be entitled to look only to the Bank for payment, and then only to the extent of the amount so repaid, and the Bank shall not be liable for any interest thereon to the Bondholders and shall not be regarded as a trustee of such money.

SECTION 3.09. Other Obligations Payable from Revenues. The Bank shall grant no liens or encumbrances on or security interests in the Trust Estate (other than those created by this Indenture), and, except for the Bonds, shall issue no bonds or other evidences of indebtedness payable from the Trust Estate.

SECTION 3.10. Temporary Bonds. Until the definitive Bonds are ready for delivery, the Bank may execute, in the same manner as is provided in Section 3.03, and, upon the request of the Bank, the Trustee shall authenticate and deliver, one or more temporary Bonds, which

shall be fully registered. Such temporary Bonds shall be subject to the same provisions, limitations and conditions as the definitive Bonds and shall be substantially of the tenor of the definitive Bonds in lieu of which such temporary Bond or Bonds are issued, in the denomination of \$5,000 or any integral multiples thereof authorized by the Bank, and with such omissions, insertions and variations as may be appropriate to temporary Bonds. The Bank at its own expense shall prepare and execute and, upon the surrender of such temporary Bonds, shall deliver in exchange therefor definitive Bonds of the same aggregate principal amount and maturity as the temporary Bonds surrendered. Until so exchanged, the temporary Bonds shall in all respects be entitled to the same benefits and security as definitive Bonds issued pursuant to this Indenture.

If the Bank shall authorize the issuance of temporary Bonds in more than one denomination, the owner of any temporary Bond or Bonds may, at his option, surrender the same to the Trustee in exchange for another temporary Bond or Bonds of like aggregate principal amount and maturity of any other authorized denomination or denominations, and thereupon the Bank shall execute and the Trustee, in exchange for the temporary Bond or Bonds so surrendered and upon payment of the taxes and charges provided for in Section 3.06, shall authenticate and deliver a temporary Bond or Bonds of like aggregate principal amount and maturity in such other authorized denomination or denominations as shall be requested by such owner. All temporary Bonds surrendered in exchange for either another temporary Bond or Bonds or a definitive Bond or Bonds shall be forthwith canceled by the Trustee.

SECTION 3.11. Limitations on Obligations of Bank. The Bonds, together with interest thereon, shall be limited obligations of the Bank but payable solely from Revenues and shall be a valid claim of the respective owners thereof only against the Funds and Accounts, other than the Rebate Fund and any Accounts created thereunder, established hereunder and the Qualified Obligation acquired by the Trustee, all of which are hereby assigned and pledged hereunder for the equal and ratable payment of the Bonds and shall be used for no other purpose than the payment of the Bonds, except as may be otherwise expressly authorized in this Indenture. The Bonds do not constitute a debt or liability or moral obligation of the State or of any political subdivision thereof under the constitution of the State or a pledge of the faith and credit or taxing power of the State or any political subdivision thereof, but shall be payable solely from the Revenues and funds pledged therefor in accordance with this Indenture including, without limitation, the avails of the full faith, credit and taxing power of the Municipality derived or to be derived from Qualified Obligation Payments made in respect of the Qualified Obligation pursuant to the Municipality Bond Resolution. The issuance of the Bonds under the provisions of the Act does not directly, indirectly or contingently, obligate the State or any political subdivision thereof to levy any form of taxation for the payment thereof or to make any appropriation for their payment and such Bonds and the interest payable thereon do not now and shall never constitute a debt of the State or any political subdivision thereof within the meaning of the constitution of the State or the statutes of the State and do not now and shall never constitute a charge against the credit or taxing power of the State or any political subdivision thereof; provided, however, that the Qualified Obligation is a general obligation of the Municipality. Neither the State nor any agent, attorney, member or employee of the State or of the Bank, shall in any event be liable for the payment of the principal of, and premium, if any, or interest on the Bonds or damages, if any, for the nonperformance of any pledge, mortgage, obligation or agreement of any kind whatsoever which may be undertaken by the Bank. No

breach by the Bank of any such pledge, mortgage, obligation or agreement may impose any liability, pecuniary or otherwise, upon the State or any of the State's or the Bank's agents, members, attorneys, and employees or any charge upon the general credit of the State or a charge against the taxing power of the State or any political subdivision thereof. In the Bank Act, the State has pledged and agreed with the holders of any bonds of the Bank, which would include the Bonds, that the State will not limit or alter the rights hereby vested in the Bank to fulfill the terms of any agreements made with the said Bondholders or in any way impair the rights and remedies of such holders until such bonds, together with the interest thereon, with interest on any unpaid installments of interest, and all costs and expenses in connection with any action or proceeding by or on behalf of such holders of bonds are fully met and discharged.

SECTION 3.12. Immunity of Officers and Directors. No recourse shall be had for the payment of the Bonds or for any claim based thereon or upon any obligation, covenant or agreement in this Indenture contained against any past, present or future officer, member, director, agent or employee of the Bank or any officer, member, director, trustee, agent or employee of any successor entities thereto, as such, either directly or through the Bank or any successor entities, under any rule of law or equity, statute or constitution or by the enforcement of any assessment or penalty or otherwise, and all such liability of any such officers, members, directors, trustees, agents, or employees as such, is hereby expressly waived and released as a condition of and consideration for the execution of this Indenture and issuance of such Bonds.

ARTICLE IV REDEMPTION OF BONDS PRIOR TO MATURITY

In the case of the redemption of any Bonds, the Bank shall give written notice to the Trustee of its direction so to redeem, of the redemption date, of the principal amounts of the Bonds of each maturity to be redeemed (which maturities and principal amounts thereof to be redeemed shall be determined by the Bank at the direction of the Municipality, subject to any limitations with respect thereto contained in the Act or this Indenture) and of the monies to be applied to the payment of the Redemption Price. Such notice shall be given at least forty-five (45) days prior to the redemption date or such shorter period as shall be acceptable to the Trustee and may be conditioned upon receipt of sufficient funds to redeem the Bonds called for redemption on the redemption date. The Bank shall pay to the Trustee an amount in cash which, in addition to other monies, if any, available therefor and held by the Trustee, will be sufficient to redeem, on the redemption date at the Redemption Price thereof together with interest accrued to the redemption date, all of the Bonds to be redeemed.

SECTION 4.03. Selection of Bonds to be Redeemed. If less than all of the Bonds are to be redeemed, the Bonds shall be redeemed only in whole multiples of \$5,000. If less than all of the Bonds shall be called for redemption, the principal amount and maturity of the Bonds to be redeemed shall be selected by the Bank and the Trustee shall select the particular Bonds to be redeemed by lot within a maturity in such manner as the Trustee may determine.

SECTION 4.04. Redemption Payments. The Trustee is hereby authorized and directed to apply funds deposited with the Trustee by the Bank in an amount sufficient to pay the Redemption Price of the Bonds or portions thereof called, together with accrued interest thereon to the redemption date. If proper notice of redemption by mailing has been given as provided in Section 4.05 hereof and sufficient funds for redemption shall be on deposit with the Trustee as aforesaid, interest on the Bonds or portions thereof thus called shall no longer accrue after the date fixed for redemption. No payment shall be made by the Trustee upon any Bond or portion thereof called for redemption until such Bond or portion thereof shall have been delivered for payment or cancellation or the Trustee shall have received the items required by Section 3.05 hereof with respect to any mutilated, lost, stolen or destroyed Bond.

SECTION 4.05. Notice of Redemption. Notice of the call for any optional redemption, identifying the Bonds to be redeemed (which may be a conditional notice of redemption), shall be given by the Trustee by mailing a copy of the redemption notice by registered or certified mail at least thirty (30) days but not more than forty-five (45) days prior to the date fixed for redemption to the Registered Owner of each Bond to be redeemed at the address shown on the Bond Register. Failure to give such notice by mailing to any Bondholder or any defect in such notice, shall not affect the validity of any proceeding for the redemption of any other Bonds.

SECTION 4.06. Cancellation. All Bonds which have been redeemed shall not be reissued but shall be canceled and destroyed by the Trustee in accordance with Section 3.07 hereof.

ARTICLE V GENERAL COVENANTS

The Bank hereby covenants and agrees to take all qualifying actions and shall take any qualifying actions that are necessary in order to protect and preserve the exclusion from gross income for federal income tax purposes of the interest on the Bonds. For this purpose, the Bank shall approve and deliver to the Trustee a certificate concerning the provisions of the Code necessary to protect and preserve such exclusion. Such certificate may only be amended from time to time upon the receipt by the Trustee of an Opinion of Bond Counsel to the effect that compliance by the Bank with the certificate will not adversely affect the exclusion of interest on the Bonds from gross income of the holders thereof for federal income tax purposes.

during normal business hours to the inspection of the Bank and, after written request received by the Trustee at least five (5) Business Days prior to the date of inspection, by any Beneficial Owner of at least five percent (5%) in principal amount of Outstanding Bonds.

SECTION 7.04. Report. Within sixty (60) days after the delivery of the Bonds, the Trustee shall file a written report with the Bank, if requested by the Bank, and the Municipality covering all receipts and all disbursements made pursuant to the provisions of this Article VII in respect of the net proceeds of the Bonds deposited in the Purchase Account. Said report shall be supplemented at least once every sixty (60) days by the Trustee until all of the net proceeds of the Bonds deposited in the Purchase Account shall have been expended.

ARTICLE VIII INVESTMENT OF MONEYS

SECTION 8.01. General Provisions.

(a) Any moneys held as part of any Fund or Account created under or pursuant to Article VI hereof including the Rebate Fund shall be invested or reinvested by the Trustee as continuously as reasonably possible in such Investment Securities as may be directed in writing by the Bank. All such investments shall at all times be a part of the Fund or Account in which the moneys used to acquire such investments had been deposited and, except as provided in Article VI, all income and profits on such investments, other than from moneys on deposit in the Rebate Fund or any Account created thereunder, shall be deposited as received in the General Account. The Trustee may make any and all such investments through its bond department or through the bond department of any financial institution that is an affiliate of the Trustee and may trade with itself or any of its affiliates in doing so. Moneys in separate Funds and Accounts may not be commingled for the purpose of investment or deposit. Any investment losses shall be charged to the Fund or Account in which moneys used to purchase such investment had been deposited. For so long as the Trustee is in compliance with the provisions of this Section 8.01, the Trustee shall not be liable for any investment losses. Moneys in any Fund or Account shall be invested in Investment Securities with a maturity date or a redemption date that shall coincide as nearly as practicable with times at which moneys in such Funds or Accounts will be required for the purposes thereof. The Trustee shall sell and reduce to cash a sufficient amount of such investments in the respective Fund or Account whenever the cash balance therein is insufficient to pay the amounts contemplated to be paid therefrom at the time those amounts are to be paid. All investment income from the assets held in any Fund or Account, except for the Rebate Fund and any Accounts created thereunder, will be added to the General Account.

(b) The Bank (i) certifies to the owners of the Bonds from time to time Outstanding that moneys on deposit in any Fund or Account in connection with the Bonds, whether or not such moneys were derived from the proceeds of the sale of the Bonds or from any other sources, are not intended to be used in a manner which will cause the interest on the Bonds to lose the exclusion from gross income for federal income tax purposes and (ii) covenants with the owners of the Bonds from time to time Outstanding that, so long as any of the Bonds remain Outstanding, moneys on deposit in any Fund or Account established in connection with the Bonds, whether or not such moneys were derived from the proceeds of the sale of the Bonds or

from any other source, will not be used in any manner which will cause the interest on the Bonds to become subject to federal income taxation.

SECTION 8.02. Valuation of Investments. For the purpose of determining the amount in any Fund or Account, all Investment Securities credited to such Fund or Account shall be valued at the lesser of (a) the average of the bid and asked prices most recently published prior to the date of determination for those Investment Securities, the bid and asked prices of which are published on a regular basis in *The Wall Street Journal*, or, if not there, in *The New York Times*; or (b) the average bid price as of the date of determination by any two nationally recognized government securities dealers selected by the Trustee for those Investment Securities the bid and asked prices of which are not published on a regular basis as set forth in subsection (a) above; or (c) par value (plus, prior to the first payment of interest following purchase, the amount of any accrued interest paid as part of the purchase price) for Investment Securities which are certificates of deposit and bankers acceptances; or (d) for all other Investment Securities the lesser of cost or market value (exclusive of accrued interest paid as part of the purchase price after the first payment of interest following purchase); provided, however, that any repurchase agreements shall be valued, respectively, at the unpaid repurchase price or principal balance collectible pursuant thereto.

SECTION 8.03. Arbitrage Restrictions; Bonds to Remain Tax Exempt.

(a) The Bank shall provide the Trustee with the Arbitrage Rebate Agreement which shall govern the investment of the Funds and Accounts and the application of Section 6.09 hereof.

(b) Without limiting subsection (b) of Section 8.01 hereof, the Bank further covenants and agrees that it will not take any action or fail to take any action with respect to the investment of the proceeds of the Bonds, or with respect to the investment or application of any payments under the Qualified Obligation or any other agreement or instrument entered into in connection therewith or with the issuance of the Bonds, including but not limited to the obligation, if any, to rebate certain funds to the United States of America, which would result in constituting the Bonds arbitrage bonds within the meaning of such term as used in Section 148 of the Code. The Bank further agrees that it will not act in any other manner that would adversely affect the exclusion from gross income tax for federal income tax purposes of the interest on the Bonds.

**ARTICLE IX
DISCHARGE OF INDENTURE**

SECTION 9.01. Discharge of Indenture. Except as provided in this Article IX, if payment or provision for payment is made to the Trustee of the principal of, premium, if any, and interest due and to become due on the Bonds at the times and in the manner stipulated therein, and there is paid or caused to be paid to the Trustee all sums of money due and to become due according to the provisions hereof, and all other amounts due hereunder have been paid in full, then these presents and the Trust Estate and rights hereby granted shall cease, terminate and be void, whereupon the Trustee shall cancel and discharge the lien of this Indenture, and execute and deliver to the Bank such instruments in writing as shall be requisite to

cancel and discharge the lien hereof, and release, assign and deliver unto the Bank any and all estate, right, title and interest in and to any and all rights assigned or pledged to the Trustee hereby or otherwise subject to the lien of this Indenture, except moneys or securities held by the Trustee for the payment of the principal of, premium, if any, and interest on the Bonds.

Any Bond shall be deemed to be paid within the meaning of this Indenture when (a) payment of the principal of (and premium, if any, on) such Bond and interest thereon to the due date thereof (whether such due date be by reason of maturity or upon redemption as provided herein or otherwise), either (i) shall have been made or caused to have been made in accordance with the terms thereof, or (ii) shall have been provided for by irrevocably depositing with the Trustee or other financial institution (which must meet the requirements of Section 11.07 hereof) which provides services as escrow agent for the Bank (for purposes of this Article, an “Escrow Agent”), in trust and exclusively for such payment, (A) moneys sufficient to make such payment or (B) Governmental Obligations maturing as to principal and interest in such amounts and at such times, without consideration of any reinvestment thereof, as will insure the availability of sufficient moneys to make such payment, or (C) a combination of such moneys and Governmental Obligations, and (b) all necessary and proper fees and expenses of the Trustee pertaining to the Bonds, including the amount, if any, required to be rebated to the United States of America in accordance with the Arbitrage Rebate Agreement and Section 6.09 hereof, with respect to which such deposit is made shall have been paid or deposited with the Trustee.

Notwithstanding the foregoing, in the case of Bonds which by their terms may be redeemed prior to their stated maturity, no deposit under the immediately preceding paragraph shall be deemed a payment of such Bonds as aforesaid until the Bank shall have given the Trustee, in form satisfactory to the Trustee, irrevocable instructions:

(x) stating the date when the principal of each such Bond is to be paid, whether at maturity or on a redemption date (which shall be any redemption date permitted by this Indenture);

(y) to timely call for redemption pursuant to this Indenture any Bond to be redeemed prior to maturity pursuant to (x) of this paragraph; and

(z) to timely mail, in the manner prescribed by Article IV hereof, a notice to the owners of such Bonds satisfying the requirements thereof.

Any monies so deposited with the Trustee or the Escrow Agent as provided in this Article may at the direction of the Bank also be invested and reinvested in Governmental Obligations, maturing in the amounts and times as hereinbefore set forth, and all income from all Governmental Obligations in the possession of the Trustee pursuant to this Article which is not required for the payment of the Bonds and interest thereon with respect to which such monies shall have been so deposited, shall be deposited in the General Account, as and when and collected for use and application as are other monies deposited in such General Account.

Notwithstanding any provision of any other Article of this Indenture which may be contrary to the provisions of this Article, all moneys or Governmental Obligations set aside and held in trust pursuant to the provisions of this Article for the payment of Bonds (including

interest thereon but excluding any amounts, if any, set aside for rebate to the United States of America in accordance with the Arbitrage Rebate Agreement and Section 6.09 hereof) shall be applied to and used solely for the payment of the particular Bonds (including interest thereon) with respect to which such moneys or obligations have been so set aside in trust.

Upon the deposit with the Trustee or Escrow Agent, in trust, at or before maturity, of money or Governmental Obligations in the necessary amount to pay or redeem all Outstanding Bonds as aforesaid (whether upon or prior to their maturity or the redemption date of such Bonds), provided that if such Bonds are to be redeemed prior to the maturity thereof, notice of such redemption shall have been given as herein provided, or provisions satisfactory to the Trustee shall have been made for the giving of such notice, and compliance with the other payment requirements hereof, this Indenture may be discharged in accordance with the provisions hereof but the limited liability of the Bank in respect of such Bonds shall continue provided that the owners thereof shall thereafter be entitled to payment only out of the moneys or Governmental Obligations deposited with the Trustee or Escrow Agent as aforesaid.

ARTICLE X DEFAULT PROVISIONS AND REMEDIES OF TRUSTEE AND BONDHOLDERS

SECTION 10.01. Defaults; Events of Default. If any of the following events occurs, it is hereby defined as and declared to be and to constitute an “Event of Default”:

- (a) Default in the due and punctual payment of any interest on any Bond; or
- (b) Default in the due and punctual payment of the principal of any Bond whether at the stated maturity thereof or on any date fixed for redemption; or
- (c) Failure of the Bank to remit to the Trustee within the time limits prescribed herein any moneys which are required by this Indenture to be so remitted; or
- (d) Default in the performance or observance of any other of the covenants, agreements or conditions on the part of the Bank contained in this Indenture or in the Bonds and failure to remedy the same within the time provided in, and after notice thereof pursuant to, Section 10.10 hereof; or
- (e) Any warranty, representation or other statement by or on behalf of the Bank contained in this Indenture or in any instrument furnished in compliance with or in reference to this Indenture is false or misleading, when made, in any material respect, and failure to remedy the same within the time provided in, and after notice thereof pursuant to, Section 10.10 hereof; or
- (f) A petition is filed against the Bank under any bankruptcy, reorganization, arrangement, insolvency, readjustment of debt, dissolution or liquidation law of any jurisdiction whether now or hereafter in effect and is not dismissed within sixty (60) days after such filing; or
- (g) The Bank files a petition in voluntary bankruptcy or seeking relief under any provisions of any bankruptcy, reorganization, arrangement, insolvency, adjustment of debt,

dissolution or liquidation law of any jurisdiction whether now or hereafter in effect, or consents to the filing of any petition against it under such law; or

(h) The Bank is generally not paying its debts as such debts become due, or becomes insolvent or bankrupt, or makes an assignment for the benefit of creditors, or a liquidator or trustee of the Bank or any of its property is appointed by court order or takes possession of such property and such order remains in effect or such possession continues for more than sixty (60) days; or

(i) Default in the due and punctual payment of any interest or principal on the Qualified Obligation; or

(j) There is a default under the Qualified Obligation and/or the Municipality Bond Resolution.

SECTION 10.02. Remedies; Rights of Bondholders. Upon the occurrence of an Event of Default, the Trustee shall in its discretion, except for Events of Default under Section 10.01(a), (b), (i) and (j), notify the owners of all Bonds then Outstanding of such Event of Default by registered or certified mail, and will have the following rights and remedies:

(a) The Trustee may pursue any available remedy at law or in equity or by statute to enforce the payment of the principal of and interest on the Bonds then Outstanding, including enforcement of any rights of the Bank or the Trustee under the Qualified Obligation, including, but not limited to, acceleration thereof.

(b) The Trustee may by action or suit in equity require the Bank to account as if it were the trustee of an express trust for the holders of the Bonds and may take such action with respect to the Qualified Obligation as the Trustee deems necessary or appropriate and in the best interest of the Bondholders, subject to the terms of the Qualified Obligation.

(c) Upon the filing of a suit or other commencement of judicial proceedings to enforce any rights of the Trustee and of the Bondholders under this Indenture, the Trustee will be entitled, as a matter of right, to the appointment of a receiver or receivers of the Trust Estate and of the Revenues, issues, earnings, income, products and profits thereof, pending such proceedings, with such powers as the court making such appointment shall confer.

(d) The Trustee may declare the principal of and accrued interest on all Bonds to be due and payable immediately in accordance with this Indenture and the Act, by notice to the Bank and the Municipality.

Upon the occurrence of an Event of Default, (a) if requested so to do by the holders of twenty-five percent (25%) or more in aggregate principal amount of all Bonds then Outstanding, and (b) if secured and/or indemnified as provided in Section 11.01(k) hereof, the Trustee shall be obligated to exercise such one or more of the rights, remedies and powers conferred by this Section as the Trustee, being advised by Counsel, shall deem most expedient in the interests of the Bondholders.

No right or remedy by the terms of this Indenture conferred upon or reserved to the Trustee (or to the Bondholders) is intended to be exclusive of any other right or remedy, but each and every such right or remedy shall be cumulative and shall be in addition to any other right or remedy given to Trustee or to the Bondholders hereunder or now or hereafter existing at law or in equity or by statute. The assertion or employment of any right or remedy shall not prevent the concurrent or subsequent assertion or employment of any other right or remedy.

No delay or omission to exercise any right or remedy accruing upon any Event of Default shall impair any such right or remedy or shall be construed to be a waiver of any such Event of Default or acquiescence therein, and every such right or remedy may be exercised from time to time and as often as may be deemed expedient.

No waiver of any Event of Default hereunder, whether by the Trustee or by the Bondholders, shall extend to or shall affect any subsequent Event of Default or shall impair any rights or remedies consequent thereon.

SECTION 10.03. Rights of Bondholders to Direct Proceedings. Anything in this Indenture to the contrary notwithstanding, the Beneficial Owners of a majority in aggregate principal amount of Bonds then Outstanding shall have the right, at any time during the continuance of an Event of Default, by an instrument or instruments in writing executed and delivered to the Trustee, to direct the time, method and place of conducting all proceedings to be taken in connection with the enforcement of the terms and conditions of this Indenture, or for the appointment of a receiver or any other proceedings hereunder; provided that such direction shall not be otherwise than in accordance with the provisions of law and of this Indenture including Section 11.01(k) hereof.

SECTION 10.04. Appointment of Receivers. Upon the occurrence of an Event of Default, and upon the filing of a suit or other commencement of judicial proceedings to enforce any rights of the Trustee and of the Bondholders under this Indenture, the Trustee shall be entitled, as a matter of right, to the appointment of a receiver or receivers of the Trust Estate and of the Revenues, issues, earnings, income, products and profits thereof, pending such proceedings with such powers as the court making such appointment shall confer.

SECTION 10.05. Application of Moneys. All moneys received by the Trustee pursuant to any right or remedy given or action taken under the provisions of this Article (including moneys received by virtue of action taken under provisions of the Qualified Obligation) shall, after payment of the costs and expenses of the proceedings resulting in the collection of such moneys and of the expenses, liabilities and advances incurred or made by the Trustee and any other moneys owed to the Trustee hereunder, be deposited in the General Account and all moneys in such Accounts shall be applied as follows:

(a) Unless the principal of all the Bonds shall have become due and payable, all such moneys shall be applied:

FIRST - To the payment to the persons entitled thereto of all installments of interest then due on the Bonds, including interest on any past due principal of any Bond at the rate borne by such Bond, in the order of the maturity of the

installments of such interest and, if the amount available shall not be sufficient to pay in full any particular installment, then to such payment ratably, according to the amounts due on such installments, to the persons entitled thereto, without any discrimination or privilege;

SECOND - To the payment to the persons entitled thereto of the unpaid principal of any of the Bonds which shall have become due either at maturity or pursuant to a call for redemption (other than Bonds called for redemption for the payment of which other moneys are held pursuant to the provisions of this Indenture), in the order of their due dates, and, if the amount available shall not be sufficient to pay in full the principal of Bonds due on any particular date, together with such interest, then to such payment ratably, according to the amount of principal due on such date, to the persons entitled thereto without any discrimination or privilege; and

THIRD - To be held for the payment to the persons entitled thereto as the same shall become due of the principal of and interest on the Bonds which may then become due either at maturity or upon call for redemption prior to maturity, and, if the amount available shall not be sufficient to pay in full the principal of and interest on Bonds due on any particular date, such payment shall be made ratably according to the amount of principal and interest due on such date to the persons entitled thereto without any discrimination or privilege.

(b) If the principal of all the Bonds shall have become due or shall have been declared due and payable, all such moneys shall be applied to the payment of the principal and interest then due and unpaid upon the Bonds, without preference or priority of principal over interest or of interest over principal, or of any installment of interest over any other installment of interest, or of any Bond over any other Bond, ratably, according to the amounts due respectively for principal and interest, to the persons entitled thereto without any discrimination or privilege.

Whenever moneys are to be applied pursuant to the provisions of this Section, such moneys shall be applied at such times, and from time to time, as the Trustee shall determine, having due regard for the amount of such moneys available for application and the likelihood of additional moneys becoming available for such application in the future. Whenever the Trustee shall apply such funds, it shall fix the date (which shall be an Interest Payment Date unless the Trustee shall deem another date more suitable) upon which such application is to be made and upon such date interest on the amounts of principal to be paid on such dates shall cease to accrue. The Trustee shall give such notice as it may deem appropriate of the deposit with it of any such moneys and of the fixing of any such date, and shall not be required to make payment of principal to the owner of any Bond until such Bond shall be presented to the Trustee for appropriate endorsement or for cancellation if fully paid.

Whenever all principal of and interest on all Bonds have been paid under the provisions of this Section and all expenses and charges of the Trustee have been paid and all other amounts due hereunder have been paid in full, any balance remaining in the General Account shall be paid as provided in Article VI hereof.

SECTION 10.06. Remedies Vested in the Trustee. All rights of action (including the right to file proof of claims) under this Indenture or under any of the Bonds may be enforced by the Trustee without the possession of any of the Bonds or the production thereof in any trial or other proceeding related thereto and any such suit or proceeding instituted by the Trustee shall be brought in its name as Trustee without the necessity of joining as plaintiffs or defendants any owners of the Bonds, and any recovery of judgment shall be for the equal and ratable benefit of the owners of all the Outstanding Bonds.

SECTION 10.07. Rights and Remedies of Bondholders. No owner of any Bond shall have any right to institute any suit, action or proceeding at law or in equity for the enforcement of this Indenture or for the execution of any trust hereof or for the appointment of a receiver or any other remedy hereunder, unless (a) a Default has occurred, (b) such Default shall have become an Event of Default and the Beneficial Owners of not less than twenty-five percent (25%) in aggregate principal amount of Bonds then Outstanding shall have made written request to the Trustee and shall have offered it reasonable opportunity either to proceed to exercise the remedies hereinbefore granted or to institute such action, suit or proceeding in its own name, (c) such Beneficial Owners of Bonds have offered to the Trustee security and/or indemnity as provided in Section 11.01(k) hereof, and (d) the Trustee has refused or for sixty (60) days after receipt of such request and offer of security and/or indemnification has failed to exercise the remedies hereinbefore granted or to institute such action, suit or proceeding in its own name, and such request and offer of security and/or indemnity are hereby declared in every case at the option of Trustee to be conditions precedent to the execution of the powers and trusts of this Indenture, and to any action or cause of action for the enforcement of this Indenture, or for the appointment of a receiver or for any other remedy hereunder; it being understood and intended that no one or more owners of the Bonds shall have any right in any manner whatsoever to affect, disturb or prejudice the lien of this Indenture by its, his, her or their action or to enforce any right hereunder except in the manner herein provided, and that all proceedings at law or in equity shall be instituted, had and maintained in the manner herein provided and for the equal and ratable benefit of the owners of all Bonds then Outstanding. However, nothing contained in this Indenture shall affect or impair the right of any Bondholder to enforce the payment of the principal of, premium, if any, and interest on any Bond at and after the maturity thereof, or the limited obligation of the Bank to pay the principal of, premium, if any, and interest on each of the Bonds issued hereunder to the respective owners thereof at the time and place, from the source and in the manner expressed in the Bonds.

SECTION 10.08. Termination of Proceedings. In case the Trustee or any owner of any Bonds shall have proceeded to enforce any right under this Indenture by the appointment of a receiver or otherwise, and such proceedings shall have been discontinued or abandoned for any reason, or shall have been determined adversely, then and in every such case the Bank, the Trustee and the Bondholders shall be restored their former positions and rights hereunder, respectively, and with regard to the property herein subject to this Indenture, and all rights, remedies and powers of the Trustee and the owners of Bonds shall continue as if no such proceedings had been taken.

SECTION 10.09. Waivers of Events of Default. The Trustee may at its discretion waive any Event of Default hereunder and its consequences, and shall do so upon the written request of the Beneficial Owners of (a) more than sixty-six and two-thirds percent (66 2/3%) in

aggregate principal amount of all the Bonds then Outstanding in respect of which an Event of Default in the payment of principal or interest exists, or (b) more than fifty percent (50%) in aggregate principal amount of all Bonds then Outstanding in the case of any other Event of Default; provided, however, that there shall not be waived (x) any Event of Default in the payment of the principal of any Outstanding Bond at the date of maturity specified therein or (y) any Event of Default in the payment when due of the interest on any Outstanding Bond unless prior to such waiver all of the interest or all payments of principal when due, as the case may be, with interest on overdue principal at the rate borne by such Bond, and all expenses of the Trustee in connection with such Event of Default shall have been paid or provided for or (z) any Event of Default for nonpayment of Program Expenses. In case of any such waiver or rescission, or in case any proceeding taken by the Trustee on account of any such Event of Default shall have been discontinued or abandoned or determined adversely, then and in every such case the Bank, the Trustee and the Bondholders shall be restored to their former positions and rights hereunder, respectively, but no such waiver or recession shall extend to any subsequent or other Event of Default or impair any rights consequent thereon.

SECTION 10.10. Notice of Defaults under Section 10.01(d) or (e); Opportunity of the Bank to Cure Such Defaults. Anything herein to the contrary notwithstanding, no Default under Section 10.01(d) or (e) hereof shall constitute an Event of Default until actual notice of such Default by registered or certified mail shall be given to the Bank by the Trustee or the Beneficial Owners of not less than twenty-five percent (25%) in aggregate principal amount of all Bonds then Outstanding and the Bank shall have had sixty (60) days after receipt of such notice to correct the Default or cause the Default to be corrected, and shall not have corrected the Default or caused the Default to be corrected within the applicable period; provided, however, if the Default be such that it is correctable but cannot be corrected within the applicable period, it shall not constitute an Event of Default if corrective action is instituted by the Bank within the applicable period and diligently pursued until the Default is corrected. If a Default is cured under this Section 10.10, then it will not constitute an Event of Default.

With regard to any alleged Default concerning which notice is given to the Bank under the provisions of this Section, the Bank hereby grants to the Trustee full authority for the account of the Bank to perform any covenant or obligation, the failure of performance which is alleged in said notice to constitute an Event of Default, in the name and stead of the Bank with full power to do any and all things and acts to the same extent that the Bank could do and perform any such things and acts and with power of substitution.

ARTICLE XI TRUSTEE

SECTION 11.01. Acceptance of the Trusts. The Trustee hereby accepts the trusts and duties imposed upon it by this Indenture, and agrees to perform said trusts and duties with the same degree of care and skill in their exercise, as a prudent corporate trustee would exercise or use under the circumstances in the conduct of its own affairs, but only upon and subject to the following express terms and conditions:

(a) The Trustee, prior to the occurrence of an Event of Default and after the curing of all Events of Default which may have occurred, undertakes to perform such duties and only such

duties as are specifically set forth in this Indenture. In case an Event of Default has occurred (which has not been cured or waived), the Trustee shall exercise the rights and powers vested in it by this Indenture in accordance with the standard specified above.

(b) The Trustee may execute any of the trusts or powers hereof and perform any of its duties by or through attorneys, agents, receivers or employees but shall not be answerable for the conduct of the same if appointed in accordance with the standard specified above, and shall be entitled to advice of Counsel concerning all matters of trusts hereof and the duties hereunder, and may in all cases pay such reasonable compensation to all such attorneys, agents, receivers and employees as may reasonably be employed in connection with the trusts hereof. The Trustee may act upon the opinion or advice of any attorney or firm of attorneys (who may be the attorney or firm of attorneys for the Bank), approved by the Trustee in the exercise of reasonable care. The Trustee shall not be responsible for any loss or damage resulting from any action or non-action in good faith in reliance upon such opinion or advice.

(c) The Trustee shall not be responsible for any recital herein or in the Bonds, other than the Certificate of Authentication required by Section 3.04 hereof, or for the validity of the execution by the Bank of this Indenture or of any supplements hereto or instruments of further assurance, or for the sufficiency of the security for the Bonds issued hereunder or intended to be secured hereby.

(d) The Trustee shall not be accountable for the use of any Bonds authenticated or delivered hereunder. The Trustee may become the owner of Bonds secured hereby with the same rights which it would have if not the Trustee and Bonds owned by the Trustee shall be deemed Outstanding unless canceled pursuant to the provisions hereof.

(e) The Trustee shall be protected in acting upon any notice, request, consent, certificate, order, affidavit, letter, telegram or other paper or document reasonably believed to be genuine and correct and to have been signed or sent by the proper person or persons. The Trustee shall not withhold unreasonably its consent, approval or action to any reasonable request of the Bank. Any action taken by the Trustee pursuant to this Indenture upon the request of the Bank or consent of any person who at the time of making such request or giving such consent is the owner of any Bond, shall be conclusive and binding upon all future owners of the same Bond and upon Bonds issued in exchange therefor or in place thereof.

(f) As to the existence or nonexistence of any fact or as to the sufficiency or validity of any instrument, paper or proceeding, the Trustee shall be entitled in good faith to rely upon a certificate signed by an Authorized Officer as sufficient evidence of the facts therein contained and prior to the occurrence of an Event of Default of which the Trustee has become aware shall also be at liberty to accept a similar certificate to the effect that any particular dealing, transaction or action is necessary or expedient but may at its discretion secure such further evidence deemed necessary or advisable, but shall in no case be bound to secure the same. The Trustee may accept a certificate of an Authorized Officer of the Bank under its seal to the effect that a resolution in the form therein set forth has been adopted by the Bank as conclusive evidence that such resolution has been duly adopted and is in full force and effect.

(g) The permissive right of the Trustee to do things enumerated in this Indenture shall not be construed as a duty and it shall not be answerable for such other than for its gross negligence or willful default.

(h) At any and all reasonable times the Trustee and its duly authorized agents, attorneys, experts, engineers, accountants and representatives shall have the right to inspect any and all of the books, papers and records of the Bank pertaining to the Revenues and receipts pledged to the payment of the Bonds, and to take such memoranda from and in regard thereto as may be desired.

(i) The Trustee shall not be required to give any bond or surety in respect of the execution of the said trusts and powers or otherwise in respect of the premises.

(j) Notwithstanding anything elsewhere in this Indenture contained, the Trustee shall have the right, but shall not be required, to demand, in respect of the authentication of any Bonds, the withdrawal of any cash, or any action whatsoever within the purview of this Indenture, any showings, certificates, opinions, appraisals or other information, or corporate action or evidence thereof, in addition to that by the terms hereof required as a condition of such action, deemed desirable by the Trustee for the purpose of establishing the right of the Bank to the authentication of any Bond, the withdrawal of any cash or the taking of any other action by the Trustee.

(k) Before taking any action referred to in Section 10.02, 10.03 or 10.07 hereof, the Trustee may require that a satisfactory indemnity bond and/or other security be furnished for the reimbursement of all expenses to which it may be put and to protect it against all liability, except liability which is adjudicated to have resulted from its gross negligence or willful default.

(l) All moneys received by the Trustee shall, until used, applied or invested as herein provided, be held in trust for the purposes for which they were received but need not be segregated from other funds except to the extent required by law. The Trustee shall not be under any liability for interest on any moneys received hereunder except such as may be agreed upon in writing.

(m) The Trustee for all purposes of this Indenture shall be deemed to be aware of any Event of Default in the payment of principal, premium, if any, or interest on any of the Bonds.

SECTION 11.02. Fees, Charges and Expenses of the Trustee. The Trustee shall be entitled to prompt payment and reimbursement upon demand for reasonable fees for its services rendered hereunder and all advances, counsel fees and other expenses reasonably and necessarily made or incurred by the Trustee in connection with such services. The Trustee shall be entitled to payment and reimbursement for the reasonable fees and charges of the Trustee as paying agent and registrar for the Bonds but only as hereinabove provided. Upon any Event of Default, but only upon an Event of Default, the Trustee shall have a first lien with right of payment prior to payment on account of principal of or interest on any Bond upon the Trust Estate for the foregoing fees, charges and expenses incurred by it, respectively.

SECTION 11.03. Intervention by the Trustee. In any judicial proceeding to which the Bank is a party and which in the opinion of the Trustee and its Counsel has a substantial bearing

on the interests of the owners of the Bonds, the Trustee may intervene on behalf of the Bondholders, and shall do so if requested in writing by the Beneficial Owners of at least twenty-five percent (25%) of the aggregate principal amount of Bonds then Outstanding upon receiving security and/or indemnification satisfactory to the Trustee.

SECTION 11.04. Successor Trustee. Any corporation or association into which the Trustee may be converted or merged, or with which it may be consolidated, or to which it may sell or transfer its trust business and assets as a whole or substantially as a whole, or any corporation or association resulting from any such conversion, sale, merger, consolidation or transfer to which it is a party (“Reorganization”), ipso facto shall be and become successor Trustee hereunder, if legally qualified to serve as such, and vested with all of the title to the Trust Estate and all the trusts, powers, discretions, immunities, privileges and all other matters as was its predecessor, without the execution or filing of any instrument or any further act, deed or conveyance on the part of any of the parties hereto, anything herein to the contrary notwithstanding; provided that within thirty (30) days of the effective date of such Reorganization, the Bank may object to such corporation or association becoming successor Trustee by filing written notice of such objection with the Trustee and by mailing such notice to each Bondholder whereupon a successor or temporary Trustee shall be appointed in accordance with Section 11.07 hereof.

SECTION 11.05. Resignation by the Trustee. The Trustee and any successor Trustee may at any time resign from the trusts hereby by giving thirty (30) days’ written notice by registered or certified mail to the Bank, the Municipality and the owner of each Bond as shown by the list of Bondholders required by this Indenture to be kept at the office of the Trustee, and such resignation shall only take effect upon the appointment of a successor Trustee in accordance with Section 11.07 and acceptance of such appointment by the successor Trustee. Notwithstanding any other provision of this Indenture, no removal, resignation or termination of the Trustee shall take effect until a successor shall be appointed.

SECTION 11.06. Removal of the Trustee. The Trustee may be removed at any time with or without cause by an instrument or concurrent instruments in writing delivered to the Trustee and to the Bank and signed by the (a) the Municipality, or (b) the Beneficial Owners of a majority in aggregate principal amount of all Bonds then Outstanding or their attorneys-in-fact duly authorized. Notice of the removal of the Trustee shall be given in the same manner as provided in Section 11.05 hereof with respect to the resignation of the Trustee. So long as no Event of Default or an event which, with the passage of time would become an Event of Default, shall have occurred and be continuing, the Trustee may be removed at any time for cause by resolution or other official written action taken by the Bank and the Municipality with such written action to be filed with the Trustee.

SECTION 11.07. Appointment of Successor Trustee by the Bondholders; Temporary Trustee. In case the Trustee shall resign or be removed, or be dissolved, or shall be in course of dissolution or liquidation, or otherwise become incapable of acting hereunder, or in case it shall be taken under the control of any public officer or officers, or of a receiver appointed by a court, a successor may be appointed by the owners of a majority in aggregate principal amount of all Bonds then Outstanding, by an instrument or concurrent instruments in writing signed by such owners, or by their attorneys-in-fact duly authorized, a copy of which shall be

delivered personally or sent by registered mail to the Bank and the Municipality. Nevertheless, in case of such vacancy, the Bank by resolution may appoint a temporary Trustee to fill such vacancy. Within ninety (90) days of such appointment, the Bondholders may appoint a successor Trustee; any such successor Trustee so appointed by the Bank shall become the successor Trustee if no appointment is made by the Bondholders within such period, but in the event an appointment is made by the Bondholders, the temporary Trustee shall immediately and without further act be superseded by any Trustee so appointed by such Bondholders. Notice of the appointment of a successor Trustee shall be given in the same manner as provided by Section 11.05 hereof with respect to the resignation of a Trustee. Every such Trustee appointed pursuant to the provisions of this Section shall be a trust company or bank having its principal place of business in the United States of America duly authorized to exercise trust powers and having a reported capital and surplus of not less than \$75,000,000, if there be such an institution willing, qualified and able to accept the trust upon reasonable or customary terms.

SECTION 11.08. Concerning Any Successor Trustee. Every successor Trustee appointed hereunder shall execute, acknowledge and deliver to its predecessor and also to the Bank and the Municipality an instrument in writing accepting such appointment hereunder, and thereupon such successor, without any further act, deed or conveyance, shall become fully vested with all the estates, properties, rights, powers, trusts, duties and obligations of its predecessors; but such predecessor shall, nevertheless, on the written request of the Bank or the Municipality, after the payment of all fees, charges and expenses which may be due and owing to such predecessor pursuant to the provisions of Section 11.02 hereof, execute and deliver an instrument transferring to such successor Trustee all the estates, properties, rights, powers and trusts of such predecessor hereunder; and every predecessor Trustee shall deliver all securities, moneys and other property or documents held by it as Trustee hereunder to its successor hereunder. Should any instrument in writing from the Bank be required by any successor Trustee for more fully and certainly vesting in such successor the estate, rights, powers and duties hereby vested or intended to be vested in the predecessor, any and all such instruments in writing shall, on request, be executed, acknowledged and delivered by the Bank. The resignation of any Trustee and the instrument or instruments removing any Trustee and appointing a successor hereunder, together with all other instruments provided for in this Article, shall be filed or recorded by the successor Trustee in each recording office where this Indenture shall have been filed or recorded.

SECTION 11.09. Indemnification. The Bank, will, to the fullest extent permitted by law, protect, indemnify and save the Trustee and its respective officers, board members, agents, and employees, harmless from and against all liabilities, losses, damages, costs, expenses (including attorneys' fees and expenses of the Trustee), taxes, causes of action, suits, claims, demands and judgments of any nature arising from:

(a) violation of any agreement, provision or condition of this Indenture, the Qualified Obligation, the Bonds or the Municipality Bond Resolution except a violation by the Trustee resulting from its gross negligence or willful misconduct;

(b) any statement or information relating to the expenditure of the proceeds of the Bonds contained in the "Tax Certificate" or similar document furnished by the Municipality to the Bank which, at the time made, is misleading, untrue or incorrect in any material respect; and

(c) any untrue statement or alleged untrue statement of a material fact contained in any offering material relating to the sale or remarketing of the Bonds (as from time to time amended or supplemented) or arising out of or based upon the omission or alleged omission to state therein a material fact required to be stated therein or necessary in order to make the statements therein not misleading, or failure to properly register or otherwise qualify the sale of the Bonds or failure to comply with any licensing or other law or regulation which would affect the manner whereby or to whom the Bonds could be sold.

Promptly after receipt by the Trustee of notice of the commencement of any action with respect to which security and/or indemnity may be sought against the Bank under this Section, the Trustee will notify the Bank in writing of the commencement thereof, and, subject to the provisions hereinafter stated, the Bank shall assume the defense of such action (including the employment of Counsel or such other person as the case may be, and the payment of expenses). Insofar as such action shall relate to any alleged liability with respect to which security and/or indemnity may be sought against the Bank, the Trustee shall have the right to employ separate Counsel in any such action and to participate in the defense thereof, but the fees and expenses of such Counsel shall not be at the expense of the Bank unless the employment of such Counsel has been specifically authorized by the Bank. The Bank shall not be liable to indemnify any person for any settlement of any such action effected without its consent.

The provisions of this Section 11.09 shall survive the payment and discharge of the Qualified Obligation and the Bonds.

SECTION 11.10. Successor Trustee as Trustee of Funds, Paying Agent and Registrar. In the event of a change in the office of Trustee, the predecessor Trustee which has resigned or been removed shall cease to be Trustee of the funds provided hereunder and registrar and paying agent for principal of, premium, if any, and interest on the Bonds, and the successor Trustee shall become such Trustee, registrar and paying agent.

ARTICLE XII SUPPLEMENTAL INDENTURES

SECTION 12.01. Supplemental Indentures not Requiring Consent of Bondholders. The Bank and the Trustee may, without the consent of, or notice to, any of the Bondholders, enter into an indenture or indentures supplemental to this Indenture for any one or more of the following purposes:

- (a) To cure any ambiguity or formal defect or omission in this Indenture;
- (b) To grant to or confer upon the Trustee for the benefit of the Bondholders any additional benefits, rights, remedies, powers or authorities that may lawfully be granted to or conferred upon the Bondholders or the Trustee, or to make any change which, in the opinion of Bond Counsel, does not materially and adversely affect the interest of the owners of Outstanding Bonds and does not require unanimous consent of the Bondholders pursuant to Section 12.02 hereof;
- (c) To subject to this Indenture additional Revenues, properties or collateral;

(d) To modify, amend or supplement this Indenture or any indenture supplemental hereto in such manner (1) to permit the qualification thereof under the Trust Indenture Act of 1939 or any similar federal statute hereafter in effect or, (2) to preserve the status of the interest on any Bond as exempt from inclusion in gross income of the holders thereof for federal income tax purposes or, (3) to permit the qualification of the Bonds for sale under the securities laws of the United States of America or of any of the states of the United States of America or, (4) to add to the Indenture or any indenture supplemental thereto such other terms, conditions and provisions as may be permitted by said Trust Indenture Act of 1939 or similar federal statute;

(e) To evidence the appointment of a separate or co-trustee or the succession of a new Trustee hereunder or the succession of a new registrar and/or paying agent; and

(f) In connection with the issuance of Refunding Bonds.

SECTION 12.02. Supplemental Indentures Requiring Consent of Bondholders.

Exclusive of Supplemental Indentures provided for by Section 12.01 hereof and subject to the terms and provisions contained in this Section, and not otherwise, the owners of not less than a majority in aggregate principal amount of the Bonds then Outstanding which are affected (exclusive of Bonds held by the Bank), shall have the right, from time to time, anything contained in this Indenture to the contrary notwithstanding, to consent to and approve the execution by the Bank and the Trustee of such other indenture or indentures supplemental hereto as shall be deemed necessary and desirable by the Trustee for the purpose of modifying, altering, amending, adding to or rescinding, in any particular, any of the terms or provisions contained in this Indenture or in any Supplemental Indenture; provided, however, that nothing in this Section shall permit, or be construed as permitting, without the consent of the owners of all then Outstanding Bonds, (a) an extension of the maturity of the principal of or the interest or redemption date on any Bond issued hereunder, or (b) a reduction in the principal amount of any Bond or change in the rate of interest, or (c) a privilege or priority of any Bond or Bonds over any other Bond or Bonds, or (d) a reduction in the aggregate principal amount of the Bonds required for consent to such Supplemental Indenture, or (e) the creation of any lien securing any Bonds other than a lien ratably securing all of the Bonds at any time Outstanding hereunder, or (f) any modification of the trusts, powers, rights, obligations, duties, remedies, immunities and privileges of the Trustee without the written consent of the Trustee.

If at any time the Bank shall request the Trustee to enter into any such Supplemental Indenture for any of the purposes set forth in this Section, the Trustee shall, upon being satisfactorily secured and/or indemnified with respect to expenses, cause notice of the proposed execution of such Supplemental Indenture to be mailed by registered or certified mail to each owner of a Bond at the address shown on the registration records maintained by the Trustee. Such notice shall briefly set forth the nature of the proposed Supplemental Indenture and shall state that copies thereof are on file at the Principal Office of the Trustee for inspection by all Bondholders. If, within sixty (60) days, or such longer period as shall be prescribed by the Bank, following the mailing of such notice, the owners of not less than fifty-one percent (51%) in aggregate principal amount of the Bonds Outstanding at the time of the execution of any such Supplemental Indenture (exclusive of Bonds held by the Bank) shall have consented to and approved the execution of such Supplemental Indenture as provided in Section 13.01 hereof, no owner of any Bond shall have any right to object to any of the terms and provisions contained

therein, or the operation thereof, or in any manner to question the propriety of the execution thereof, or to enjoin or restrain the Trustee or the Bank from executing the same or from taking any action pursuant to the provisions thereof. Upon the execution of any such Supplemental Indenture as in this Section permitted and provided, this Indenture shall be and be deemed to be modified and amended in accordance therewith.

NOW, THEREFORE, the Bank and the Municipality agree as follows:

Capitalized terms used herein and not defined shall have the meaning ascribed thereto in the Municipality Bond Resolution, the Bank Bonds Resolution, and the Indenture.

Subject to the terms and conditions of this Agreement, the Bank hereby agrees to purchase the Qualified Obligation from the Municipality and the Municipality hereby agrees to sell the Qualified Obligation to the Bank at the purchase price of \$_____, representing the par amount of the Qualified Obligation of \$_____, plus issue premium of \$_____, and less Underwriter's discount of \$_____. The Bank expects to pay \$_____ in issuance expenses from the Bond Issuance Expense Account of the General Fund.

The amount of such purchase price will be distributed to the Municipality, which amount shall be subject to requisition by the Municipality for deposit in the Parks and Recreation Improvements Fund (the "Parks and Recreation Improvements Fund") for the Project, all as provided under the Municipality Bond Resolution, pursuant to which the Municipality will issue the Qualified Obligation. The terms of the Qualified Obligation are set forth in the Municipality Bond Resolution and incorporated herein by reference.

The Municipality will take all actions required by law to enable it to issue and sell the Qualified Obligation to be purchased by the Bank, and the Municipality's obligation to issue and sell the Qualified Obligation and the Bank's obligation to purchase the Qualified Obligation are expressly contingent upon the Municipality's taking all steps and receiving all approvals required by the laws of the State of Mississippi (the "State") to issue the Qualified Obligation.

To the extent the Qualified Obligation is subject to the rebate requirements as set forth in Section 148(f) of the Internal Revenue Code of 1986, as amended (the "Code"), and the regulations promulgated thereunder (the "Rebate Requirement"), the Municipality agrees to pay to the Bank for prompt payment to or to provide evidence to the Bank of payment to, the United States of America of the Rebate Requirement resulting from the investment of moneys held by the Municipality that constitute gross proceeds of the Bank Bonds, as such Rebate Requirement is computed by the Municipality. The Municipality agrees to provide documentation to the Bank

relative to the computation of the Rebate Requirement and payment of such Rebate Requirement when required.

At such time as the Bank shall reasonably request and in any event prior to the delivery to the Bank of the Qualified Obligation, which Qualified Obligation shall be in the form set forth in the Municipality Bond Resolution and registered in the name of the Trustee as the assignee of the Bank, the Municipality shall furnish to the Bank a transcript of proceedings and opinions of counsel satisfactory to the Bank which shall set forth, among other things, the unqualified approval of the validity and authorized issuance of the Qualified Obligation.

The Municipality and the Bank agree that the Qualified Obligation and the payments to be made thereon may be pledged or assigned by the Bank only under and to the extent provided in the Indenture.

As long as the Qualified Obligation remains outstanding, the Municipality agrees to furnish to the Bank annual financial reports, audit reports, and such other financial information as is reasonably requested by the Bank, including information which may concern the tax-exempt status of the Bank Bonds and the Municipality's and the Bank's obligations to rebate excess earnings according to the Rebate Requirement.

The Municipality further agrees that it shall comply with all provisions, covenants, and obligations of the Municipality set forth in the Indenture, and such provisions, covenants, and obligations shall be deemed to be incorporated herein as if fully set forth herein.

The Municipality agrees to enter into a written undertaking for the benefit of the holders of the Bank Bonds to deliver, or cause to be delivered, certain of the information as contained in the Official Statement dated _____, 20__ (the "Official Statement"), to each "nationally recognized municipal securities information repository" within the meaning of Rule 15c2-12 of the Securities and Exchange Act of 1933. On or prior to the delivery date of the Bank Bonds, an authorized officer of the Municipality will deliver a certificate to the effect that the statements made in the Official Statement, including without limitation the appendices thereto, made by the Municipality pertaining to the Municipality and the Qualified Obligation, as of the date of the Official Statement, did not contain any untrue statement of a material fact or omit to state any material fact necessary to make the statements therein, in light of the circumstances under which they were made, not misleading, and that there has been no material adverse change in the financial condition and affairs of the Municipality during the period from the date of the Official Statement to the date of delivery of the Bank Bonds which was not disclosed in or contemplated by the Official Statement.

The Bank is obligated to purchase the Qualified Obligation solely from proceeds of the Bank Bonds.

This Agreement may be executed in one or more counterparts, any of which shall be regarded for all purposes as an original, and all of which constitute but one and the same instrument. The Bank and the Municipality each agree that it will execute any and all documents or other instruments and take such other actions as may be necessary to give effect to the terms of this Agreement.

No waiver by either the Bank or the Municipality of any term or condition of this Agreement shall be deemed or construed as a waiver of any other terms or conditions, nor shall a waiver of any breach be deemed to constitute a waiver of any subsequent breach, whether of the same or of a different section, subsection, paragraph, clause, phrase, or other provision of this Agreement.

The Municipality has reviewed the Indenture and approves the terms thereof, and agrees to take all actions required of it thereunder.

This Agreement merges and supersedes all prior negotiations, representations, and agreements between the Bank and the Municipality relating to the subject matter hereof and constitutes the entire agreement between the Bank and the Municipality in respect hereof.

If any provision of this Agreement shall for any reason be held to be invalid or unenforceable, the invalidity or unenforceability of such provision shall not affect any of the remaining provisions of this Agreement and this Agreement shall be construed and in force as if such invalid or unenforceable provision had not been contained herein.

Ladies and Gentlemen:

The undersigned, _____, _____, _____ (the "Underwriter"), being duly authorized, offers to enter into the following agreement with the Mississippi Development Bank (the "Bank") and the City of Starkville, Mississippi (the "Municipality"), which, upon your acceptance of this offer, will be binding upon the Bank and the Municipality and upon the Underwriter. This offer is made subject to your written acceptance of this Bond Purchase Agreement (the "Bond Purchase Agreement") on or before 5:00 o'clock p.m., Mississippi Time, on _____, 20__, and, if not so accepted, will be subject to withdrawal by the Underwriter upon written notice delivered by the Underwriter to the Bank and the Municipality at the above addresses, at any time prior to the acceptance hereof by you.

1. Purchase.

(a) Upon the terms and conditions and upon the basis of the representations, warranties and agreements set forth herein, the Underwriter hereby agrees to purchase from the Bank for offering to the public, and the Bank hereby agrees to sell and deliver to the Underwriter for such purpose, an aggregate of \$_____ principal amount of the Bank's Special Obligation Bonds, Series 20__ (Starkville, Mississippi, Parks and Recreation General Obligation Bond Project) (the "Bonds"), dated the date of delivery thereof, and having maturities and bearing interest at the rates per annum as set forth in **Exhibit A** hereto, and payable as described in the resolution concerning the Bonds adopted on _____, 20__, by the Board of Directors of the Bank (the "Bank Bond Resolution"), an Indenture of Trust under which the Bonds will be issued and by which they will be secured, dated as of _____, 20__ (the "Indenture"), by and between the _____, _____, _____, as trustee (the "Trustee"), and otherwise having such terms as are described in the Preliminary Official Statement (as hereinafter defined). The purchase price for the Bonds shall be \$_____, being comprised of the principal amount of the Bonds of _____, plus a net original issue premium of \$_____.

and less an Underwriter's discount of \$_____, which purchase price, subject to the terms and conditions of this Bond Purchase Agreement, will be paid to the Trustee on behalf of the Bank on the date of the payment for and delivery of the Bonds (herein called the "Closing"). The Bonds will be subject to optional redemption prior to maturity as set forth in **Exhibit A** hereto.

(b) It is intended that interest on the Bonds will be excluded from gross income for federal income tax purposes under existing statutes, regulations, rulings and court decisions and as set forth in the Preliminary Official Statement, and in reliance thereon, the Underwriter may offer the Bonds without registration under the Securities Act of 1933, as amended.

(c) All capitalized terms used and not defined herein shall have the meanings ascribed to them in the Indenture and the Preliminary Official Statement.

(d) The principal of, premium, if any, and interest on the Bonds shall be payable solely and only from those revenues and funds of the Bank under the Indenture, including the \$_____ General Obligation Bond, Series 20__ (Starkville, Mississippi, Parks and Recreation General Obligation Bond Project) (the "Qualified Obligation"), and payments derived therefrom, as more particularly described in the Preliminary Official Statement. The Qualified Obligation has been sold to the Bank by the Municipality pursuant to a resolution of the Municipality adopted by the Mayor and Board of Aldermen (the "Governing Body") of the Municipality on _____, 20__, authorizing the issuance and sale of the Qualified Obligation and approving the issuance and sale of the Bonds (the "Municipality Bond Resolution" and collectively with the Bank Bond Resolution, the "Bond Resolutions"), and a Qualified Obligation Purchase Agreement dated _____, 20__, between the Municipality and the Bank (the "Qualified Obligation Purchase Agreement"). The Qualified Obligation is a general obligation of the Municipality and represents a pledge of the full faith, credit, and taxing power thereof.

2. Preliminary Official Statement and Official Statement. A Preliminary Official Statement of the Bank, dated _____, 20__ (the "Preliminary Official Statement"), has been distributed in connection with the Bonds, and an Official Statement of the Bank, to be dated the date hereof, will be delivered as hereinafter set forth in this Paragraph 2. The final Official Statement as it may be amended or supplemented, with the written consent of the Bank and the Underwriter, is hereinafter called the "Official Statement."

The Bank and the Municipality hereby authorize the use of the Preliminary Official Statement, the Official Statement and the information therein contained by the Underwriter in connection with the public offering and the sale of the Bonds. As required by Rule 15c2-12 promulgated by the Securities and Exchange Commission under Section 15 of the Securities Exchange Act of 1934, as amended ("Rule 15c2-12"), the Underwriter shall deliver the Official Statement to the Municipal Securities Rulemaking Board (the "MSRB"). The Bank and the Municipality hereby approve of and ratify the use by the Underwriter on or before the date hereof of the Preliminary Official Statement in connection with the prospective offering of the Bonds prior to the date hereof. The Bank and the Municipality have duly authorized, approved

and delivered the Preliminary Official Statement to the Underwriter; the Bank and the Municipality have previously deemed the Preliminary Official Statement final, except for the omission of the following information: offering, prices, interest rates, selling compensation, aggregate principal amount of the Bonds, principal amount per maturity, delivery date, ratings and other terms of the Bonds depending on such matters permitted to be omitted in accordance with Paragraph (b)(1) of Rule 15c2-12; and the Bank has duly authorized, approved and will execute the Official Statement on or prior to the Closing and shall deliver the same in final printed form subject to the provisions of Paragraph 9 hereof to permit the Underwriter to comply with Paragraph 9(b)(4) of Rule 15c2-12 and the rules of the MSRB, within seven (7) business days from the date hereof. The Bank and the Municipality have delivered a "deemed final" certificate to the Underwriter, dated the date hereof, to evidence compliance with Rule 15c2-12 to the date hereof (the "Deemed Final Certificate"), in substantially the form attached hereto as **Exhibit B**.

3. Establishment of Issue Price

(a) The Underwriter agrees to assist the Bank in establishing the issue price of the Bonds and shall execute and deliver to the Bank at the Closing (as hereinafter defined) an "issue price" or similar certificate, together with the supporting pricing wires or equivalent communications, substantially in the form acceptable to Jones Walker LLP, Jackson, Mississippi ("Bond Counsel"), with such modifications as may be appropriate or necessary, in the reasonable judgment of the Underwriter and the Bank, to accurately reflect, as applicable, the sales price or prices or the initial offering price or prices to the public of the Bonds. All actions to be taken by the Bank under this section to establish the issue price of the Bonds may be taken on behalf of the Bank by Government Consultants, Inc., Madison, Mississippi, its independent registered municipal advisor (the "Municipal Advisor"), and any notice or report to be provided to the Bank may be provided to the Municipal Advisor.

(b) Except as otherwise set forth in **Exhibit A** hereto, the Bank will treat the first price at which 10% of each maturity of the Bonds (the "10% test") is sold to the public as the issue price of that maturity (if different interest rates apply within a maturity, each separate CUSIP number within that maturity will be subject to the 10% test). At or promptly after the execution of this Agreement, the Underwriter shall report to the Bank the price or prices at which it has sold to the public each maturity of Bonds. If at that time the 10% test has not been satisfied as to any maturity of the Bonds, the Underwriter agrees to promptly report to the Bank the prices at which it sells the unsold Bonds of that maturity to the public. That reporting obligation shall continue, whether or not the Closing has occurred, until the 10% test has been satisfied as to the Bonds of that maturity or until all Bonds of that maturity have been sold to the public.

(c) The Underwriter confirms that it has offered the Bonds to the public on or before the date of this Agreement at the offering price or prices (the "initial offering price"), or at the corresponding yield or yields, set forth in **Exhibit A** hereto, except as otherwise set forth therein. **Exhibit A** also sets forth, as of the date of this Agreement, the maturities, if any, of the Bonds for which the 10% test has not been satisfied and for which the Bank and the Underwriter agree that the restrictions set forth in the next

sentence shall apply, which will allow the Bank to treat the initial offering price to the public of each such maturity as of the sale date as the issue price of that maturity (the "hold-the-offering-price rule"). So long as the hold-the-offering-price rule remains applicable to any maturity of the Bonds, the Underwriter will neither offer nor sell unsold Bonds of that maturity to any person at a price that is higher than the initial offering price to the public during the period starting on the sale date and ending on the earlier of the following:

- (i) the close of the fifth (5th) business day after the sale date; or
- (ii) the date on which the Underwriter has sold at least 10% of that maturity of the Bonds to the public at a price that is no higher than the initial offering price to the public.

The Underwriter shall promptly advise the Bank when it has sold 10% of that maturity of the Bonds to the public at a price that is no higher than the initial offering price to the public, if that occurs prior to the close of the fifth (5th) business day after the sale date.

(d) The Underwriter confirms that any selling group agreement and any retail distribution agreement relating to the initial sale of the Bonds to the public, together with the related pricing wires, contains or will contain language obligating each dealer who is a member of the selling group and each broker-dealer that is a party to such retail distribution agreement, as applicable, to (A) report the prices at which it sells to the public the unsold Bonds of each maturity allotted to it until it is notified by the Underwriter that either the 10% test has been satisfied as to the Bonds of that maturity or all Bonds of that maturity have been sold to the public and (B) comply with the hold-the-offering-price rule, if applicable, in each case if and for so long as directed by the Underwriter. The Bank acknowledges that, in making the representation set forth in this subsection, the Underwriter will rely on (i) in the event a selling group has been created in connection with the initial sale of the Bonds to the public, the agreement of each dealer who is a member of the selling group to comply with the hold-the-offering-price rule, if applicable, as set forth in a selling group agreement and the related pricing wires, and (ii) in the event that a retail distribution agreement was employed in connection with the initial sale of the Bonds to the public, the agreement of each broker-dealer that is a party to such agreement to comply with the hold-the-offering-price rule, if applicable, as set forth in the retail distribution agreement and the related pricing wires. The Bank further acknowledges that the Underwriter shall not be liable for the failure of any dealer who is a member of a selling group, or of any broker-dealer that is a party to a retail distribution agreement, to comply with its corresponding agreement regarding the hold-the-offering-price rule as applicable to the Bonds.

(e) The Underwriter acknowledges that sales of any Bonds to any person that is a related party to the Underwriter shall not constitute sales to the public for purposes of this section. Further, for purposes of this section:

- (i) "public" means any person other than an underwriter or a related party,

(ii) "underwriter" means (A) any person that agrees pursuant to a written contract with the Bank (or with the lead underwriter to form an underwriting syndicate) to participate in the initial sale of the Bonds to the public and (B) any person that agrees pursuant to a written contract directly or indirectly with a person described in clause (A) to participate in the initial sale of the Bonds to the public (including a member of a selling group or a party to a retail distribution agreement participating in the initial sale of the Bonds to the public),

(iii) a purchaser of any of the Bonds is a "related party" to an underwriter if the underwriter and the purchaser are subject, directly or indirectly, to (i) at least 50% common ownership of the voting power or the total value of their stock, if both entities are corporations (including direct ownership by one corporation of another), (ii) more than 50% common ownership of their capital interests or profits interests, if both entities are partnerships (including direct ownership by one partnership of another), or (iii) more than 50% common ownership of the value of the outstanding stock of the corporation or the capital interests or profit interests of the partnership, as applicable, if one entity is a corporation and the other entity is a partnership (including direct ownership of the applicable stock or interests by one entity of the other), and

(iv) "sale date" means the date of execution of this Agreement by all parties.

(f) It will be a condition of the Bank's obligation to sell and deliver the Bonds to the Underwriter, and the obligation of the Underwriter to purchase and accept delivery of the Bonds, that the entire aggregate principal amount of the Bonds must be sold and delivered by the Bank and accepted and paid for by the Underwriter on the Closing.

4. Representations and Warranties of the Bank. The Bank represents and warrants to, and agrees with the Underwriter that:

(a) The Bank is a public body corporate and politic of the State of Mississippi (the "State"). The Board of Directors of the Bank (the "Board") is duly organized and existing under the Constitution and laws of the State with the powers and authority, among others, set forth in Sections 31-25-1 *et seq.*, Mississippi Code of 1972, as amended (the "Bank Act"), and is authorized to issue the Bonds and otherwise to act on behalf of the Bank in connection with the issuance and sale of the Bonds.

(b) The Board, on behalf of the Bank, has full legal right, power and authority to enter into or accept this Bond Purchase Agreement, the Qualified Obligation Purchase Agreement and the Indenture, to adopt the Bank Bond Resolution, to accept and assign the Qualified Obligation and to sell, issue and deliver the Bonds to the Underwriter as provided herein and to carry out and consummate all other transactions contemplated by this Bond Purchase Agreement, the Bonds, the Qualified Obligation Purchase Agreement, the Indenture, the Bank Bond Resolution and the Official Statement.

(c) By official action of the Board prior to or concurrently with the acceptance hereof, the Board has duly adopted the Bank Bond Resolution, has duly authorized and approved the execution and delivery of or acceptance of, and the performance by the Bank of the obligations of the Bank contained in the Bank Bond Resolution, the Indenture, the Qualified Obligation Purchase Agreement, the Bonds, and this Bond Purchase Agreement and the consummation by it of all other transactions contemplated by the Official Statement and this Bond Purchase Agreement.

(d) Neither the Bank nor the Board is in breach of or default under any applicable law or administrative regulation of the State or the United States of America or any applicable judgment or decree or any agreement or other instrument to which either the Bank or the Board is a party or is otherwise subject, which breach or default would in any way materially adversely affect the official existence or powers of the Bank or the Board, the Bank Bond Resolution, the Indenture, the Qualified Obligation Purchase Agreement or the issuance of the Bonds, and no event has occurred and is continuing, which with the passage of time or the giving of notice, or both, would constitute such a breach of or default under any such instrument; and the execution and delivery of or acceptance of this Bond Purchase Agreement, the Indenture, the Qualified Obligation Purchase Agreement, and the Bonds and the adoption of the Bank Bond Resolution and compliance with the provisions of each thereof will not conflict with or constitute a breach of or default under any law, administrative regulation, judgment, decree, agreement or other instrument to which either the Bank or the Board is a party or is otherwise subject.

(e) At the time of the Bank's acceptance hereof, the Preliminary Official Statement as it pertains to the Bank does not contain any untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading.

(f) No summons or complaint or any other notice or document has been served upon or delivered to the Bank or the Board or any of their officers or employees relating to any litigation, and there is no action, suit, proceeding, inquiry, or investigation, at law or in equity, before or by any court, public board or body, pending or, to the best knowledge of the Bank or the Board, threatened against the Bank or the Board, affecting the existence of the Bank or the Board, the titles of their officers to their respective offices or seeking to prohibit, restrain or enjoin the sale, issuance or delivery of the Bonds or in any way contesting or affecting the validity or enforceability of the Bonds or the tax exempt status of the Bonds, the Bank Bond Resolution, the Indenture, the Qualified Obligation Purchase Agreement, the acceptance and assignment of the Qualified Obligation or this Bond Purchase Agreement or contesting in any way the completeness or accuracy of the Preliminary Official Statement, or contesting the powers of the Bank or the Board or any authority for the issuance of the Bonds, the adoption of the Bank Bond Resolution, the acceptance and assignment of the Qualified Obligation or the execution or acceptance of this Bond Purchase Agreement, the Indenture, the Qualified Obligation Purchase Agreement, or the Bank's performance thereunder, nor is there any controversy or litigation pending or, to the best knowledge of the Bank or the

Board, threatened, nor, to the best of the knowledge of the Bank and the Board, is there any basis therefore, wherein an unfavorable decision, ruling or finding would materially adversely affect the tax exempt status of the interest on the Bonds or the validity or enforceability of the Bonds, the Bank Bond Resolution, the Indenture, the Qualified Obligation Purchase Agreement, the Qualified Obligation, or this Bond Purchase Agreement.

(g) Except as otherwise provided herein, (i) the Bank Bond Resolution, the Indenture, the Qualified Obligation Purchase Agreement, and the Bonds conform to the description thereof contained in the Preliminary Official Statement, and (ii) the Bonds, this Bond Purchase Agreement, the Qualified Obligation Purchase Agreement, the Bank Bond Resolution, and the Indenture will constitute valid, legally binding, and enforceable obligations of the Bank.

(h) The proceeds from the sale of the Bonds will be used or applied as is provided in the Bond Resolutions, the Indenture, and the Preliminary Official Statement.

(i) If required by law to do so in the future, the Bank will undertake, pursuant to a continuing disclosure agreement with the Municipality and the Trustee, to provide notices of certain events in connection with the Bonds.

(j) To the best of the Bank's knowledge, the Preliminary Official Statement does not contain any untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein in connection with the Bank or the Bonds, in the light of the circumstances under which they were made, not misleading, and as of the Closing, the Official Statement will not contain any untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein in connection with the Bank or the Bonds, in the light of the circumstances under which they were made, not misleading.

5. Representations and Warranties of the Municipality. The Municipality represents and warrants to, and agrees with the Underwriter that:

(a) The Municipality is a public body corporate and a political subdivision of the State and a "local governmental unit" within the meaning of the Bank Act. The Governing Body is duly organized and existing under the Constitution and laws of the State and is authorized, pursuant to the provisions of House Bill No. 1565, as approved by the Legislature of the State in its Regular Session 2019 and signed by the Governor of the State on April 3, 2019 ("Authority Act"), Sections 21-33-301 *et seq.*, Mississippi Code of 1972, as amended, (the "Municipal Improvements Act"), and the Bank Act (together, "Act"), to issue the Qualified Obligation under the terms and provisions of the Municipality Bond Resolution, under which the Municipality's obligations on the Qualified Obligation arise, and otherwise to act on behalf of the Municipality in connection with the execution of the Qualified Obligation Purchase Agreement and the execution and delivery of the Qualified Obligation.

(b) The Governing Body, on behalf of the Municipality, have full legal right, power and authority to enter into or accept this Bond Purchase Agreement, the Continuing Disclosure Agreement (as hereinafter defined) and the Qualified Obligation Purchase Agreement, to execute, issue and deliver the Qualified Obligation to the Bank as provided in the Municipality Bond Resolution and the Qualified Obligation Purchase Agreement and to carry out and consummate all other transactions contemplated by this Bond Purchase Agreement, the Qualified Obligation Purchase Agreement, the Qualified Obligation, the Municipality Bond Resolution, the Continuing Disclosure Agreement and the Official Statement.

(c) By official action of the Governing Body prior to or concurrently with the acceptance hereof, the Governing Body has duly adopted the Municipality Bond Resolution and has duly approved the execution and delivery by the Mayor of the Municipality (the "Mayor") and/or the City Clerk (the "City Clerk") of this Bond Purchase Agreement, the Qualified Obligation Purchase Agreement, the Continuing Disclosure Agreement, and the Qualified Obligation, has duly authorized and approved the execution and delivery of or acceptance of, and the performance by the Municipality of the obligations of the Municipality contained in, the Qualified Obligation, the Qualified Obligation Purchase Agreement, the Continuing Disclosure Agreement, and this Bond Purchase Agreement and the consummation by it of all other transactions contemplated by the Preliminary Official Statement and this Bond Purchase Agreement.

(d) Neither the Municipality nor the Governing Body is in breach of or default under any applicable law or administrative regulation of the State or the United States of America or any applicable judgment or decree or any agreement or other instrument to which either the Municipality or the Governing Body is a party or is otherwise subject, which breach or default would in any way materially adversely affect the official existence or powers of the Municipality or the Governing Body, the Municipality Bond Resolution or the issuance of the Qualified Obligation and no event has occurred and is continuing which with the passage of time or the giving of notice, or both, would constitute such a breach of or default under any such instrument; and the execution and delivery of or acceptance of this Bond Purchase Agreement, the Qualified Obligation, the Continuing Disclosure Agreement, the adoption of the Municipality Bond Resolution, the execution and delivery of the Qualified Obligation Purchase Agreement, and compliance with the provisions of each thereof will not conflict with or constitute a breach of or default under any law, administrative regulation, judgment, decree, agreement or other instrument to which either the Municipality or the Governing Body is a party or is otherwise subject.

(e) The Preliminary Official Statement does not contain any untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein in connection with the Municipality, the Municipality Bond Resolution, the Qualified Obligation Purchase Agreement, the Continuing Disclosure Agreement, and the Qualified Obligation, in the light of the circumstances under which they were made, not misleading, and as of the Closing, the Official Statement will not contain any untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein in

connection with the Municipality, the Municipality Bond Resolution, the Qualified Obligation Purchase Agreement, the Continuing Disclosure Agreement, and the Qualified Obligation, in the light of the circumstances under which they were made, not misleading.

(f) Between the date of this Bond Purchase Agreement and the Closing, neither the Municipality nor the Governing Body on behalf of the Municipality, will, without the prior written consent of the Underwriter, which consent will not be unreasonably withheld, issue any bonds, notes or other obligations for borrowed money.

(g) No summons or complaint or any other notice or document has been served upon or delivered to the Municipality or the Governing Body or any of their officers or employees relating to any litigation, and there is no action, suit, proceeding, inquiry, or investigation, at law or in equity, before or by any court, public board or body, pending or, to the best knowledge of the Municipality or the Governing Body, threatened against the Municipality or the Governing Body, affecting the existence of the Municipality or the Governing Body, the titles of their officers to their respective offices or seeking to prohibit, restrain or enjoin the issuance or delivery of the Qualified Obligation, or in any way contesting or affecting the validity or enforceability of the Municipality Bond Resolution, the Qualified Obligation Purchase Agreement, the Continuing Disclosure Agreement, and the Qualified Obligation, the tax exempt status of the interest on the Bonds and the Qualified Obligation, or this Bond Purchase Agreement or contesting in any way the completeness or accuracy of the Preliminary Official Statement, or contesting the powers of the Municipality or the Governing Body or any authority for the issuance of the Qualified Obligation, the adoption of the Municipality Bond Resolution, the Qualified Obligation Purchase Agreement, the Continuing Disclosure Agreement, and this Bond Purchase Agreement, or the Municipality's performance thereunder, nor is there any controversy or litigation pending, or to the best knowledge of the Municipality or the Governing Body, threatened, nor, to the best of the knowledge of the Municipality and the Governing Body, is there any basis therefore, wherein an unfavorable decision, ruling or finding would materially adversely affect the tax exempt status of the Bonds and the Qualified Obligation, the validity or enforceability of the Bonds, the Qualified Obligation, the Municipality Bond Resolution, Qualified Obligation Purchase Agreement, the Continuing Disclosure Agreement, or this Bond Purchase Agreement.

(h) The proceeds from the sale of the Qualified Obligation to the Bank by the Municipality as evidenced by the Qualified Obligation Purchase Agreement and the Qualified Obligation will be used or applied as provided in the Municipality Bond Resolution, the Qualified Obligation Purchase Agreement, and the Preliminary Official Statement.

(i) The Municipality is an "obligated person" within the meaning of Rule 15c2-12(f)(10) and shall have duly authorized, executed and delivered at the Closing a continuing disclosure agreement acceptable to the Underwriter that complies with the provisions of Rule 15c2-12(b)(5) (the "Continuing Disclosure Agreement") and shall be substantially in the form set forth in **Appendix F** of the Preliminary Official Statement

(j) Except as otherwise provided herein, (i) the Municipality Bond Resolution, the Qualified Obligation Purchase Agreement, the Continuing Disclosure Agreement and the Qualified Obligation conform to the descriptions thereof contained in the Preliminary Official Statement, (ii) the Qualified Obligation, when issued and delivered in accordance with the Municipality Bond Resolution and the Qualified Obligation Purchase Agreement, will be a validly issued and outstanding general obligation of the Municipality secured by a pledge of its full faith, credit, and taxing power, all as more fully described in the Preliminary Official Statement and as to be more fully described in the Official Statement, and (iii) the Qualified Obligation Purchase Agreement, this Bond Purchase Agreement, the Continuing Disclosure Agreement, the Municipality Bond Resolution, and the Qualified Obligation will constitute valid, legally binding and enforceable obligation of the Municipality.

6. Further Representations and Warranties of the Bank. The Bank further represents and warrants to, and agrees with the Underwriter that:

(a) The Bank will furnish such information, execute such instruments, and take such other reasonable action in cooperation with the Underwriter as the Underwriter may reasonably request to qualify the Bonds for offer and sale under the Blue Sky or other securities laws or regulations of such states and other jurisdictions of the United States of America as the Underwriter may designate; provided, however, that the Bank shall not be required to consent to service of process in any state or place where such is not provided by the laws of such state.

(b) No consent, approval, authorization or order of or filing, registration or declaration with any court or government agency or body is required for the sale, issuance or delivery of the Bonds or the consummation of the other transactions effected or contemplated herein or thereby, except such as may be required under the Blue Sky or other securities laws or regulations of any jurisdiction in connection with the offer and sale of the Bonds by the Underwriter, or if any such consent, approval or authorization is required, the Bank will obtain it prior to the date of the Closing and will provide reasonable evidence to the Underwriter that the same has been obtained.

(c) Except as otherwise provided herein, (i) the Bank Bond Resolution, the Indenture, the Qualified Obligation Purchase Agreement, the Qualified Obligation, and the Bonds conform to the descriptions thereof contained in the Preliminary Official Statement, (ii) the Bonds, when validly issued, authenticated, and delivered in accordance with the Bank Bond Resolution and the Indenture and sold to the Underwriter as provided herein, will be validly issued and outstanding limited obligations of the Bank entitled to the benefits and security of the Bank Bond Resolution and the Indenture, all as more fully described in the Preliminary Official Statement and as to be more fully described in the Official Statement, and will constitute valid, legally binding, and enforceable limited obligations of the Bank, and (iii) the Bank Bond Resolution and the Indenture will constitute valid, legally binding and enforceable obligations of the Bank.

(d) In order for the Underwriter to comply with Rule 15c2-12, the Bank:

(i) Represents and warrants that, if, after the date of this Bond Purchase Agreement and until twenty-five (25) days after the "end of the underwriting period", as such term is defined in Rule 15c2-12, any event shall occur, and be known to the Bank, as a result of which it is necessary to amend or supplement the Official Statement in order to make the statements therein, in light of the circumstances when the Official Statement is delivered to a purchaser, not misleading, or if it is necessary to amend or supplement the Official Statement to comply with law, it will notify the Underwriter (and for the purposes of this paragraph (i) of this subsection (d) to provide the Underwriter with such information as it may from time to time reasonably request), and it will forthwith prepare and furnish, at the expense of the Municipality (in a form and manner reasonably acceptable to the Underwriter), a reasonable number of copies of either amendments or supplements to the Official Statement so that the statements in the Official Statement as so amended and supplemented will not, in light of the circumstances when the Official Statement is delivered to a purchaser, be misleading or so that the Official Statement will comply with all applicable laws and regulations;

(ii) Represents and warrants that, at the time of the Bank's acceptance hereof, and unless an event of the nature described in paragraph (i) of this subsection (d) occurs, at all times subsequent thereto during the period up to and including twenty-five (25) days subsequent to the end of the underwriting period, the Official Statement does not and will not contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary to make the statements therein not misleading; and

(iii) Represents and warrants that, if the Official Statement is supplemented or amended pursuant to paragraph (i) of this subsection (d), at the time of each supplement or amendment thereto and (unless an event of the nature described in paragraph (i) of this subsection (d) subsequently occurs) at all times subsequent thereto during the period up to and including twenty-five (25) days subsequent to the end of the underwriting period, the Official Statement as so supplemented or amended will not contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary to make the statements therein not misleading; and

(iv) Unless otherwise notified in writing by the Underwriter by the date of Closing, the Bank can assume that the "end of the underwriting period" for purposes of Rule 15c2-12 is the Closing. In the event such notice is so given in writing by the Underwriter, the Underwriter agrees to notify the Bank in writing following the occurrence of the "end of the underwriting period" as defined in Rule 15c2-12. The "end of the underwriting period" as used in this Bond Purchase Agreement shall mean the date of Closing or such later date as to which notice is given by the Underwriter in accordance with the preceding sentence.

7. Closing. The Bank will deliver the Bonds by delivery thereof to Cede & Co., as nominee of The Depository Trust Company ("DTC") as directed by the Underwriter against payment of the purchase price therefore by wire transfer of immediately available funds to the Trustee at or prior to 9:00 o'clock a.m., Central Standard Time, on _____, 20__, or such other place, time or date as shall be mutually agreed upon by the Bank and the Underwriter. The

Bonds will be delivered in fully registered form in such denominations and registered to such persons as the Underwriter shall request at least three (3) days prior to the date of the Closing. The Bonds may be in printed, engraved, typewritten or photocopied form and each such form shall constitute "definitive form." The legal documents required by this Bond Purchase Agreement and the Official Statement shall be delivered to the parties hereto at the offices of Bond Counsel in Ridgeland, Mississippi, on such date or such other date corresponding with the payment for and delivery of the Bonds, and contemporaneously with such payment and delivery.

8. Closing Conditions. The Underwriter has entered into this Bond Purchase Agreement in reliance upon the representations, warranties and agreements of the Bank and the Municipality contained herein and to be contained in the documents and instruments to be delivered at the Closing and upon the performance by the Bank and the Municipality of their obligations hereunder, both as of the date hereof and as of the date of Closing. Accordingly, the Underwriter's obligations under this Bond Purchase Agreement to purchase and pay for the Bonds shall be subject to the performance by the Bank and the Municipality of their obligations to be performed hereunder and under such documents and instruments at or prior to the Closing, and shall also be subject to the following conditions:

(a) The representations and warranties of the Bank and the Municipality contained herein shall be true, complete and correct as of the date hereof, and on and as of the date of Closing with the same effect as if made on the date of Closing.

(b) At the time of the Closing, the Indenture and the Bond Resolutions shall be in full force and effect, and shall not have been amended, modified, or supplemented, and the Official Statement shall not have been amended, modified, or supplemented, except as may have been agreed to by the Underwriter.

Definitions

Capitalized terms used herein and not defined here should have the meaning ascribed thereto in APPENDIX E.

The Bank

The Bank was established in 1986 as a separate body corporate and politic of the State of Mississippi (the "**State**") for the public purposes set forth under the provisions of Sections 31-25-1 *et seq.*, Mississippi Code of 1972, as amended (the "**Bank Act**"). The Bank is governed by a Board of Directors composed of nine (9) members.

Pursuant to the Bank Act, the purpose of the Bank is to assist "local governmental units," as defined in the Bank Act to be (i) any county, municipality, utility district, regional solid waste authority, county cooperative service district or political subdivision of the State, (ii) the State or any agency thereof, (iii) the institutions of higher learning of the State, (iv) any education building corporation established for institutions of higher learning, or (v) any other governmental unit created under State law, such as the Municipality, through programs of purchasing the bonds, notes or evidences of indebtedness of such local governmental units under agreements between such local governmental units and the Bank. * Preliminary, subject to change.

Sources of Payment and Security for the Bonds

The Bonds will be issued by and under and secured by the Indenture. The principal of, redemption premium, if any, and interest on any and all of the Bonds, together with any Refunding Bonds that may be authorized and issued by the Bank under the Indenture on a parity with the Bonds (collectively, the "**Bonds**"), are payable from and secured by the pledge of the Trust Estate established under the Indenture, defined to be (i) cash and securities in the funds and accounts established by the Indenture (except the Rebate Fund) and the investment earnings thereon and all proceeds thereof, (ii) the Qualified Obligation and the earnings thereon and the proceeds thereof, and (iii) all funds, accounts and moneys hereinafter pledged to the Trustee as security by the Bank. All Bonds will be secured equally and ratably by all of the foregoing. The sources of payment for the Bonds are further described under the caption "SECURITY AND SOURCES OF PAYMENT FOR THE Bonds," and "APPENDIX A".

The full faith and credit and taxing power of the State are not pledged to the payment of the principal of, premium, if any, and interest on any of the Bonds. The Bonds are not a debt, liability, loan of the credit or pledge of the full faith and credit, moral obligation of the State or of any political subdivision thereof. The Bank has no taxing power and has only those powers and sources of revenue set forth in the Bank Act. The Bonds are issued and secured separately from any other obligations issued by the Bank.

The Qualified Obligation securing the Bonds is, however, a general obligation of the Municipality, secured by the full faith, credit and ad valorem taxing power of the Municipality. The Qualified Obligation is the \$_____ * General Obligation Bond, Series 2020 (Starkville, Mississippi, Parks and Recreation General Obligation Bond Project), which is being issued pursuant to the provisions of the Municipality Bond Resolution, the Bank Act, the Authority Act, and the Municipal Improvement Act). In addition to the Municipality's general obligation pledge for payment of the Qualified Obligation, the Act authorizes the Municipality to use the Special Sales Tax collected pursuant to the Authority Act to pay, first, debt service on the Qualified Obligation and then to fund other amounts as provided for under the Authority Act. The Special Sales Tax is not pledged to the payment of debt service on the Qualified Obligation. Under the Authority Act, the Qualified Obligation will not be included in the Municipality's legal debt limit proscribed by the Municipal Improvement Act. The Municipality will use proceeds of the Qualified Obligation to provide for the Project, including the acquisition and construction of the Sports Complex. See "APPENDIX A - Information concerning the Municipality and the Sports Complex" for a more detailed discussion of the Sports Complex (the "Sports Complex") and the Special Sales Tax (defined herein and more particularly described in "APPENDIX A" hereto). See also, "SECURITY AND SOURCES OF PAYMENT FOR THE Bonds" and "APPENDIX C."

Purpose of the Bonds

The Bonds are being issued pursuant to the Act to purchase the Qualified Obligation, which will provide the Municipality funds for the purpose of: (a) acquiring real property and constructing, equipping, owning, operating, leasing, furnishing, maintaining, and marketing new and existing sports tournament and recreational facilities of the Municipality, and for related purposes as authorized by the Authority Act, and to pay the principal of and interest on bonds issued pursuant to the Authority Act (the "Special Tax Authorized Purpose"), (b) erecting municipal buildings, auditoriums, community centers, gymnasiums and athletic stadiums, preparing and equipping athletic fields, and purchasing buildings or land therefor, and for repairing, improving, adorning and equipping the same; erecting or purchasing waterworks, gas, electric and other public utility plants or distribution systems or franchises, and repairing, improving and extending the same; establishing sanitary, storm, drainage or sewerage systems, and repairing, improving

and extending the same; protecting the municipality, its streets and sidewalks from overflow, caving banks and other like dangers; constructing, improving or paving streets, sidewalks, driveways, parkways, walkways or public parking facilities, and purchasing land therefor; purchasing land for parks and public playgrounds, and improving, equipping and adorning the same, including the constructing, repairing and equipping of swimming pools and other recreational facilities; constructing bridges and culverts; altering or changing the channels of streams and water courses to control, deflect or guide the current thereof; purchasing fire-fighting equipment and apparatus, and providing housing for same, and purchasing land therefor; purchasing machinery and equipment which have an expected useful life in excess of ten (10) years (the "General Municipal Improvements Authorized Purpose"), and (c) other authorized purposes under the Act, including paying capitalized interest, funding a debt service reserve fund, and paying the costs of issuance for the Bank Bonds and the Qualified Obligation.

Authority for Issuance

The Bonds are issued pursuant to the provisions of the Act and the Indenture.

Description of the Bonds

Redemption. The Bonds are subject to redemption prior to maturity as set forth under the caption "DESCRIPTION OF THE Bonds -- Redemption."

Denominations. The Bonds will be issued in denominations of \$5,000 or any integral multiple thereof.

Registration, Transfers, and Exchanges. The Bonds will be issued only as fully registered bonds and, when issued, will be registered in the name of Cede & Co., as nominee for DTC. Purchases of beneficial interests in the Bonds will be made in book entry only form. Purchasers of beneficial interests in the Bonds will not receive physical delivery of certificates representing their respective interests in the Bonds.

Payments. Interest on the Bonds is payable on _____ 1 and _____ 1 of each year, and, so long as DTC or its nominee is the Registered Owner of the Bonds, such interest, together with the principal of and redemption premium, if any, on the Bonds will be paid directly to DTC by the Trustee. The final disbursement of such payments to the Beneficial Owners of the Bonds will be the responsibility of the DTC Participants and the Indirect Participants, all as more fully defined and described herein under the caption "DESCRIPTION OF THE Bonds -- Book-Entry-Only System."

For a more complete description of the Bonds and the basic documentation pursuant to which the Bonds are being issued, see the captions "DESCRIPTION OF THE Bonds," "REVENUES, FUNDS AND ACCOUNTS," and "OPERATION OF FUNDS AND ACCOUNTS," in this Official Statement.

Tax Exemption

In the opinion of Bond Counsel, under existing laws, regulations, rulings, and judicial decisions, interest on the Bonds is excludable from gross income for federal tax purposes, with such excludability conditioned upon continuing compliance with certain tax covenants of the Bank and the Municipality. Interest on the Bonds is not an item of tax preference for purposes of the federal alternative minimum tax; however, for tax year beginning before January 1, 2018, interest on the Bonds is included in determining

adjusted current earnings for purposes of computing the alternative minimum taxable income on corporations.

Under existing laws, regulations, rulings, and judicial decisions, interest on the Bonds is exempt from State income taxation.

For a more complete description of the opinion of Bond Counsel and certain other income tax consequences incident to the ownership of the Bonds, see the caption "TAX MATTERS" in this Official Statement. See "APPENDIX D" for the proposed form of Bond Counsel opinion.

Professionals Involved in the Offering

_____, _____, _____, will act as Trustee under the Indenture for the Bonds. Government Consultants, Inc., Madison, Mississippi, is employed as Independent Registered Municipal Advisor to the Municipality (the "**Municipal Advisor**") with respect to the Bonds. Certain proceedings in connection with the issuance of the Bonds are subject to the approval of Jones Walker LLP, Jackson, Mississippi, Bond Counsel (the "**Bond Counsel**"). Certain legal matters will be passed upon for the Bank by Balch & Bingham LLP, Jackson, Mississippi, for the Underwriter by, _____, _____, _____, and for the Municipality by, _____, _____, _____. See the caption "LEGAL MATTERS" and "MISCELLANEOUS" in this Official Statement.

Offering and Delivery of the Bonds

Subject to the final approval of the legality thereof by Bond Counsel, the Bonds are expected to be available in definitive form for delivery on or about _____, 20__.

Risks to the Owners of the Bonds

There are certain risks involved in the ownership of the Bonds which should be considered by prospective purchasers. The ability of the Bank to pay principal of, redemption premium, if any, and interest on the Bonds depends primarily upon the receipt by the Bank of Qualified Obligation Payments from the Municipality which is obligated to make such payments to the Trustee as assignee of the Bank, together with investment earnings on certain amounts in the Funds and Accounts established under the Indenture. There can be no representation or assurance that the Municipality will levy and collect ad valorem taxes or collect Special Sales Taxes sufficient to make the required Qualified Obligation Payments. See the caption, "SECURITY AND SOURCES OF PAYMENT." Failure of the Bank and/or the Municipality to comply with certain tax covenants may also adversely affect the exempt status of the interest on all of the Bonds. See the caption "RISKS TO THE OWNERS OF THE Bonds" in this Official Statement.

This Official Statement speaks only as of its date, and certain information contained herein is subject to change.

Copies of other documents and information are available, upon request, and upon payment to the Bank of a charge for copying, mailing, and handling, from E.F. NO DEALER, BROKER, SALESMAN OR OTHER REPRESENTATIVE OF THE UNDERWRITER OR OTHER PERSON HAS BEEN AUTHORIZED TO GIVE ANY INFORMATION OR TO MAKE ANY REPRESENTATIONS OTHER THAN THOSE CONTAINED IN THIS OFFICIAL STATEMENT, AND, IF GIVEN OR MADE, SUCH OTHER INFORMATION OR REPRESENTATIONS MUST NOT BE RELIED UPON. THIS OFFICIAL STATEMENT DOES NOT CONSTITUTE AN OFFER TO SELL OR THE SOLICITATION OF AN OFFER TO BUY, AND THERE SHALL NOT BE ANY SALE OF THE BONDS BY ANY PERSON IN ANY JURISDICTION IN WHICH IT IS UNLAWFUL FOR SUCH PERSON TO MAKE SUCH OFFER, SOLICITATION OR SALE. There follows in this Official Statement a description of the security and sources of payment for the Bonds, the purposes and operation of the Bank's Program to be financed out of the proceeds of the Bonds, the Bank, and summaries of certain provisions of the Bonds, the Indenture, and certain provisions of the Act. All discussions of the Act and the Indenture are qualified in their entirety by reference to the Act and the Indenture, copies of which are available from the Bank, and all discussions of the Bonds are qualified in their entirety by reference to the definitive form and the information with respect to the Bonds contained in the Indenture. Certain information relating to the Municipality is set forth in "APPENDIX A," certain financial and economic information relating to the Municipality is set forth in "APPENDIX B," the form of the Municipality Bond Resolution and the Qualified Obligation is set forth in "APPENDIX C," the proposed form of opinion of Bond Counsel with respect to the Bonds is set forth in "APPENDIX D," certain definitions of certain terms used in this Official Statement are set forth in "APPENDIX E", and the form of the continuing disclosure certificate of the Municipality as set forth in "APPENDIX F". Each of the APPENDICES to this Official Statement is an integral part of this Official Statement and should be read in its entirety by any and all owners or prospective owners of the Bonds.

SECURITY AND SOURCES OF PAYMENT FOR THE BONDS

General

The Bonds are payable only out of the Trust Estate. The Indenture creates a continuing pledge of and lien upon the Trust Estate to secure the full and final payment of the principal of, premium, if any, and interest on all of the Bonds. The Bonds do not constitute a debt, liability or loan of the credit of the State or any political subdivision thereof under the constitution of the State or a pledge of the full faith and credit and taxing power or moral obligation of the State or any political subdivision thereof; provided, however, that the Qualified Obligation is a general obligation of the Municipality. The Bank has no taxing power. The sources of payment of, and security for, the Bonds are more fully described below.

Under the Indenture, the Bonds are secured by a pledge to the Trustee of the Qualified Obligation and all Qualified Obligation Payments, as described herein. In addition, the Indenture pledges to the payment of the Bonds all proceeds of the Trust Estate, including without limitation all cash and securities

held in the Funds and Accounts created by the Indenture, except for the Rebate Fund, together with investment earnings thereon and proceeds thereof (except to the extent transferred to the Rebate Fund or from such Funds and Accounts under the Indenture), and all other funds, accounts and moneys to be pledged by the Bank to the Trustee as security under the Indenture, to the extent of any such pledge.

The Municipality and the Qualified Obligation

From the proceeds of the Bonds, the Bank intends to purchase and, upon purchase, will the Qualified Obligation and all payments due thereunder by the Municipality to the Trustee as security for payment of the Bonds under the Indenture.

Provisions for Payment of the Qualified Obligation

The Qualified Obligation will be a general obligation of the Municipality. The Municipality Bond Resolution provides that the Municipality is unconditionally obligated to make payments secured by the full faith and credit of the Municipality in an aggregate amount sufficient, with any other funds available therefor, for the payment in full of the principal of, premium, if any, and interest on all Bonds issued and Outstanding under the Indenture, to the date of payment thereof, and certain costs, expenses and charges of the Bank and the Trustee.

In the Municipality Bond Resolution, the Municipality covenants to levy a direct, continuing Special Sales Tax upon all of the taxable property within the geographical limits of the Municipality, adequate and sufficient, after allowance shall have been made for the expenses of collection and delinquencies in the payment of taxes, to produce sums required for the payment of the principal of premium, if any, and the interest on the Qualified Obligation and any additional obligations of the Municipality under the Municipality Bond Resolution. The Qualified Obligation will be a general obligation of the Municipality payable as to principal and interest out of and secured by an irrevocable pledge of the avails of a direct and continuing tax to be levied annually without limitation as to rate or amount upon the taxable property within the geographical limits of the Municipality; provided, however, that such tax levy for any year shall be abated pro tanto to the extent the Municipality on or prior to September 1 of that year has transferred money to the Sports Park Bond Fund of the Qualified Obligation, or has made other provisions for funds, to be applied toward the payment of the principal of and interest on the Qualified Obligation due during the ensuing fiscal year of the Municipality, in accordance with the provisions of the Municipality Bond Resolution. Said tax shall be extended upon the tax rolls and collected in the same manner and at the same time as other taxes of the Municipality are collected, and the rate of tax which shall be so extended shall be sufficient in each year fully to produce the sums required as aforesaid, without limitation as to time, rate or amount. The avails of said tax are irrevocably pledged in the Municipality Bond Resolution for the payment of the principal of, premium, if any, and interest on the Qualified Obligation and any additional obligations of the Municipality as aforesaid as the same shall respectively mature and accrue.

Under and pursuant to the Authority Act and the referendum of the qualified electors of the Municipality held on _____, 20__, the Municipality is authorized to levy a special sales tax upon every person, firm or corporation operating a motel or hotel in the Municipality equal to two percent (2%) of the gross proceeds of room rentals for each such motel or hotel and a Special Sales Tax of the sales upon every person, firm or corporation operating a restaurant in the Municipality equal to two percent (2%) of the gross proceeds of the sales of restaurant (the "Special Sales Tax"). The Municipality levied and began collecting the Special Sales Tax on _____, 20__. Although the Special Sales Tax is not pledged to the payment of the debt service on the Qualified Obligation or Bonds, the Municipality intends to use the tax, first, to first pay scheduled debt service on the Qualified Obligation, and, then, to pay other amounts as provided for under the Act. See "APPENDIX A –INFORMATION CONCERNING THE

MUNICIPALITY AND THE SPORTS COMPLEX” hereto for a more detailed discussion of the Special Sales Tax and Sports Complex.

The Qualified Obligation will never, within the meaning of any constitutional or statutory limitation, be a debt, liability, or obligation of the State or any political subdivision of the State other than the Municipality, and neither the full faith and credit nor taxing power or moral obligation of the State or any political subdivision thereof, other than the Municipality, is pledged to the payment of the principal, premium, if any, and interest on the Qualified Obligation; provided, however, that the Qualified Obligation is a general obligation of the Municipality. Under the Authority Act, the Qualified Obligation will not be included in the Municipality's legal debt limit prescribed by Section 21-33-303 of the Municipal Improvement Act. The Qualified Obligation initially issued under the Municipality Bond Resolution shall be issued for the purposes of providing funds to finance costs of the Project. See "APPENDIX C" for further description of the Qualified Obligation and the Municipality Bond Resolution.

RISKS TO THE OWNERS OF THE BONDS

General

The Bonds will be payable solely from the payments to be made by the Bank under the Indenture. Pursuant to the Indenture, such payments are limited to Qualified Obligation Payments payable by the Municipality on the Qualified Obligation pursuant to the Municipality Bond Resolution. No reserve fund has been established for the payment of debt service on the Bonds or the Qualified Obligation. Purchasers of the Bonds are advised of certain risk factors with respect to the Qualified Obligation.

In addition, purchasers of the Bonds are advised of certain additional information in connection with the Municipality as set forth in "APPENDIX A" and "APPENDIX B."

No Reserve Funds

The ability of the Bank to pay principal of, redemption premium, if any, and interest on the Bonds depends primarily upon the receipt by the Bank of Qualified Obligation Payments from the Municipality which is obligated under the Municipality Bond Resolution to make such payments to the Bank, together with earnings on the amounts in the Funds and Accounts created under the Indenture sufficient to make such payments. There is no Indenture Fund or Account which is required to contain amounts to make up for any deficiencies in the event of one or more defaults by the Municipality in making such Qualified Obligation Payments, and there is no source from which the General Fund will be replenished except the Qualified Obligation Payments and investment income on moneys in the Funds and Accounts; and further, no reserve fund is created in the Indenture or the Municipality Bond Resolution to pay debt service on the Bonds or the Qualified Obligation.

Tax Covenants

The Bank has covenanted under the Indenture to use its best efforts to comply with all actions required to assure the continuing excludability of interest on the Bonds from gross income or federal income tax purposes. Failure by the Bank to comply with such covenants could cause the interest on the Bonds to be includable in gross income for federal income tax purposes retroactive to the date of issuance. Further, the Municipality has covenanted in the Municipality Bond Resolution that it will comply with certain requirements under the Code to ensure continuing excludability from gross income for federal income tax purposes of interest on the Qualified Obligation and the Bonds. Failure by the Municipality to comply with such requirements could cause the interest on such Bonds to be includable in

gross income for federal income tax purposes retroactive to the date of issuance. See the caption "TAX MATTERS."

Remedies

The remedies available to the Trustee, to the Bank or to the owners of the Bonds upon an Event of Default under the Indenture or under the terms of the Qualified Obligation purchased by the Bank are in many respects dependent upon judicial actions which are often subject to discretion and delay. Under existing constitutional and statutory law and judicial decisions, including specifically the Bankruptcy Code, the remedies provided in the Indenture and under the Qualified Obligation may not be readily available or may be limited. The various legal opinions delivered concurrently with the delivery of the Bonds and the Qualified Obligation may be qualified as to the enforceability of the various legal instruments by limitations imposed by general principles of equity and by bankruptcy, reorganization, insolvency or other similar laws affecting the rights of creditors generally.

Certain Bankruptcy Risks

In the event the Municipality were to become a debtor under the Bankruptcy Code, payments under the Municipality Bond Resolution may be stayed or under certain circumstances may be subject to avoidance or disgorgement and the interest of the Trustee in such payments may not extend to payments acquired after the commencement of such a bankruptcy case or within ninety (90) days prior thereto. Under existing Constitutional and statutory law and judicial decisions, including specifically the Bankruptcy Code, the remedies provided in the Municipality Bond Resolution and the Indenture may not be readily available or may be limited. The various legal opinions delivered concurrently with the delivery of the Qualified Obligation will be qualified as to the enforceability of the various legal instruments by limitations imposed by general principles of equity and by bankruptcy, reorganization, insolvency or other similar laws affecting the rights of creditors generally. Furthermore, if a bankruptcy court concludes that the Trustee has "adequate protection," it may enter orders affecting the security of the Trustee, including orders providing for the substitution, subordination and sale of the security of the Trustee. In addition, a reorganization plan may be adopted even though it has not been accepted by the Trustee if the Trustee is provided with the benefit of its original lien or the "indubitable equivalent." Thus, in the event of the bankruptcy of the Municipality, the amount realized by the Trustee may depend on the bankruptcy court's interpretation of "indubitable equivalent" and "adequate protection" under the then existing circumstances. The bankruptcy court may also have the power to invalidate certain provisions of the Municipality Bond Resolution, the Indenture, or related documents that make bankruptcy and related proceedings by the Municipality an Event of Default thereunder. All of these events would adversely affect the payment of debt service on the Bonds.

Limitation on Enforceability of Security Interests

The pledge of the full faith and credit granted by the Municipality in the Municipality Bond Resolution may be limited by a number of factors, including the ability to collect levied taxes. Under current law, such a pledge and assignment as attempted to be effected by the Municipality Bond Resolution may be further limited by the following: (a) statutory liens; (b) rights arising in favor of the United States of America or any agency thereof; (c) prohibitions against assignment set forth in federal statutes; (d) constructive trusts, equitable liens or other rights which might be impressed or conferred by any state or federal court in the exercise of equitable jurisdiction; (e) federal bankruptcy laws affecting taxes and other revenues of the Municipality received within ninety (90) days preceding and after any effectual institution of bankruptcy, liquidation or reorganization proceedings by or against the Municipality; (f) rights of third parties in revenues converted to cash and not in the possession of the

Trustee; and (g) sales, liens and/or pledges made by the Municipality. If an Event of Default does occur, it is uncertain that the Trustee could successfully obtain an adequate remedy at law or in equity.

Failure to Compel the Levy of Taxes on the Qualified Obligation

The Qualified Obligation will be a general obligation of the Municipality payable as to principal and interest out of and secured by an irrevocable pledge of the avails of a direct and continuing tax to be levied annually without limitation as to rate or amount by the Municipality upon the taxable property within the geographical limits of the Municipality; provided, however, that such tax levy for any year shall be abated pro tanto to the extent the Municipality on or prior to September 1 of that year has transferred money to the Sports Park Bond Fund of the Municipality Bond Resolution, or has made other provisions for funds, to be applied toward the payment of the principal of and interest on the Qualified Obligation due during the ensuing fiscal year of the Municipality, in accordance with the provisions of the Municipality Bond Resolution. The Municipality, when necessary, will levy annually a Special Sales Tax upon all taxable property within the geographical limits of the Municipality adequate and sufficient to provide for the payment of the principal of and the interest of the Qualified Obligation as the same falls due.

The qualified electors of the State of Mississippi voted in a general election held on November 7, 1995, to amend the Mississippi Constitution of 1890 (the "Constitution") to add the following new Section 172A (the "Amendment"):

SECTION 172A. Neither the Supreme Court nor any inferior court of this state shall have the power to instruct or order the state or any political subdivision thereof, or an official of the state or any political subdivision, to levy or increase taxes.

The Amendment does not affect the underlying obligation of the Municipality to pay the principal of and interest on the Qualified Obligation as it matures and becomes due, nor does it affect the obligation of the Municipality to levy a tax sufficient to accomplish that purpose. However, even though it appears that the Amendment was not intended to affect remedies of a holder of the Qualified Obligation in the event of a payment default, it potentially prevents such holder from obtaining a writ of mandamus to compel the levying of taxes to pay the principal of and interest on the Qualified Obligation in a Court of the State of Mississippi. It is not certain whether the Amendment would affect the right of a federal court to direct the levy of a tax to satisfy a contractual obligation. Other effective remedies are available to the holder of the Qualified Obligation in the event of a payment default with respect to the Qualified Obligation. For example, such holder can seek a writ of mandamus to compel the Municipality to use any legally available moneys to pay the debt service on the Qualified Obligation, and if such writ of mandamus is issued and public officials fail to comply with such writ, then such public officials may be held in contempt of court. In addition, pursuant to Mississippi Constitution §175, all public officials who are guilty of willful neglect of duty may be removed from office.

DESCRIPTION OF THE BONDS

General Description

The Bonds are issuable under the Indenture as fully registered bonds. When issued, the Bonds will be registered in the name of and held by Cede & Co., as nominee for DTC. Purchases of beneficial interests from DTC in the Bonds will be made in book-entry-only form (without certificates) in the denomination of \$5,000 or any integral multiple thereof (see the heading, "Book-Entry-Only System" under this caption).

The Bonds will mature in the amounts and on the dates, and bear interest at the rates per annum, set forth on the inside cover page of this Official Statement. Interest on the Bonds will be payable semiannually on _____ 1 and _____ 1 of each year, commencing _____, 20____. Interest will be calculated on the basis of a 360-day year consisting of twelve thirty-day months.

Each Bond will be dated the day of delivery. If any Bond is authenticated on or prior to the day of delivery, it will bear interest from such date. Each Bond authenticated after the day of delivery will bear interest from the most recent date on which interest was payable and has been paid on or prior to the date of authentication of such Bond, unless such Bond is authenticated after the fifteenth day of the calendar month preceding an Interest Payment Date (the "**Record Date**") and on or prior to the next following Interest Payment Date, in which case such Bond will bear interest from such following Interest Payment Date.

So long as DTC or its nominee is the Registered Owner of the Bonds, payments of the principal of, redemption premium, if any, and interest on the Bonds will be made directly by the Trustee by wire transfer of funds to Cede & Co., as nominee for DTC. Disbursement of such payments to DTC Participants will be the sole responsibility of DTC, and the ultimate disbursement of such payments to the Beneficial Owners, as defined herein, of the Bonds will be the responsibility of the DTC Participants and the Indirect Participants, as defined herein. See the heading, "**Book-Entry-Only System**" under this caption.

If the Bonds are no longer in a book-entry-only system, the principal of the Bonds will be payable upon maturity or redemption at the principal corporate trust office of the Trustee in Jackson, Mississippi, and interest on the Bonds will be paid by check of the Trustee dated the due date and mailed or delivered on or before the Business Day prior to each Interest Payment Date to the Registered Owners of record as of the close of business on the most recent Record Date or, at the written election of the Registered Owner of \$1,000,000 or more in aggregate principal amount of Bonds delivered to the Trustee at least one Business Day prior to the Record Date for which such election will be effective, by wire transfer to the Registered Owner or by deposit into the account of the Registered Owner if such account is maintained by the Trustee.

Book-Entry-Only System

Unless and until the book-entry-only system has been discontinued, the Bonds will be available only in book-entry form in principal amounts of \$5,000 or any integral multiple thereof. DTC will initially act as securities depository for the Bonds. The Bonds will be initially issued as fully-registered securities registered in the name of Cede & Co. (DTC's partnership nominee). One fully-registered Bond will be issued for each maturity of the Bonds and will be deposited with DTC or pursuant to DTC's FAST registration procedures.

The information provided under this caption has been provided by DTC. No representation has been made by the Bank, the Municipality or the Underwriter as to the accuracy or adequacy of such information, or as to the absence of material adverse changes in such information subsequent to the date hereof.

DTC, the world's largest securities depository, is a limited-purpose trust company organized under the New York Banking Law, a "banking organization" within the meaning of the New York Banking Law, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code, and a "clearing agency" registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 3.5 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money

market instruments (from over 100 countries) that DTC's Participants ("**DTC Participants**") deposit with DTC. DTC also facilitates the post-trade settlement among DTC Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between DTC Participants' accounts. This eliminates the need for physical movement of securities certificates. DTC Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation ("**DTCC**"). DTCC is the holding company for DTC, the National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly ("**Indirect Participants**"). DTC has a Standard & Poor's rating of AA+. The DTC Rules applicable to its Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at www.dtcc.com.

Purchases of Bonds under the DTC system must be made by or through DTC Participants, which will receive a credit for such Bonds on DTC's records. The ownership interest of each actual purchaser of each Bond ("**Beneficial Owner**") is in turn to be recorded on the Direct and Indirect Participants' records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Bonds are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in Bonds, except in the event that use of the book-entry system for the Bonds is discontinued.

To facilitate subsequent transfers, all Bonds deposited by DTC Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of Bonds with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not affect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Bonds; DTC's records reflect only the identity of the DTC Participants to whose accounts the Bonds are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to DTC Participants, by DTC Participants to Indirect Participants, and by DTC Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time. Beneficial Owners of the Bonds may wish to take certain steps to augment the transmission to them of notices of significant events with respect to the Bonds, such as redemptions, tenders, defaults and certain proposed amendments to the Indenture or Municipality Bond Resolution. For example, Beneficial Owners of the Bonds may wish to ascertain that the nominee holding the Bonds for their benefit has agreed to obtain and transmit notices to Beneficial Owners. In the alternative, Beneficial Owners may wish to provide their names and addresses to the Bond Registrar and request that copies of notices be provided directly to them.

Redemption notices shall be sent to DTC. If less than all of the Bonds are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in such Bonds to be redeemed.

Neither DTC nor Cede & Co., (nor any other DTC nominee) will consent or vote with respect to the Bonds unless authorized by a Direct Participant in accordance with DTC's MMI Procedures. Under its usual procedures, DTC mails an "Omnibus Proxy" to the Trustee as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those DTC Participants to whose accounts the Bonds are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Redemption proceeds, principal payments and interest payments on the Bonds will be made to Cede & Co. or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts upon DTC's receipt of funds and corresponding detailed information from the Bank or the Trustee, on the payable date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name", and will be the responsibility of such Participant and not of DTC, the Trustee, or the Bank subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of redemption proceeds, principal payments and interest payments to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the Bank or the Trustee, disbursement of such payments to DTC Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners will be the responsibility of Direct and Indirect Participants.

DTC may discontinue providing its services as depository with respect to the Bonds at any time by giving reasonable notice to the Bank or the Trustee. Under such circumstances, in the event that a successor depository is not obtained, Bond certificates are required to be printed and delivered.

The Bank may decide to discontinue use of the system of book-entry-only transfers through DTC (or a successor securities depository). In that event, Bond certificates in definitive form will be printed and delivered to DTC.

The information in this section concerning DTC and DTC's book-entry system has been obtained from sources that the Bank, the Municipality and the Underwriter believe to be reliable, but neither the Bank, the Municipality nor the Underwriter take any responsibility for the accuracy thereof.

So long as Cede & Co. is the registered holder of the Bonds as nominee of DTC, references herein to the Holders, holders, owners or Registered Owners of the Bonds mean Cede & Co. and not the Beneficial Owners of the Bonds.

THE BANK, THE TRUSTEE, THE MUNICIPALITY AND THE UNDERWRITER CANNOT AND DO NOT GIVE ANY ASSURANCES THAT THE DTC PARTICIPANTS OR THE INDIRECT PARTICIPANTS WILL DISTRIBUTE TO THE BENEFICIAL OWNERS OF THE BONDS (A) PAYMENTS OF PRINCIPAL OF, REDEMPTION PRICE OF OR INTEREST ON THE BONDS; (B) CERTIFICATES REPRESENTING AN OWNERSHIP INTEREST OR OTHER CONFIRMATION OF BENEFICIAL OWNERSHIP INTERESTS IN BONDS; OR (C) REDEMPTION OR OTHER NOTICES SENT TO DTC OR CEDE & CO., ITS NOMINEE, AS THE REGISTERED OWNERS OF THE BONDS, OR THAT THEY WILL DO SO ON A TIMELY BASIS OR THAT DTC OR DIRECT OR INDIRECT PARTICIPANTS WILL SERVE AND ACT IN THE MANNER DESCRIBED IN THIS OFFICIAL STATEMENT. THE CURRENT "RULES" APPLICABLE TO DTC ARE ON FILE WITH THE SECURITIES AND EXCHANGE COMMISSION AND THE CURRENT "PROCEDURES" OF DTC TO BE FOLLOWED IN DEALING WITH DTC PARTICIPANTS ARE ON FILE WITH DTC.

NEITHER THE BANK, THE MUNICIPALITY, THE TRUSTEE NOR THE UNDERWRITER WILL HAVE ANY RESPONSIBILITY OR OBLIGATIONS TO SUCH DTC PARTICIPANTS OR THE BENEFICIAL OWNERS WITH RESPECT TO (A) THE ACCURACY OF ANY RECORDS MAINTAINED BY DTC OR ANY DTC PARTICIPANT; (B) THE PAYMENT BY ANY DTC PARTICIPANT OF ANY AMOUNT DUE TO ANY BENEFICIAL OWNER IN RESPECT OF THE PRINCIPAL AMOUNT OF, REDEMPTION PRICE OF, OR INTEREST ON THE BONDS; (C) THE DELIVERY BY ANY DTC PARTICIPANT OF ANY NOTICE TO ANY BENEFICIAL OWNER WHICH IS REQUIRED OR PERMITTED UNDER THE TERMS OF THE INDENTURE TO BE GIVEN TO BONDHOLDERS; (D) THE SELECTION OF THE BENEFICIAL OWNERS TO RECEIVE PAYMENT IN THE EVENT OF ANY PARTIAL REDEMPTION OF THE BONDS; OR (E) ANY CONSENT GIVEN OR OTHER ACTION TAKEN BY DTC AS BONDHOLDER.

Redemption

Optional Redemption. The Bonds (or any portions thereof in integral multiples of \$5,000 each) maturing on or after _____ 1, 20__, are subject to redemption in whole or in part, in principal amounts and maturities selected by the Bank on any date on or after _____ 1, 20__, at par, plus accrued interest to the date of redemption. Under the Indenture, selection of Bonds to be redeemed within a maturity will be made by lot by the Trustee. In accordance with DTC's standard practices and its agreement with the Bank, DTC and the DTC Participants will make this selection so long as the Bonds are in book-entry form.

Notice of Redemption. Notice of the call for any redemption, identifying the Bonds (or any portions thereof in integral multiples of \$5,000 each) to be redeemed (which may be a conditional notice of redemption), will be given by the Trustee at least 30 days but not more than 45 days prior to the date fixed for redemption by mailing a copy of the redemption notice by registered or certified mail to the Registered Owner of each Bond to be redeemed at the address shown on the registration records and to the Underwriter of the Bonds. Failure to mail such notice to any particular owner of Bonds, or any defect in the notice mailed to any such owner of Bonds, will not affect the validity of the call for the redemption of any other Bonds. So long as DTC or its nominee is the Registered Owner of the Bonds, notice of the call for any redemption will be given to DTC, and not directly to Beneficial Owners. See the caption, "DESCRIPTION OF THE BOND -- Book-Entry-Only System."

Redemption Payments. The Trustee will apply funds deposited with the Trustee by the Bank in an amount sufficient to pay the Redemption Price of the Bonds, or portions thereof called, together with accrued interest thereon to the redemption date. After the redemption date, if proper notice of redemption by mailing has been given and sufficient funds have been deposited with the Trustee, interest will cease to accrue on the Bonds that have been called.

The Bank is not an agency of the State, is separate from the State in its corporate and sovereign capacity and has no taxing power.

The Bank is governed by a nine member Board of Directors. The members of the Board of Directors are elected by the members of the Mississippi Business Finance Corporation ("**MBFC**") at the time and place fixed by MBFC's by-laws. Appointments are for terms of one year. The members of the Board of Directors are as follows:

Prior Bonds of Bank

The purpose of the Bank is to foster and promote, in accordance with the Bank Act, the borrowing of funds for public purposes by local governmental units. Under the Program, the Bank has

previously issued bonds totaling in principal approximately \$_____. Of such amount, approximately \$_____ was outstanding as of _____, 20____. For approximately \$_____, in principal amount of bonds of the Bank outstanding, the State's Legislature may determine to appropriate funds to the extent of any deficiency in a reserve fund established for such outstanding Bank bonds.

The Bank is presently considering the issuance under the Bank Act of additional special obligation bonds for other purposes authorized under the Bank Act.

FUNDS AND ACCOUNTS

Creation of Funds and Accounts

The Indenture establishes the following special Funds and Accounts to be held by the Trustee:

1. General Fund - comprised of the following:
 - (a) General Account
 - (b) Purchase Account
 - (c) Redemption Account
 - (d) Bond Issuance Expense Account
2. Rebate Fund

Deposit of Net Proceeds of the Bonds, Revenues and Other Receipts

The Trustee will deposit the net proceeds from the sale of the Bonds as follows:

- (a) To the Bond Issuance Expense Account of the General Fund, the amount of \$_____ to pay a portion of the costs of issuance of the Bonds and the Qualified Obligation; and
- (b) To the Purchase Account of the General Fund, the sum of \$_____ to be used to purchase the Qualified Obligation to provide the Municipality funds to the Project.

The Trustee will deposit Revenues and other receipts (except the proceeds of the Bonds, interest earnings on any amounts in the Rebate Fund and moneys received by the Bank from the redemption prior to maturity of the Qualified Obligation) into the General Account of the General Fund based on the amount due under the Municipality Bond Resolution for the Qualified Obligation, and will deposit any moneys received from the redemption prior to maturity of Qualified Obligation in to the Redemption Account of the General Fund.

OPERATION OF FUNDS AND ACCOUNTS

General Fund

General Account. The Trustee will disburse the amounts held in the General Account for the following purposes, and, in the event of insufficient funds to make all of such required disbursements, in the following order of priority:

- (a) On or before any Interest Payment Date, to the Registered Owners such amounts as may be necessary to pay the principal and interest coming due on the Bonds on such Interest Payment Date.
- (b) Such amounts as may be necessary to pay any Program Expenses of the Bank.
- (c) On or before 30 days after each anniversary of the issuance of the Bonds, the amounts to be transferred to the Rebate Fund.
- (d) After making all required payments under subparagraphs (a) through (c) above, the Trustee shall make a determination of the amounts reasonably expected to be received in the form of Qualified Obligation Payments in the succeeding twelve (12) months and shall transfer all monies in the General Account, which, together with such expected receipts for the succeeding 12 months are in excess of the amounts needed to pay principal and interest on the Bonds within the immediately succeeding twelve month period, to the Municipality at the request of the Municipality with the prior written approval of the Bank.

Bond Issuance Expense Account. Upon receipt of invoices or requisitions acceptable to the Trustee, the Trustee will disburse the amounts held in the Bond Issuance Expense Account for the payment or reimbursement of the costs related to the authorization, sale, validation and issuance of the Bonds and the purchase and validation of the Qualified Obligation, which items of expense shall include, but not be limited to, printing costs, costs of reproducing documents, filing and recording fees, initial fees and charges of the Trustee, legal fees and charges, professional consultants' fees, municipal advisory fees and expenses, costs of credit ratings, fees and charges for execution, transportation and safekeeping of the Bonds, credit enhancements or liquidity facility fees (which may be paid directly by the Underwriter on the date of the issuance of the Bonds), and other costs, charges and fees in connection with the foregoing. On the date which is sixty (60) days after the date of issuance of the Bonds, any amounts remaining in the Bond Issuance Expense Account will be transferred to the General Account.

Purchase Account. Upon submission of duly authorized written requisitions of an authorized officer of the Bank stating that all requirements for purchases under the Act, the Indenture and the established policies of the Bank have been or will be met, the Trustee will disburse the amounts held in the Purchase Account to the Municipality for the purchase of the Qualified Obligation as described under the heading "Deposit of Net Proceeds of the Bonds, Revenues and Other Receipts".

Redemption Account. The Trustee will deposit in the Redemption Account all moneys received upon the redemption prior to maturity of the Qualified Obligation and will disburse the funds in the Redemption Account to redeem Bonds of such maturity or maturities as directed by an Authorized Officer if such Bonds are then subject to redemption.

Rebate Fund

Upon the direction of the Bank and in accordance with the arbitrage rebate agreement or similar document regarding the expenditures and investments of the proceeds of the Bonds provided by the Bank under the Indenture (the "**Arbitrage Rebate Agreement**"), the Trustee will deposit amounts for the benefit of the Bank from the General Account in the General Fund into the Rebate Fund and will deposit into the Rebate Fund all income from investments in the Rebate Fund. In the event and to the extent that amounts in the Rebate Fund exceed the amounts required to be rebated to the United States of America, the Trustee will transfer such excess amounts to the General Account in the General Fund upon the direction of the Bank in accordance with the Arbitrage Rebate Agreement.

Not more than 60 days after five years following the date of delivery of the Bonds, and at intervals of every five years thereafter, upon the written request of the Bank the Trustee will pay to the United States of America ninety percent (90%) of the amount required to be paid to the United States of America as of such payment date. Not later than 60 days following the retirement of all of the Bonds, upon the written request of the Bank the Trustee will pay to the United States of America one hundred percent (100%) the amount to be paid to the United States of America. Each payment to the United States of America will be accompanied by a statement of the Bank summarizing the determination of the amount of such payment, together with copies of any reports originally filed with the Internal Revenue Service with respect to the Bonds.

With respect to the Rebate Fund, the Bank may direct the Trustee to proceed other than as set forth in the Indenture and described above by delivering to the Trustee a new Arbitrage Rebate Agreement accompanied by an Opinion of Bond Counsel to the effect that compliance with such memorandum will not adversely affect the excludability from gross income for federal income tax purposes of the interest on the Bonds.

Amounts Remaining in Funds

Any amounts remaining in any Fund or Account after full payment of all of the Bonds outstanding under the Indenture, all required rebates to the United States of America and the fees, charges and expenses of the Trustee will be distributed to the Municipality, except as required by the Indenture regarding payment to holders of nonpresented Bonds.

Investment of Funds

Any moneys held as part of any Fund or Account created under or pursuant to the Indenture including the Rebate Fund shall be invested or reinvested by the Trustee as continuously as reasonably possible in such Investment Securities as may be directed by the Municipality (such direction to be confirmed in writing). All such investments shall at all times be a part of the Fund or Account in which the moneys used to acquire such investments had been deposited and, except as provided in the Indenture, all income and profits on such investments, other than from moneys on deposit in the Rebate Fund or any Account created thereunder, shall be deposited as received in the General Account of the General Fund for the Funds and Accounts for the Bonds. The Trustee may make any and all such investments through its bond department or through the bond department of any financial institution which is an affiliate of the Trustee and may trade with itself or any of its affiliates in doing so. Moneys in separate Funds and Accounts for the Bonds may be commingled for the purpose of investment or deposit, and moneys in separate Funds. Any investment losses shall be charged to the Fund or Account in which moneys used to purchase such investment had been deposited. For so long as the Trustee is in compliance with the provisions of the Indenture, the Trustee shall not be liable for any investment losses. Moneys in any Fund or Account shall be invested in Investment Securities with a maturity date, or a redemption date which

shall coincide as nearly as practicable with times at which moneys in such Funds or Accounts will be required for the purposes thereof. The Trustee shall sell and reduce to cash a sufficient amount of such Investments in the respective Fund or Account whenever the cash balance therein is insufficient to pay the amounts contemplated to be paid therefrom at the time those amounts are to be paid. All investment income from the assets held in any Fund or Account, except for the Rebate Fund and any Accounts created thereunder, will be added to the General Account of the General Fund for the Funds and Accounts for the Bonds.

The Bank has certified in the Indenture to the owners of the Bonds from time to time Outstanding that moneys on deposit in any Fund or Account in connection with the Bonds, whether or not such moneys were derived from the proceeds of the sale of the Bonds or from any other sources, are not intended to be used in a manner which will cause the interest on the Bonds to lose the exclusion from gross income for federal income tax purposes.

THE BONDS AS LEGAL INVESTMENTS

The Bonds shall be legal investments in which all public officers and public bodies of this State, its political subdivisions, all municipalities and municipal subdivisions, all insurance companies and associations, trust companies, savings banks and savings associations, investment companies and other persons carrying on a banking business, all administrators, guardians, executors, trustees and other fiduciaries, and all other persons whatsoever who are now or may hereafter be authorized to invest funds, including capital, in their control or belonging to them. The Bonds are also hereby made securities which may properly and legally be deposited with and received by all public officers and bodies of the State or any agency or political subdivisions of the state and all municipalities and public corporations for any purpose for which the deposit of bonds or other obligations of the State is now or may hereafter be authorized by law.

LITIGATION

There is not now pending or, to the Bank's knowledge, threatened any litigation restraining or enjoining the issuance, sale, execution or delivery of the Bonds or prohibiting the Bank from purchasing the Qualified Obligation with the proceeds of such Bonds or in any way contesting or affecting the validity of the Bonds, any proceedings of the Bank taken with respect to the sale or issuance thereof or the pledge or application of any moneys or security provided for the payment of the Bonds. Neither the creation, organization nor existence of the Bank nor the title of any of the present Directors nor other officers of the Bank to their respective offices is being contested.

There is not now pending or, to the knowledge of the Municipality, threatened any litigation restraining or enjoining the sale, issuance, execution or delivery of the Qualified Obligation or prohibiting the Municipality from selling the Qualified Obligation to the Bank or in any way contesting or affecting the validity of the Qualified Obligation, any proceedings of the Municipality taken with respect to the sale or issuance thereof or the pledge or application of any moneys or security provided for the payment of the Qualified Obligation.

TAX TREATMENT OF ORIGINAL ISSUE DISCOUNT

The initial public offering prices each maturity of the Bonds maturing on _____ 1 of the years _____ through _____ (the "**Discount Bonds**") are being offered and sold to the public at an original issue discount ("**OID**") from the amounts payable at maturity thereon. OID is the excess of the

stated redemption price at maturity (the principal amount) over the "issue price" of a Discount Bond. The issue price of a Discount Bond is the initial offering price to the public (other than to bond houses, brokers or similar Persons acting in the capacity of underwriters or wholesalers) at which a substantial amount of the Discount Bonds of the same maturity is sold pursuant to that offering. For federal income tax purposes, OID accrues to the owner of a Discount Bond over the period to maturity based on the constant yield method, computed semiannually (or over a shorter permitted compounding interval selected by the owner). The portion of OID that accrues during ownership of a Discount Bond (a) is interest excludable from the owner's gross income for federal income tax purposes to the same extent, and subject to the same considerations discussed above, as other interest on the Bonds, and (b) is added to the owner's tax basis for purposes of determining gain or loss on the maturity, redemption, prior sale or other disposition of that Discount Bond. A purchaser of a Discount Bond in the initial public offering at the price for that Discount Bond stated on the inside cover of this Official Statement who holds that Discount Bond to maturity will realize no gain or loss upon the retirement of that Discount Bond.

Owners of Discount Bonds should consult their own tax advisers as to the federal tax consequences and the treatment of bond discount for purposes of state and local taxes on income.

TAX TREATMENT OF ORIGINAL ISSUE PREMIUM

The initial public offering prices of each maturity of the Bonds maturing _____ 1 in the years 20__ through and including 20__ (collectively, the "**Premium Bonds**"), are more than the amounts payable at the maturity dates thereof as set forth on the inside front cover of this Official Statement. Under the Code, the difference between the principal amount of a Premium Bond and the cost basis of such Premium Bond to its owner (other than an owner who holds such a Premium Bond as inventory, stock in trade or for sale to customers in the ordinary course of business) is "bond premium." Bond premium is amortized over the term of such a Premium Bond for federal income tax purposes. The owner of a Premium Bond is required to decrease his basis in such Premium Bond by the amount of amortizable bond premium attributable to each taxable year he holds the Premium Bond. The amount of the amortizable bond premium attributable to each taxable year is determined on an actuarial basis at a constant interest rate compounded on each interest payment date. The amortizable bond premium attributable to a taxable year is not deductible for federal income tax purposes.

Owners of Premium Bonds should consult their own tax advisors with respect to the precise determination for federal income tax purposes of the treatment of bond premium upon sale, redemption or other disposition of Premium Bonds and with respect to state and local tax consequences of owning and disposing of Premium Bonds.

TAX MATTERS

In the opinion of Bond Counsel interest on the Bonds is excludable from gross income for federal income tax purposes, pursuant to Section 103 of the Code. The opinion of Jones Walker LLP, is based on certain certifications, covenants and representations of the Bank and the Municipality (collectively, "**Tax Covenants**") and is conditioned on continuing compliance therewith.

The Code imposes certain requirements which must be met subsequent to the issuance of the Bonds as a condition to the excludability from gross income of interest on the Bonds for federal tax purposes. Non-compliance with such requirements may cause interest on the Bonds to be includable in gross income for federal income tax purposes retroactive to its date of issue irrespective of the date on which such noncompliance occurs. Should the Bonds bear interest that is not excludable from gross income for federal income tax purposes, the market value of the Bonds would be materially and adversely affected. The Tax Covenants include covenants that (i) the Bank and the Municipality will not take or fail

to take any action with respect to the Bonds if such action or omission would result in the loss of the exclusion from gross income for federal income tax purposes of interest on the Bonds, and neither the Bank nor the Municipality will act in any other manner which would adversely affect such exclusion; (ii) the Bank and the Municipality will not make any investment or do any other act or thing during the period that the Bonds are outstanding which would cause the Bonds to be "arbitrage bonds" within the meaning of Section 148 of the Code; and (iii) if required by the Code, the Bank and the Municipality will rebate any necessary amounts to the United States of America. It is not an event of default under the Indenture if interest on the Bonds is not excludable from gross income for federal tax purposes or otherwise pursuant to any provision of the Code, which is not in effect on the date of issuance of the Bonds.

The interest on the Bonds is not a specific preference item for purposes of the federal alternative minimum taxes. However, for tax years beginning before January 1, 2018, interest on the Bonds is included in adjusted current earnings in calculating alternative minimum taxable income on corporations.

Although Bond Counsel has rendered an opinion that interest on the Bonds is excludable from federal gross income and that the Bonds are exempt from State of Mississippi income tax, the accrual or receipt of interest on the Bonds may otherwise affect a bondholder's federal income tax or State of Mississippi tax liability. The nature and extent of these other tax consequences will depend upon the bondholder's particular tax status and a bondholder's other items of income or deduction. Taxpayers who may be affected by such other tax consequences include, without limitation, financial institutions, certain insurance companies, S corporations, certain foreign corporations, individual recipients of Social Security or railroad retirement benefits and taxpayers who may be deemed to have incurred (or continued) indebtedness to purchase or carry the Bonds. Bond Counsel expresses no opinion regarding any other such tax consequences. Prospective purchasers of the Bonds should consult their own tax advisors with regard to the other tax consequences of owning the Bonds.

In the opinion of Bond Counsel interest on the Bonds is exempt from income taxation in the State of Mississippi under existing laws, regulations, rulings and judicial decisions. This opinion relates only to the exemption of interest on the Bonds for State of Mississippi income tax purposes.

From time to time, there are legislative proposals introduced and regulatory actions proposed or announced at the federal or state level that, if enacted, could alter or amend directly or indirectly relevant federal and state tax matters, including, without limitation, those mentioned hereinabove or could adversely affect the market value of the Bonds. It cannot be predicted whether or when or in what form any such legislative or regulatory proposal might be enacted or implemented or whether if enacted or implemented it would apply to tax exempt obligations such as the Bonds issued prior to enactment or implementation. In addition, from time to time, litigation is threatened or commenced which, if concluded in a particular manner, could adversely affect relevant tax matters or the market value of the Bonds. It cannot be predicted how any particular litigation or judicial action will be resolved or whether the Bonds or the market value thereof would be impacted thereby. Purchasers of the Bonds should consult their tax advisors regarding any pending or proposed legislation, regulatory initiatives or litigation. The opinions expressed by Bond Counsel are based upon existing legislation and regulations as interpreted by relevant judicial and regulatory authorities as of the date of issuance and delivery of the Bonds and Bond Counsel has expressed no opinion as of any date subsequent thereto or with respect to any pending or proposed legislation, regulatory initiatives or litigation.

LEGAL MATTERS

Certain legal matters incident to the authorization and issuance of the Bonds by the Bank are subject to the approval of Bond Counsel whose approving opinion will be delivered concurrently with the delivery of Bonds. Certain legal matters will be passed upon for the Bank by its counsel, Balch &

Bingham LLP, Jackson, Mississippi, for the Underwriter by its counsel, _____, _____, _____, and for the Municipality by its counsel, Christopher J. Latimer, Mitchell, McNutt & Sams, P.A., Tupelo, Mississippi.

Jones Walker LLP, Jackson, Mississippi, is also serving as bond counsel for the Municipality in connection with the issuance and sale of the Qualified Obligation.

The remedies available to the Trustee, to the Bank or to the owners of the Bonds upon an Event of Default under the Indenture or under the terms of the Qualified Obligation purchased by the Bank are in many respects dependent upon judicial actions which are often subject to discretion and delay. Under existing constitutional and statutory law and judicial decisions, including specifically the Bankruptcy Code, the remedies provided in the Indenture and under the Municipality Bond Resolution may not be readily available or may be limited. The various legal opinions to be delivered concurrently with the delivery of the Bonds will be qualified as to the enforceability of the various legal instruments by limitations imposed by bankruptcy, reorganization, insolvency or other similar laws affecting the rights of creditors generally (regardless of whether such enforceability is considered in a proceeding in equity or in law), by general principles of equity (regardless of whether such proceeding is considered in a proceeding in equity or at law) and by the valid exercise of the constitutional powers of the State and the United States of America.

FORM OF BOND COUNSEL OPINION

FORM OF BOND COUNSEL OPINION

Re: \$_____ Mississippi Development Bank Special Obligation Bonds, Series 20__ (Starkville, Mississippi, Parks and Recreation General Obligation Bond Project), dated the date of delivery thereof (the “Bonds”)

Ladies and Gentlemen:

We have acted as Bond Counsel in connection with the issuance by the Mississippi Development Bank (the “Issuer”) of the above described Bonds, pursuant to an Indenture of Trust (the “Indenture”), dated as of _____, 2018, by and between the Issuer and _____, _____, _____, as Trustee (the “Trustee”). The Bonds are being issued by the Issuer for the principal purpose of providing funds for the purchase of the \$_____ General Obligation Bond, Series 20__ (Starkville, Mississippi, Parks and Recreation General Obligation Bond Project) (the “Qualified Obligation”) being issued by the City of Starkville, Mississippi (the “Municipality”) to provide funds for the purpose of: (a) acquiring real property and constructing, equipping, owning, operating, leasing, furnishing, maintaining, and marketing new and existing sports tournament and recreational facilities of the Municipality, and for related purposes as authorized by the Authority Act, and to pay the principal of and interest on bonds issued pursuant to the Authority Act (the “Special Tax Authorized Purpose”), (b) erecting municipal buildings, auditoriums, community centers, gymnasiums and athletic stadiums, preparing and equipping athletic fields, and purchasing buildings or land therefor, and for repairing, improving, adorning and equipping the same; erecting or purchasing waterworks, gas, electric and other public utility plants or distribution systems or franchises, and repairing, improving and extending the same; establishing sanitary, storm, drainage or sewerage systems, and repairing, improving and extending the same; protecting the municipality, its streets and sidewalks from overflow, caving banks and other like dangers; constructing, improving or paving streets, sidewalks, driveways, parkways, walkways or public parking facilities, and purchasing land therefor; purchasing land for parks and public playgrounds, and improving, equipping and adorning the same, including the constructing, repairing and equipping of swimming pools and other recreational facilities; constructing bridges and culverts; altering or changing the channels of streams and water courses to control, deflect or guide the current thereof; purchasing fire-fighting equipment and apparatus, and providing housing for same, and purchasing land therefor; purchasing machinery and equipment which have an expected useful life in excess of ten (10) years (the “General Municipal Improvements Authorized Purpose”), and (c) other authorized purposes under the Act, including paying capitalized interest, funding a debt service reserve fund, and paying the costs of issuance for the Bank Bonds and the Qualified Obligation.

We have examined the law and a certified transcript of proceedings of the Issuer relative to the authorization, issuance and sale of the Bonds and such other papers as we deem necessary to render this opinion, including (a) the tax covenants and representations of the Issuer made in the Indenture and in the Arbitrage Certificate and in the Arbitrage Rebate Agreement, each dated _____, 20__ (together, the “Arbitrage Certificate”) by the Issuer and the Municipality, and (b) the tax covenants and representations of the Municipality made in a resolution (the “Municipality Bond Resolution”) adopted by the Mayor and Board of Aldermen of the Municipality on _____, 20__, and in the Arbitrage Certificate. Together the covenants and representations made in the Indenture, the Municipality Bond Resolution and the Arbitrage Certificate are referred to herein as the “Tax Representations and Covenants”.

Capitalized terms not defined herein shall have the definitions as set forth in the Indenture and the Municipality Bond Resolution.

Regarding facts material to our opinions, we have relied upon the certified transcript of proceedings of the Issuer and the Municipality and other certificates of public officials, including the Tax Representations and Covenants, and have not undertaken to verify any facts by independent investigation.

Based upon our examination, and subject to the assumptions and the qualifications herein, we are of the opinion, as of the date hereof, as follows:

1. The Bonds are legal, valid and binding limited obligations of the Issuer enforceable in accordance with the terms thereof. The Bonds are payable from and secured only by the certain payments and funds to be received by the Issuer and the Trustee and pledged to the Bonds under the Indenture.

2. The Indenture is a valid and binding agreement of the Issuer enforceable in accordance with its terms. The Indenture creates the valid pledge which it purports to create in the Funds and Accounts under the Indenture and the Qualified Obligation, including the investments thereof (excepting therefrom the Rebate Fund), subject to the application thereof to the purposes and on the conditions permitted by the Indenture.

3. Under and pursuant to the Act, the Bonds and interest thereon are exempt from all income taxes imposed by the State of Mississippi (the "State").

4. Under existing statutes, regulations, rulings and court decisions, subject to the assumption stated below, interest on the Bonds is excludable from gross income for federal income tax purposes. Furthermore, interest on the Bonds is not an item of tax preference for purposes of the federal alternative minimum; however, for the tax year beginning before January 1, 2018, interest on the Bonds is taken into account in determining adjusted current earnings for purposes of computing the federal alternative minimum tax imposed on corporations. We express no opinion regarding other federal tax consequences resulting from the ownership of, receipt or accrual of interest on, or disposition of the Bonds. In rendering the opinion contained in this paragraph 4, we have assumed continuing compliance with the requirements of the Internal Revenue Code of 1986, as amended (the "Code"), that must be met by the Issuer and the Municipality after the issuance of the Bonds, including the Tax Representations and Covenants, in order that interest on the Bonds not be included in gross income for federal income tax purposes. The failure to meet such requirements may cause interest on the Bonds to be included in gross income for federal income tax purposes retroactive to the date of issuance of the Bonds. The Bank and the Municipality have covenanted in the Tax Representatives and Covenants to comply with or to require compliance with the requirements of the Code in order to maintain the exclusion of interest on the Bonds from gross income for federal income tax purposes.

Owners of the Bonds should consult their own tax advisors as to the applicability and effect on their federal income taxes of any other collateral federal income tax consequences.

In this opinion letter issued in our capacity as Bond Counsel, we are opining only upon those matters set forth herein, and we are not passing upon the accuracy, adequacy or completeness of any statements made in connection with any offer, placement or sale of the Bonds or upon any federal or state tax consequences arising from the receipt or accrual of interest on or the ownership or disposition of the Bonds, except those specifically addressed herein.

In rendering the foregoing opinions, we have assumed the accuracy and truthfulness of all public records and of all certificates, resolutions, documents and other proceedings examined by us that have been executed or certified by public officials acting within the scope of their official capacities and have not verified the accuracy or truthfulness thereof. We also have assumed the genuineness of the signatures appearing upon such public records, certifications, resolutions, documents and proceedings.

It is to be understood that the rights of the owners of the Bonds and the enforceability of the Bonds and the Indenture may be subject to bankruptcy, insolvency, reorganization, moratorium and other similar laws affecting creditors' rights heretofore or hereafter enacted and that their enforcement may be subject to the exercise of judicial discretion in accordance with general principles of equity.

In rendering the opinions in paragraphs 1 and 2 above, we have relied upon the opinion of Balch & Bingham, LLP, Jackson, Mississippi, as Counsel to the Issuer, as to the due authorization, execution, and delivery by and enforceability against the Issuer of the Bonds and the Indenture.

This opinion letter is issued as of the date hereof and we assume no obligation to revise or supplement this opinion letter to reflect any facts or circumstances that may hereafter come to our attention or any changes in law that may hereafter occur.

Very truly yours,

JONES WALKER LLP

The Municipality will provide notice of such amendment or waiver to the MSRB.

If the Municipality chooses to include any information in any Annual Report or notice of occurrence of a Material Event in addition to that which is specifically required by this Disclosure Certificate, the Municipality shall have no obligation under this Disclosure Certificate to update such information or include it in any future Annual Report or notice of occurrence of a Material Event.

Commencing at the Northeast Corner of Section 8, Township 18 North, Range 14 East, Oktibbeha County, Mississippi and run West for a distance of 5284.65 feet; thence South for a distance of 4036.09 feet to an iron pin found at the West corner of Lot 7; thence North 59 degrees 11 minutes 03 seconds East along the said South Railroad Right of Way for a distance of 2768.77 feet to a concrete right-of-way marker at the intersection of the Railroad South right-of-way and the West right-of-way of Ms. Highway 25; thence South 07 degrees 01 minutes 30 seconds East along the West right-of-way of Ms. Highway 25 a distance of 992.40 feet to a concrete right-of-way marker; thence South 00 degrees 11 minutes 48 seconds West along said west right-of-way, a distance of 235.02 feet; thence South 00 degrees 11 minutes 48 seconds West along said west right-of-way, a distance of 45.00 feet to the intersection of the centerline of Corporate Drive and the West right-of-way of Ms. Highway 25- said point also being the POINT OF BEGINNING of the centerline of Corporate Drive. From the POINT OF BEGINNING run North 89 degrees 34 minutes 25 seconds West, a distance of 39.16 feet to a point of curve to the right having a radius of 320.00 feet; chord length of 312.98 feet and a chord bearing of North 60 degrees 17 minutes 47 seconds West; thence northwesterly along the arc a distance of 327.03 feet to the POINT OF ENDING. Said Corporate Drive having a total right-of-way width of 90.00 feet- 45.00 feet left of and 45.00 feet right of the previously described centerline.

Said roadway being located in the Southwest quarter of Section 8, Township 18 North, Range 14 East, Oktibbeha County, Mississippi and contains 0.76 acres (32948 Sq. Ft.), more or less.

It is understood and agreed between Grantor and Grantee that in consideration for the fee simple transfer of the 0.76 acre parcel State of Mississippi does hereby release all of the remaining roadway easement area set forth and described in the Special Warranty Deed from Oktibbeha County Economic Development Authority filed November 25, 2013 and recorded in Deed Book 2013 at page 7091.

The purpose of this conveyance and release of easement is in recognition of the fact that when the property was originally transferred to State of Mississippi it was anticipated that the entire area surrounding the subject property would be developed into an industrial park area. Since the original conveyance in 2013 it has been determined by OCEDA and City of Starkville, Mississippi that the best use for the remaining property is for said property to be developed into a community recreational area for recreational sports and as such, it has become necessary to release the roadway easement area originally granted to State of Mississippi since it runs through the center of the area to be developed into a city recreational park.

Use and possession of the within described property by the State of Mississippi shall be exercised by and through the Mississippi Department of Public Safety, an agency of the State of Mississippi, with an address at Post Office Box 958, Jackson, Mississippi 39205

(Telephone Number 601-325-1575). It is understood and agreed by and between Grantor and Grantee that such use and possession shall not be a limitation on the grant herein and that there shall be no limitation on the right of Grantee to assign or reassign use and possession of the Property to another agency of the State, or to otherwise dispose of the Property.

Grantors warrants that the property herein conveyed is not subject to ad valorem taxation.

5. At said time and place, six (6) bids for the Bonds (attached hereto as **Attachment B**) were received, examined, and should be considered by the Governing Body, said bids having heretofore been presented to and being on file with the Clerk.

6. The Governing Body finds and determines that the highest and best bid made for the Bonds on the basis of the lowest net interest cost over the life of the Bonds was made by Duncan-Williams, Inc., Memphis, Tennessee (the "Underwriter"), and further finds that said bid was accompanied by a cashier's check, certified check, or exchange, payable to the Governing Body in the amount of One Hundred Seventy Thousand Dollars (\$170,000), and issued or certified by a bank located in the State of Mississippi, as a guaranty that said bidder would carry out its contract and purchase the Bonds if its bid be accepted.

7. The Governing Body further authorizes the Clerk to endorse upon a copy or duplicate of the highest and best offer a suitable notation as evidence of the acceptance thereof, for and on behalf of the Municipality.

8. Pursuant to the Notice of Bond Sale for the Bonds, the Underwriter has the right to designate a bank to act as paying agent, registrar, and transfer agent for the Bonds (the "Paying Agent") subject to the approval of the Municipality. In order that the designation may be made in a timely fashion, the Mayor and/or Clerk should be authorized to approve or disapprove the designation by the Underwriter, without the necessity of further action by the Governing Body.

At least thirty (30) days before the redemption date of any Bonds, the City Clerk shall cause a notice of any such redemption, either in whole or in part, signed by the City Clerk, (1) to be filed with the Paying Agent (as hereinafter defined) and (2) to be mailed, postage prepaid, to all Registered Owners of the Bonds; then, if such notice as they appear on the registration books of the Paying Agent, but failure to so file or mail any such notice shall not affect the validity of the proceedings for such redemption. PURPOSE: The Bonds are being issued to provide funds for improvements, repairs, and extensions to the System.

FORM OF BIDS: Bids should be addressed to the Governing Body and should be plainly marked "Bid for MS000020 Electric System Revenue Bonds, Series 2020, of the City of Starkville, Mississippi," and should be filed with the City Clerk of the Municipality on or prior to 3:00 p.m. on Tuesday, February 18, 2020. A bid should be submitted on the Official Bid Form prepared by the Municipality, copies of which may be obtained from the Municipality.

INTEREST RATE AND BID PREMIUM: The bid shall not be a greater or less than maximum interest rate to maturity than thirteen percent (13%) per annum, nor shall the interest rate for any one maturity exceed twenty percent (20%) per annum. No bond shall bear more than one (1) rate of interest. Each bond shall bear interest from its date to its stated maturity date at the interest rate specified in the bid; all Bonds of the same maturity shall bear the same rate of interest from date to maturity; and the lowest interest rate specified shall not be less than twenty percent (20%) of the highest interest rate specified. Each interest rate specified in any bid must be a multiple of one-eighth of one percent (1/8 of 1%) or one-tenth of one percent (1/10 of 1%), and a zero rate of interest cannot be awarded.

GOOD FAITH DEPOSIT: Each bid must be accompanied by a cashier's check, certified check, or exchange, issued or certified by a bank located in the State of Mississippi, payable to the Governing Body of the Municipality, in the amount of One Hundred Seventy Thousand Dollars (\$170,000), as a guaranty that the bidder will carry out its contract and purchase the Bonds if so bid be accepted. All checks of unsuccessful bidders will be returned immediately on award of the Bonds. If the successful bidder fails to purchase the Bonds pursuant to its bid and contract, then the amount of such good faith check shall be returned by the Municipality as liquidated damages for such failure. No interest will be allowed on the amount of the good faith deposit.

AWARD OF BONDS: The award, if any, will be made to the bidder complying with the terms of the bid and offering to purchase the Bonds at the lowest net interest cost to the Municipality, which shall be determined by comparing the aggregate interest on the Bonds over the life of the issue at the rate or rates of interest specified by the bidder, less premium offered, if any. It is required that each bid be accompanied by a statement of the net interest cost computed to six decimal places, but such statement will not be considered a part of the bid. All bids shall remain firm until an award of the Bonds or rejection of bids, will be made by the Governing Body at the regular meeting of the Governing Body on 5:00 p.m. on Tuesday, February 18, 2020.

RIGHT OF REJECTION, CANCELLATION: The Governing Body reserves the right to reject any or all bids submitted, as well as in any or in whole any irregularity or informality in any bid. The successful bidder shall have the right, at its option, to cancel its agreement to purchase the Bonds if the Bonds are not tendered for delivery within sixty (60) days from the date of sale thereof, and in such event the Governing Body shall return to said bidder its good faith deposit. The successful bidder shall have the right, at its option, to cancel its agreement to sell the Bonds, if within five (5) days after the tender of the Bonds for delivery the successful bidder shall not have accepted delivery of and paid for the Bonds, and in such event the Governing Body shall retain the successful bidder's good faith deposit as liquidated damages as hereinafter provided.

PAYING AGENT, TRANSFER AGENT, AND REGISTRATION: The successful bidder may designate a bank or trust company located within the State of Mississippi to serve as paying agent (the "Paying Agent") for the Bonds within forty-eight (48) hours of the date of the sale of the Bonds, subject to the approval of the Board. The Board's approval of the Paying Agent shall be contingent on a determination as to the willingness and ability of the Paying Agent to perform the duties of registration and transfer agent and on the satisfactory negotiation of service fees. The Paying Agent shall be subject to review by the Governing Body at the discretion of the Board. The Governing Body may provide in the Bond Resolution under which the Bonds are issued, that principal of and interest on the Bonds will be payable by check or draft mailed to Registered Owners of the Bonds on the fifteenth (15) day of the month preceding the maturity date for each principal or interest payment at the addresses appearing in the registration records of the Municipality maintained by the Paying Agent. The Bonds will be transferable only upon the books of the Paying Agent, and possession of properly assigned maturity shall be deemed notice of the proper presentation and surrender of the Bonds to the Paying Agent.

DELIVERY: The successful bidder must designate within twenty (20) days of the date of sale of the Bonds at which time said designation may be designated by the Governing Body, the name and address of the Registered Owners of the Bonds and the Government in which the Bonds of each maturity are to be issued. If the successful bidder fails to submit such information within the

required time, the Bonds may be issued for each maturity in the first annual maturity on that date registered on the name of the successful bidder. The Bonds will be delivered at a place to be designated by the purchaser and without cost to the purchaser, and payment thereof shall be made in immediately available funds.

CUSIP NUMBERS: It is anticipated that CUSIP identification numbers will be printed on the Bonds unless specifically stated by the purchaser, but either the failure to print such number on any Bond nor any error or misprint thereon shall constitute cause for a failure or refusal by the purchaser thereof to accept delivery of and pay for the Bonds in accordance with the terms of the purchase contract. All expenses in relation to the printing of CUSIP numbers on the Bonds shall be paid by the Municipality; the CUSIP Service Bureau charge for the assignment of said numbers shall be the responsibility of and shall be paid for by the purchaser.

LEGAL OPINION, CLOSING DOCUMENTS: The Bonds are offered subject to the unqualified approval of the legality thereof by Jones Walker LLP, Jackson, Mississippi, as Bond Counsel. In the opinion of Bond Counsel, interest on the Bonds is excluded from gross income for purposes of federal and Mississippi income taxes under existing laws, regulations, rulings, and judicial decisions, or in such exceptions, as shall be described in the Official Statement for the Bonds. A copy of the opinion of Bond Counsel, together with the usual closing papers, including a solicitation certificate dated the date of delivery of the Bonds, evidence that no litigation is pending or may be affecting the legality of the Bonds or the recovery proceeds for the payment of the principal and interest thereon, and a statement of the proceeds relating to the Bonds, will be delivered to the successful bidder without charge. The Municipality will pay for all legal fees and will pay for the printing and validation of the Bonds.

BONDS NOT QUALIFIED TAX-EXEMPT INVESTMENTS: The Municipality has not designated the Bonds as qualified tax-exempt investments within the meaning and for purposes of Section 140(b) of the Code.

INFORMATION FROM PURCHASER: The purchaser must certify to the Municipality the initial offering price to the public (excluding bond houses, brokers, and other intermediaries) of each maturity of the Bonds at which a substantial amount of Bonds of that maturity were sold, to enable the Municipality to compute the yield on the Bonds for federal arbitrage law purposes.

CONTINUING DISCLOSURE: In order to avoid bidders complying with S.E.C. Rule 15c2-12(b)(4), the Municipality will undertake, pursuant to the Bond Resolution and a Continuing Disclosure Agreement, to provide any of reports and notices of certain events. A description of the undertaking is set forth in the Preliminary Official Statement and will also be set forth in the Official Statement. Failure of the Municipality to deliver the Continuing Disclosure Agreement at the time of issuance and delivery of the Bonds shall relieve the successful bidder from its obligation to purchase the Bonds.

MUNICIPAL BOND INSURANCE: Pursuant to the Bond Resolution, the Governing Body has authorized prospective bidders to obtain municipal bond insurance to guarantee the payments of the principal of and interest on the Bonds.

REOFFERING CERTIFICATE: The winning bidder must provide Bond Counsel with the offering prices and yields for the Bonds as will purchase on the day Bonds are issued upon the conclusion of the offering. See above under "AWARD OF BONDS." The offering prices and yields so provided will be printed on the inside cover of the final official statement relating to the Bonds (the "Final Official Statement").

The winning bidder shall meet the Municipality in establishing the issue price of the Bonds and shall execute and deliver to the Municipality a Closing Certificate or similar certificate setting forth the reasonably expected initial offering price to the public or the sales price or prices of the Bonds, together with the supporting pricing, sales or equivalent communication, in a form reasonably required by the Municipality's Municipal Advisor and Bond Counsel.

The Municipality intends that the provisions of Secondary Regulation Section 1.44(b)(1)(ii) (defining "competitive sale" for purposes of establishing the issue price of the Bonds) will apply to the initial sale of the Bonds (the "competitive sale requirements") because (1) the Municipality shall disseminate this Notice of Sale to potential purchasers in a manner that is reasonably designed to reach potential purchasers; (2) all bidders shall have an equal opportunity to bid; (3) the Municipality will not receive bids from at least three purchasers of municipal bonds who have established industry reputations for underwriting new issuances of municipal bonds; and (4) the Municipality anticipates marketing the sale of the Bonds to the bidder who submit a firm offer to purchase the Bonds at the highest price (or lowest interest cost), as set forth in this Notice of Sale.

In the event that the competitive sale requirements are not satisfied, the Municipality shall so advise the winning bidder. The Municipality shall then set the initial price at which 10% of a maturity of the Bonds (the "10% test") will be sold to the public at the issue price of the maturity, applied on a maturity-by-maturity basis. The winning bidder shall advise the Municipality if any maturity of the Bonds satisfies the 10% test as of the date and time of the award of the Bonds. The Municipality will not require bidders to comply with the "10% test" (the "offering price rule") and shall determine the issue price to the public on the date of the award of the Bonds. If any maturity of the Bonds as the issue price of that maturity. Bids will not be subject to cancellation in the event that the competitive sale requirements are not satisfied. Bidders should prepare their bids on the assumption that all of the maturities of the Bonds will be subject to the 10% test in order to establish the issue price of the Bonds.

If the competitive sale requirements are not satisfied, then until the 10% test has been satisfied as to each maturity of the Bonds, the winning bidder agrees to promptly report to the Municipality the public bids for the Bonds of that maturity that are not sold to the public. This reporting obligation shall continue, whether or not the Closing Date has occurred, until the 10% test has been satisfied as to the Bonds of that maturity or until all Bonds of that maturity have been sold.

By submitting a bid, each bidder confirms that: (a) any agreement among purchasers, any selling group agreement and each retail distribution agreement (to which the bidder is a party) relating to the initial sale of the Bonds to the public, together with the related pricing, interest, and/or any other certain language obligating each purchaser, which data is a member of the

selling group and each broker-dealer that is a party to such retail distribution agreement, as applicable, to report the prices at which a seller sells to the public the amount of Bonds of each maturity offered to the public, if it is satisfied by the winning bidder that either the 10% test has been satisfied as to the Bonds of that maturity or all Bonds of that maturity have been sold to the public, if and for so long as directed by the winning bidder and as set forth in the related pricing, interest, and/or any other certain language obligating each purchaser, which data is a member of the selling group and each broker-dealer that is a party to such retail distribution agreement to report the prices at which it sells to the public the amount of Bonds of each maturity offered to the public, if it is satisfied by the winning bidder or each purchaser that either the 10% test has been satisfied as to the Bonds of that maturity or all Bonds of that maturity have been sold to the public, if and for so long as directed by the winning bidder or each purchaser and as set forth in the related pricing, interest, and/or any other certain language obligating each purchaser, which data is a member of the selling group and each broker-dealer that is a party to such retail distribution agreement.

Sales of any Bonds to any person that is a related party to any purchaser shall not constitute sales to the public for purposes of this Notice of Sale. Further, for purposes of this Notice of Sale, (i) "public" means any person other than: (a) a purchaser or a related party; (ii) "underwriter" means (A) any person that agrees pursuant to a written contract with the Municipality (or with the local underwriter in form of an underwriting syndicate) to participate in the initial sale of the Bonds to the public; and (B) any person that agrees pursuant to a written contract directly or indirectly with a person described in clause (A) to participate in the initial sale of the Bonds to the public (including a member of a selling group or a party to a retail distribution agreement participating in its initial sale of the Bonds to the public); (iii) a purchaser of any of the Bonds is a "related party" to an underwriter if the underwriter and the purchaser are subject to the same ownership, control, or management; (iv) "ownership" means the ownership of the Bonds or the total value of their stock, if both entities are corporations (including direct ownership by one entity of another); (v) more than 50% common ownership of the capital interests or profit interests, if both entities are partnerships (including direct ownership by one partnership of another); or (vi) more than 50% common ownership of the value of the underlying stock of the corporation or the capital interests or profit interests of the partnership, as applicable; and (vii) "related party" means the other entity is a partnership (including direct ownership of the applicable stock or interests by one entity of the other); and (viii) "sale date" means the date that the Bonds are awarded by the Municipality to the winning bidder.

Failure to provide the offering prices and yields, or such certificate in a form satisfactory to Bond Counsel, may result in cancellation of the sale and/or forfeiture of the winning bidder's good faith deposit.

FURTHER INFORMATION: The Municipality has prepared a Preliminary Official Statement which discloses, for purposes of S.E.C. Rule 15c2-12, to be filed and complete as of its date, except for the omission of the offering prices, interest rates and any other terms of the Bonds depending on such matters, subject to revision, amendment, and completion in a final Official Statement. By submission of a bid, the successful bidder is deemed to have certified that it has obtained and reviewed the Preliminary Official Statement. Upon the award of the Bonds, the Municipality will publish an Official Statement in substantially the same form as the Preliminary Official Statement, subject to revision, amendments, and revisions as required to complete the Preliminary Official Statement. The Municipality will forward sufficient copies of the Official Statement to the successful bidder of the Bonds without charge within seven (7) business days after the award of the bid. If a bidder is not the successful bidder, the bidder will be deemed to have agreed to supply to the Municipality all necessary pricing information and any purchaser in the bond house advertisement determined by the Municipality to be necessary in the Official Statement within twenty-four (24) hours after the award of the Bonds. A copy of the Preliminary Official Statement may be obtained from the Municipality.

By order of the Mayor and Board of Aldermen of the City of Starkville, Mississippi, on January 21, 2020.

If Lessee breaches this Lease or vacates the premises prior to expiration of the Lease, Lessor may accelerate the term of this Lease and declare all rents for the remaining term to be immediately due and payable. In addition, if the Lessee should vacate the Leased Premises, for any reason, prior to the expiration of the Lease, Lessee shall be liable to Lessor, in addition to all other damages and remedies arising from Lessee's breach of the lease, for reasonable costs and expenses incurred in attempting to re-rent the Leased Premises.

Lessee shall repair any damage to the Leased Premises caused by its removal of signage.

7. MAINTENANCE. Lessee shall maintain and keep the Leased Premises in good condition, including, without limitation, clean, free of hazards and waste, and in a safe condition, and shall return the Leased Premises in the same condition as at the beginning of the term and to a condition purposed for its original intent and use as an airport hangar, reasonable wear and tear excepted. Lessor, at its own cost and expense, shall maintain, repair and make replacements of the following: roof, foundation, concrete floors, interior and exterior walls, windows, doors, and all HVAC, electrical, plumbing and other mechanical systems within and exclusively serving the Leased Premises. Lessee will promptly give Lessor written notice of any known defect or need for repairs, after which Lessor will have reasonable opportunity to make repairs or cure the defect.

8. JANITORIAL. As additional rent, Lessee shall contribute a prorated payment for janitorial and custodial services reasonably necessary to keep the interior of the office in a neat, clean and orderly condition and appearance.

9. INSURANCE AND INDEMNITY. Lessee and Lessor each agrees to maintain, and provide proof of said insurance to the other party, at its own expense, general public liability insurance written by responsible insurance carriers licensed to do business in the State of Mississippi with policy limits of not less than One Million Dollars (\$1,000,000.00) for any claim arising out of any one occurrence, provided that with respect to any occurrence for which liability is limited by the Mississippi Tort Claims Act, such policy may provide for policy limits not less than the amount of the statutory limitation on recoverable damages. Said insurance shall provide for contractual liability coverage to cover the obligations assumed herein. Lessee agrees to provide proof of liability insurance to the Airport Manager for any and all aircraft based, operated or maintained at Starkville Bryan Field. Each party also agrees to maintain worker's compensation insurance for its employees, as required by law. Lessor further agrees to maintain property insurance on the Leased Premises on a replacement cost basis, subject to such deductions and exceptions as the Lessor may determine.

Lessee agrees to indemnify, defend and hold harmless Lessor, its representatives, elected officials, employees and agents against any and all claims, liabilities, damages, costs, penalties, fines and expenses, including reasonable attorneys' fees, arising from any act or omission of Lessee in connection with its use and occupancy of the Leased Premises.

10. ASSIGNMENT AND SUBLETTING. Lessee shall not assign this lease or sublet all or any part of the Leased Premises without Lessor's prior written consent, such consent not to be unreasonably withheld.

11. NON-DISCRIMINATION. Lessee, for itself, its managers, members, employees, representatives, and successors in interest, as a part of the consideration for this Lease Agreement, does hereby covenant and agree as a covenant running with the land that it will comply with pertinent statutes, executive orders and rules as are promulgated to assure that no persons shall, on the grounds of race, creed, color, national origin, sex, age or handicap be excluded from participating in any activity conducted with or benefiting from Federal assistance. This provision obligates the Lessee or its transferee for the period during which Federal assistance is extended to the airport program, except where Federal assistance is to

provide, or is in the form of personal property or real property or interest therein or structures or improvements thereon. In these cases, the provision obligates the party or any transferee for the longer of the following periods:

(a) the period during which the property is used by the sponsor or any transferee for a purpose for which Federal assistance is extended, or for another purpose involving the provision of similar services or benefits; or

(b) the period during which the airport sponsor or any transferee retains ownership or possession of the property. In the case of contractors, this provision binds the contractors from the bid solicitation period through the completion of the contract.

12. RIGHT OF FLIGHT. There is hereby reserved to Lessor, its successors and assigns, for the use and benefit of the public, a right of flight for the passage of aircraft in the airspace above the surface of the premises hereby leased, together with the right to cause in said airspace such noise as may be inherent in the operation of aircraft, now known or hereafter used for navigation of or flight in the air, using said airspace for landing at, taking off from, or operating on the Airport.

13. OBSTRUCTIONS. Lessee by accepting this lease expressly agrees for itself, its managers, members, employees, representatives, and successors in interest, that it will not erect or permit the erection of any structure or object that would constitute an obstruction to air navigation in the opinion of Airport. In the event the aforesaid covenant is breached, Lessor reserves the right to enter upon the land leased hereunder and to remove the offending structure or object which shall be at the expense of Lessee.

14. RIGHT TO DEVELOP AIRPORT. It is further covenanted and agreed that Lessor reserves the right to further develop or improve the Airport and all roadways, parking areas, terminal facilities, landing areas and taxiways, except on the Leased Premises, as it may see fit, regardless of the desires or views of Lessee and without interference or hindrance.

15. RIGHT TO AMEND. In the event that the Federal Aviation Administration or its successor requires modifications or changes in this lease as a condition precedent to the granting of funds for the improvement of the Airport, Lessee agrees to consent to such amendments, modifications, revisions,

supplements, or deletions of any of the terms, conditions or requirements of this Agreement as may be reasonably required to obtain such funds, subject to Lessee's right to terminate the lease on thirty (30) days prior written notice if Lessee does not agree to such modifications or changes.

16. COVENANT AGAINST LIENS. Lessee shall not permit any lien to be attached to the Leased Premises by reason of any act or omission of Lessee.

17. HOLDOVER. In the event Lessee continues to occupy the Leased Premises after the expiration of the term of this lease, a monthly tenancy, terminable by either party on one month's notice, shall be created upon the same terms and conditions as set forth herein.

18. SUBORDINATION OF AGREEMENTS. This Lease Agreement shall be subordinate to the provisions and requirements of any existing agreement between and the United States of America, related to the development, operation or maintenance of the Airport or any grant. In the event of future agreements between the parties aforesaid, this Lease Agreement shall subordinate to the provisions and requirements of such future agreements.

19. WASTE. (a) Lessee shall, at Lessee's own expense, comply with any and all environmental laws pertaining to health or the environment, including, without limitation, the Comprehensive Environmental Response, Compensation and Liability Act of 1980, as amended by the Superfund Amendments and Reauthorization Act of 1986 (as amended), (hereinafter called "CERCLA"), the Resource Conservation and Recovery Act of 1976, as amended by the Used Oil Recycling Act of 1980, the Solid Waste Disposal Act and Amendments of 1980, the Hazardous and Solid Waste Disposal Act Amendments of 1984, (hereinafter called "RCRA") or any other law, rule, regulation, order or ordinance relating to the environment, hazardous or toxic materials or waste, as defined herein, or other controlled or regulated substances. Lessee shall, at Lessee's own expense, make all submissions to, provide all information to, and comply with all requirements of the Environmental Protection Agency (the "Agency") or any other agency or government division or department having jurisdiction, for purposes of compliance with all applicable environmental laws, rules, regulations, orders and ordinances. In the event the Agency or any other governmental agency, division or department should determine that a clean-up plan must be prepared and

that a clean-up must be undertaken because of spills or discharges of hazardous substances or waste, as defined herein, at, on or under the leased premises which occurred during the term of this lease and were caused solely by Lessee's actions or omissions, Lessee, at its expense, shall cause such clean-up plan to be prepared and cause such clean-up to be undertaken. Lessee's failure to abide by the terms of this article shall be restrainable by injunction.

(b) Lessee shall provide, at its sole expense, complete and proper arrangement for the adequate sanitary handling and disposal, away from the Airport and in compliance with all applicable laws, regulations and orders, of all trash, garbage, oil, fuel products and other refuse generated due to the operation of Lessee's business. Lessee shall have sole responsibility for the proper handling, storage, transportation and removal of hazardous materials, hazardous waste, toxic waste, infectious waste and petroleum waste (all of which materials and substances shall hereinafter be referred to as "Waste") generated by Lessee or used, stored or transported for Lessee's benefit on the leased premises. Lessee shall strictly comply with all state and federal environmental laws and regulations, including proper record keeping. Lessee shall provide for the removal of all such Waste with reputable, responsible companies, and Lessee will provide to Lessor certificates of proper disposal or destruction. No such Waste shall be placed in regular trash or garbage receptacles or dumpsters. Lessee shall notify Lessor upon receipt of any environmental complaints by third parties or the release of any Waste which is caused by Lessee or a third party as soon as is reasonably possible, but in no event later than forty-eight (48) hours after receipt of the complaint or after the release of the Waste.

(c) Lessee shall maintain the real property upon which the premises are located free of contamination from any of such Waste generated by Lessee or used, stored or transported for Lessee's benefit. Lessee shall bear the expense of remediating any Waste caused by Lessee's actions or omissions and returning the property upon which the premises is located, or any of the real property described herein contaminated by Lessee, to its original, uncontaminated state. In the event that it becomes necessary for Lessor to enter the premises to conduct an environmental assessment, to remediate or clean up any contamination, such entry, remediation or clean-up shall not waive any rights of recovery against Lessee.

(d) The provisions of this agreement regarding Lessee's indemnification of Lessor shall apply to any claim or assertion made against Lessor and any fine, penalty, settlement or award made against Lessor arising out of or in connection with any act or omission of Lessee, its officers, employees or contractors, resulting in a violation of any federal or state environmental laws or regulations, or breaches of this Article, or resulting in the improper release, spillage, storage, disposal or transportation of Lessee's Waste. This indemnity covenant shall survive the termination or expiration of this lease.

20. DEFAULT. If Lessee should fail to pay rent or is otherwise in default of this lease by violation of any terms or provisions of this Agreement, Lessor shall have the right to evict Lessee and shall have any and all recourse against the Lessee provided by this Lease and by law, and all remedies shall be cumulative and non-exclusive. Lessee agrees to pay Lessor's reasonable attorney's fees and expenses incurred in enforcing any of the terms and provisions of this Lease, in collecting past due rent, and in recovering possession from Lessee, should the service of an attorney be retained by Lessor in so doing.

In the event that Lessor defaults under the terms of this Lease, Lessee shall give Lessor written notice specifying the nature of the default and Lessor shall have thirty (30) days after receipt of such notice to cure said default. Any default by Lessor which shall continue uncured shall give Lessee the right to terminate the Lease in addition to all available rights or remedies, in law or in equity.

21. DAMAGES TO PREMISES. Lessor shall not be liable for any damages or injury to Lessee, or any other person, or to any property, occurring on the Leased Premises or any part thereof, or in common areas of the Starkville Municipal Airport grounds, unless such damages is the proximate result of the negligence or unlawful act of Lessor, its agents or employees.

22. GOVERNING LAW. The laws of the State of Mississippi shall govern the interpretation, validity, performance and enforcement of this Lease. RECITALS:

1. WHEREAS, the Board of Supervisors of the County is the duly elected and serving governing authority of the County (the "County Governing Authority");
2. WHEREAS, the Mayor and Board of Aldermen of the City are the duly elected and serving governing authority of the City (the "City Governing Authority" and together with the County Governing Authority, the "Governing Authorities" and each a "Governing Authority");
3. WHEREAS, pursuant to the provisions of the Interlocal Act, cited as Section 17-13-1 *et seq.*, of the Mississippi Code of 1972, as amended (the "Code"), local governmental units (such as the Parties), in order to make the most efficient use of their powers, may cooperate and contract with one another for mutual advantage, and thereby provide services and facilities in a manner that will accord best with geographic, economic, population and other factors to serve the needs and development of such local governmental units;
4. WHEREAS, Code Section 17-13-1 *et seq.* provides that local governmental units of the State of Mississippi (the "State") may contract to jointly exercise and carry out any power, authority or responsibility exercised or capable of being exercised by each local governmental unit individually;
5. WHEREAS, effective as of October 1, 2014, the County entered into a professional services agreement with the Golden Triangle Development LINK, a Mississippi nonprofit corporation (the "LINK") for the LINK to provide professional economic development services to the County and the City (the "LINK Contract");
6. WHEREAS, effective as of October 1, 2014, the County and the City entered into an agreement pursuant to which the County agrees to direct the LINK to also provide professional economic services to the City as part of the LINK's obligations under the LINK contract to recruit and promote economic development throughout the County;
7. WHEREAS, pursuant to the LINK Contract, the City and County directed the LINK in 2016 to assist them with the identification of one or more locations within the City and the County to develop a new industrial park in order to attract more technology- and manufacturing-based enterprises to locate and invest in, and create new, better quality job opportunities for the citizens of, the City and the County;
8. WHEREAS, in early 2017, the LINK subsequently identified a group of parcels located near the intersection of Highway 82 and Highway 389 in the City and, due to, among other factors, the very close proximity of such properties to Highways 82 and 25 (two four-lane highways) and the availability of utilities at or near the properties, the LINK recommended to both the City and the County that they jointly develop such properties as a new industrial park;
9. WHEREAS, in furtherance of the development of such new industrial park at the location recommended by the LINK, the Parties entered into that certain Regional Economic Development Alliance Agreement, dated as of September 7, 2016 (as the same has been or may be amended, amended and restated, or otherwise modified from time to time, the "REDA Agreement") pursuant to Sections 57-64-1 *et seq.*, Mississippi

Code of 1972, as amended (the "Regional Economic Development Act") for the purpose of jointly funding, developing and operating the Northstar Park located near the intersection of Highway 82 and Highway 389 in the City (the "Northstar Park") and economic development projects located or to be located therein;

10. WHEREAS, pursuant to the Regional Economic Development Act, Code section 21-33-301 *et seq.*, and Code section 19-9-1 *et seq.*, each of the Parties issued general obligation bonds in 2017 for the purpose of funding the acquisition and development of the Northstar Park near the intersection of Highway 82 and Highway 389 in the City in order to attract more technology- and manufacturing-based enterprises to locate and invest in, and create new, better quality job opportunities for the citizens of, the City and the County;

12. WHEREAS, for purposes of this Agreement, any such economic development projects located or to be located in the Northstar Park, which are (i) recommended by the LINK and (ii) are eligible for a fee-in-lieu of ad valorem taxes pursuant to Code sections 27-31-104 and/or 105(2), shall be referred to as "Qualified Projects;"

13. WHEREAS, in the event that both the City and County issue bonds or incur other permitted indebtedness thereof in the same aggregate principal amounts in order to fund any purposes authorized by the Regional Economic Development Act, Code section 21-33-301 *et seq.*, Code section 19-9-1 *et seq.*, and/or other applicable State laws, for the purpose of promoting and supporting the location and development of one or more Qualified Projects in the Northstar Park (in any such instance "Qualified Project Debt"), each Party (a) desires to issue or otherwise incur the same aggregate principal amount of any Qualified Project Debt that is issued or otherwise incurred by the other Party, and (b) desires to share equally with the other Party (*i.e.*, on a 50/50 split basis) the aggregate amount of all ad valorem taxes and/or fees-in-lieu of ad valorem taxes (except for those taxes and/or fees-in-lieu of taxes levied otherwise payable for school purposes in accordance with State law) received by both Parties from any Qualified Project for which both Parties issue or otherwise incur Qualified Project Debt in equal amounts in support thereof;

14. WHEREAS, because the respective ad valorem millage rates of the Parties are not, and in the future may not be, the same, it is necessary for the Parties to enter into this Agreement pursuant to the Interlocal Act in order to enable the Parties to equally share (*i.e.*, on a 50/50 split basis) the aggregate amount of all ad valorem taxes and/or fees-in-lieu of ad valorem taxes (except for those taxes and/or fees-in-lieu of taxes levied otherwise payable for school purposes in accordance with State law) received by both Parties from any Qualified Project for which both Parties issue or otherwise incur Qualified Project Debt in equal amounts in support thereof;

15. It is in the best interests of the citizens of the City and the County that the City and the County enter into and execute this Agreement.

NOW, THEREFORE, FOR AND IN CONSIDERATION OF THE ABOVE AND THE MUTUAL BENEFITS ACCRUING TO THE CITY AND THE COUNTY, THE CITY AND THE COUNTY DO HEREBY AGREE AS FOLLOWS:

SECTION 3. Qualified Project Debt. The Parties hereby agree that this Agreement will apply to any Qualified Project located or to be located in the Northstar Park for which the Parties issue or otherwise incur Qualified Project Debt (*i.e.*, bonds or other indebtedness in equal aggregate principal amounts for the purpose of any purposes authorized by the Regional Economic Development Act, Code section 21-33-301 *et seq.*, Code section 19-9-1 *et seq.*, and/or other applicable State laws, for the purpose of promoting and supporting the location and development of one or more Qualified Projects in the Northstar Park). For purposes of clarification, this Agreement shall not apply to any Qualified Project or any other economic development project for which one or both of the Parties issue any bonds or otherwise incur any indebtedness in any ratio other than in equal principal amounts. Unless otherwise agreed upon by the Parties pursuant to a written amendment to this Agreement approved and executed by each of the respective Governing Authorities, each Party shall be solely responsible for any Qualified Project Debt or any other indebtedness incurred thereby, whether incurred in connection with a Qualified Project or for any other purpose whatsoever..

SECTION 4. Revenue Sharing Agreement. In the event that both Parties issue or otherwise incur Qualified Project Debt (*i.e.*, bonds or other indebtedness in equal aggregate principal amounts for the purpose of any purposes authorized by the Regional Economic Development Act, Code section 21-33-301 *et seq.*, Code section 19-9-1 *et seq.*, and/or other applicable State laws, for the purpose of promoting and supporting the location and development of one or more Qualified Projects in the Northstar Park), the Parties hereby agree that they shall, following the issuance or incurrence of such Qualified Project Debt, each be entitled to receive and retain one-half (1/2) of the following revenues derived from each Qualified Project for which such Qualified Project Debt was issued or otherwise incurred:

(a) all ad valorem taxes collected, including ad valorem taxes on inventories, other than ad valorem taxes for school district and community college purposes and the mandated levies described in Code Section 27-39-329, derived from any and all real and personal property, including ad valorem taxes on inventories, derived from each such Qualified Project (the "Available Taxes"); and

(b) all fees-in-lieu of ad valorem taxes collected (other than fees-in-lieu of ad valorem taxes apportionable and due to the public school district and community college pursuant to applicable State law) derived from each such Qualified Project ("Available Fee-in-Lieu Payments" and together with Available Taxes, the "Available Revenue").

On or before April 1 of each year during the term hereof, the County shall remit to the City that portion of the Available Revenues received thereby in connection with the property valuation assessments conducted in the immediately preceding year. Furthermore, any fee-in-lieu of ad valorem tax agreement entered into by the City and County for a Qualified Project shall expressly provide for the equal allocation of Available Fee-in-Lieu Payments to the City and County, as prescribed above.

SECTION 5. Amendment. No amendment or modification to this Agreement shall be effective unless reduced to writing and duly signed by both Parties. No waiver of any breach of this Agreement by any Party shall be construed to be a waiver of any succeeding breach. This Agreement has been fully negotiated and shall not be construed against either Party as a result of the preparation of this Agreement.

SECTION 6. Organization. There will be no separate legal or administrative entity created pursuant to this Agreement.

SECTION 7. Term. This Agreement shall remain in full force and effect indefinitely, unless terminated by written agreement of both Parties.

SECTION 8. Future Legislation. The Parties understand and agree that, while the Parties have the authority to enter into an interlocal cooperation agreement such as this Agreement, any such agreement may be subject to the general laws of the State which permit a subsequent Governing Authority of a Party (evidenced by a change in the identity of more than half of the members of such Governing Authority in office on the effective date

hereof) to void such an agreement. Consequently, the Parties hereto further understand and agree that one or more local and private bills or general law bills may be submitted to the Mississippi Legislature for consideration thereby, which bill or bills shall be intended to authorize the entering into by the Parties of this Agreement for no less than the full term hereof, and the Governing Authorities of the Parties, by authorizing the execution and delivery of this Agreement by the Parties, hereby agree to ratify this Agreement following the enactment of any such bill by the Mississippi Legislature to the extent authorized by applicable law.

SECTION 9. Governing Law. This Agreement shall be interpreted and construed under the laws of the State of Mississippi.

SECTION 10. Authority. Each of the Governing Authorities (each of which constitutes a "governing authority" under Code Section 17-35-5) has each approved the execution of this Agreement by resolution entered on its minutes. This Agreement shall be submitted to the Attorney General of the State for approval, and when approved, a copy shall be immediately filed with the Chancery Clerk of Oktibbeha County and the Secretary of State of the State. This Agreement shall be effective upon (a) the approval by the Governing Authorities and the Attorney General of the State, and (b) the filing of this Agreement with the Secretary of State of the State and the Oktibbeha County Chancery Clerk, all as provided in the Interlocal Act.

SECTION 11. Counterparts; Electronic Transmittals. This Agreement may be executed in multiple counterparts, each of which shall be deemed to be an original and all of which when taken together shall constitute one and the same agreement. A signature hereto sent or delivered by facsimile or other electronic transmission shall be as legally binding and enforceable as a signed original for all purposes.

SUBJECT: Consideration of accepting the best bid from SB Construction LLC in the amount of \$3,918,710.00 with a contract time of 210 consecutive days for the Cornerstone Sports Park Project and authorization for the Mayor to execute a contract.

AMOUNT & SOURCE OF FUNDING:

AUTHORIZATION HISTORY:

Bids were received on Tuesday, February 18 at 10 am. This project includes all items related to the construction of grading, drainage and utility infrastructure for Cornerstone Sports Park. A copy of all bids can be found in the City Clerk's office.

The bids were evaluated by Neel-Schaffer Engineers, Inc. and based on research of the past work performance and contract time of the lowest bidder, it is recommended the contract be awarded to the second lowest bidder, SB Construction, LLC.

Dear Mayor Spruill:

We received bids for the above referenced project at 10:00 AM on February 19, 2020. Please find attached a certified bid tab which details all bids received.

We have reviewed all proposals and recommend awarding the project to lowest and best responsive bidder SB Construction, LLC in the amount of \$3,918,710.00 with a contract time of 210 consecutive days. This recommendation is based on a combination of bid price, contract time and past work performance.

During the review of the bids, the lowest monetary bid (not considering contract time) by Cademy Contracting, LLC was 21.9% lower than the next lowest bid. This was concerning since additional bidders, Amason and Associates, Inc. and Burns Dirt Construction, Inc. were within 1.7% and 6.4% of the recommended lowest and best bid, respectively. With this large discrepancy in lowest monetary bid amount, multiple interviews were conducted with individuals involved with the apparent low bidder's past work performance. Each individual interviewed expressed concerns related to the apparent low bidder's ability to finish their scope of work within the time allowed. No individual interviewed provided a favorable opinion of the apparent low bidder's past work performance.

It is our opinion, based on feedback received from multiple resources, that the bid received from SB Construction, LLC including lower contract time and reputable past work performance satisfies the requirement of selecting the lowest and best bid compared to all other bids received.

If you have any questions or need additional information concerning this bid, please do not hesitate to contact my office.

Sincerely,

NEEL-SCHAFFER, INC.

Dear Ms. Hampton,

My name is Wesley Gordon and I have 4 children in the Starkville Oktibbeha School District. I am writing this letter to let you know I would like to be considered for the upcoming open seat on the SOCSO Board of Trustees. I have fulfilled Lee Brand's term that ends March 2020 and thoroughly enjoyed my time on the board. My family and I are passionate about public schools and feel that the city of Starkville is only as good as its public schools. I have a unique skill set that would be an asset to the Board of Trustees. I understand how important it is to be fiscally responsible and adhere to policy and procedures set forth by the SOCSO. I will be the ultimate team player which vital to any Board. Lastly, having 4 children in district I will always do what is right for the students of the SOCSO. Thank you for your consideration.

SUBJECT:

Discussion and Consideration of selection of the third independent consultant for Architecture Review.

SUMMARY:

With the passage of the Unified Development Code and the establishment of Architectural Review, the selection of up to 3 Independent Consultants is needed. On February 4, 2020 and February 18, 2020, the Board of Aldermen filled the first two positions. There is one position remaining unfilled. Tim Geddie submitted a letter of interest by email on February 21, 2020 (see Attachment). If Mr. Geddie is selected as an independent consultant, there will be no more openings for a position.

Upon the approval of any independent consultant, the consultant shall enter into a service agreement with the City as required in Section 2.6.2 of the Unified Development Code. The term of the service agreement shall be for 2 years. Reappointment after the 2-year term will require renewal of the service agreement. The compensation rate of \$200.00 per application for Architecture Review is requested by city staff. The service agreement shall be executed by the Mayor after review by the City Attorney.

Additional information on Architecture Review can be found in the Unified Development Code Section 2.6 and Section 3.10

Dear Dr. Kim:

This letter is to express my special interest in joining the Starkville Architectural Review Committee. Your personal invitation presented yesterday is extremely appealing, and I believe that my 25 years of experience in both architectural and interior design work make me a competitive candidate worthy of fulfilling the last vacant position.

The City's Unified Development Code was received and I accept and agree to all of the conditions listed in Section 2. Administrative & Governing Bodies. Attached you will find a copy of my CV, highlighting my background consisting of extensive experience in architectural and interior design work ranging from Commercial, Correctional, Educational, Healthcare, Hospitality, Municipal, Retail, and Religious projects. A couple of these projects are even located in Starkville, MS, including: Columbus Orthopaedic, OCH Regional Medical Center and the award winning Chapel of Memories designed by DD/A. The City of Starkville continues to hold a special place in my heart not only because I am a graduate from MSU but also because I have family that resides in Starkville and I have a desire to provide the environment which reflects and promotes the city's high standards and efforts.

I hope that you find my experience and interest intriguing to warrant approval, as I connect with your mission to create a progressive approach to Starkville's collegiate community. I look forward to having the opportunity of assisting you, the Board of Aldermen and Starkville's City officials.

Thank you for your time and consideration and I look forward to speaking with you about this wonderful opportunity.

February 10, 2020

Instructor Candidates,

This letter is confirmation of your acceptance to the 2020 LEBA Instructor Course located in Tampa, FL. To attend such a course is a privilege, and we're sure you will find it challenging and rewarding. Important elements in the success of this Instructor's Course are teamwork, camaraderie and a high-speed attitude. There are no individuals here. Each day of the course will be difficult, long, and will end when the scheduled objectives are covered. We expect you to work together with other instructor candidates in overcoming obstacles and learning teaching techniques to take home with you.

You will be expected to give a 12-minute presentation within the first four days of the course. You must successfully pass this portion of the course to become certified. The topic for your presentation will be given on the first day of class. Bring some bicycle info that you may have to use or share with other students for the presentations.

Classes will begin each day at 8:00 am, unless otherwise advised, at:

Hillsborough County Training Facility
1409 Falkenburg Rd
Tampa, FL 33619

The course is scheduled from March 16, 2020 – March 21, 2020. Our expected completion time on March 21, 2020 is approximately 3:00pm.

Please read the information in this letter over carefully, as this packet contains all the information you'll need to be prepared for this course. We want you to have a great time while staying in Tavares. We will be more than happy to answer any questions or address any concerns you may have.

Presentations:

You are expected to give a 12-minute presentation based on your assigned topic. I would like to emphasize that this is a 12-minute presentation, not a 50-minute presentation in 12 minutes. There will be a class on instructor development before student presentations are made. Remember to bring bicycle information to use or share with your fellow students for the assigned topics. A multimedia projector, overhead projector, marker board and a flip chart will be available for your presentation. Due to the brief length of the presentations, we request that you **do not use video**. If you feel it is essential for your presentation, video will be allowed but limited to 2 minutes. A laptop computer would be a great help if you can bring one.

Law Enforcement Bicycle Association

Lesson Plans: If you are an academy instructor, we ask that your lesson plan be completed in the format that you use in your home jurisdiction. If not an academy instructor, you may follow the enclosed example. During your presentation, you must have an introduction, body and conclusion, and use at least one visual aid. You must also cover all your objectives listed in your lesson plan (In other words, if you can only cover 2 objectives in 12 minutes, that's fine. If you can cover 10 objectives that is fine, however just be sure to cover all your objectives listed). **You will need to have 2 copies of your lesson plan for the Instructors.**

Evaluation: Your presentation will be evaluated by the following standards: Instructor appearance, creativity, organizational skills, both written and verbal, appropriate use of visual aids, confidence and knowledge of subject material. Additionally, the material presented should be in line with LEBA curriculum.

Training Rides:

Train hard as we will be riding 20 – 30 miles (30 – 50 K) per day at a 15-25 mph (24-40 Km/h) pace, beginning on the first day of class after lunch. SUGGESTED MOTION:

Move approval for the City of Starkville to enter into a Wastewater Service contract between Mississippi State University, the City of Starkville and the Starkville Oktibbeha Consolidated School District.

WASTEWATER SERVICE CONTRACT

Between

**Mississippi State University, City of Starkville, and
The Starkville Oktibbeha Consolidated School District**

JAN 14 2020

This contract made and entered into this 14 day of January, 2020, between The Starkville Oktibbeha Consolidated School District (hereinafter referred to as "Customer"), and Mississippi State University and the City of Starkville, Mississippi (both hereinafter referred to as "Owner").

WHEREAS the Customer requires access to a wastewater treatment facility for the Partnership School, the current address of which is 11200 Highway 182 Starkville, Mississippi;

WHEREAS the Customer and the Owner desire to enter into a contract, under the terms of which the Customer will utilize the Owner's facilities for transportation, treatment, and disposal of domestic wastewater generated by the Customer;

NOW, THEREFORE, in consideration of the premises and the mutual agreements set forth, the parties agree as follows:

1. **Point of Delivery:** The Customer is responsible for all new construction of facilities required for a complete sanitary sewer collection system to the point of delivery into Owner's system.
2. **Quantity:** To receive the Customer's wastewater at the point of delivery during the term of this Agreement or any renewal or extension thereof, the quantity of Owner's wastewater shall not exceed 412,610 gallons per month. In the event Owner's wastewater exceeds such quantity without the express written approval of the Owner, this Agreement may be terminated at the will of the Owner with 90 days written notice to Customer. Customer understands and agrees that excessive flow and infiltration of storm water into the Customer's system will result in delivery of wastewater to the Owner that will adversely affect the biological wastewater treatment process utilized by the Owner. Customer further understands and agrees that Customer is subject to enforcement action by the Owner to reduce inflow and infiltration of storm water into the Customer's system, even if such quantities are within the maximum quantity limits allowed by this agreement. The failure of Customer to respond to such an enforcement action shall constitute a breach of this agreement.
3. **Connection Fee:** Because Customer's wastewater flow into the Owner's system will consume some portion of the capacity growth margin of the total existing system, Customer shall pay a connection fee upon execution of this Agreement in the amount of \$ 20,166.67 to Mississippi State University which shall cover any and all costs for connection to Owner's system and any upgrades necessary to accommodate the quantity specified in Section 2 of the Agreement. It is

understood and agreed that any future additions or expansions to the Customer's wastewater system may require additional analysis and compensation to the Owner in the event such additions or expansions are approved by Owner as set forth in Section 10.

4. **Point of Delivery Metering:** The Customer agrees to furnish, install, operate and maintain at its own expense the required metering, meter house and standard necessary devices to provide a **single metering point** at the Point of Delivery for the purpose of determining monthly sanitary sewer billing to the Customer. The metering equipment used by Customer shall meet the specification of the Owner and be compatible with the Owner's radio monitoring system. Customer shall also bear the cost of having its metering equipment input into the Owner's radio monitoring system. Customer also agrees to recalibrate such metering equipment whenever requested by Owner. The Customer may install metering equipment on the whole building domestic water feed in lieu of waste water metering equipment provided that the water metering equipment complies with all sections of this agreement and provides an accurate representation of the wastewater volumes delivered into the Owner's system at the Point of Delivery. The metering point shall be readily visible and may not be located within any enclosure requiring key access. Customer shall provide and maintain suitable and safe means of access (walkway, steps, etc.) to the metering point. Construction plans and specification for any facilities required to deliver and meter wastewater to the Owner's system shall be approved by the Owner prior to construction. These documents will be marked "Approved" by the Owner, and attached to and made a part of this Contract.
5. **Rate/Billing:** The Customer agrees to pay and Mississippi State University will bill Customer each month on a per 1,000 gallons rate. Currently, the rate is \$3.23 per 1,000 gallons of wastewater. This rate may be adjusted as necessary to cover Owner's expenses and to represent a fair market value in accordance with state law. Customer is responsible for providing an up-to-date billing address. Any amount unpaid after due date specified on the bill may be subject to additional charges. Upon further nonpayment, service may be discontinued upon five days' written notice to Customer. If Customer's metering device is out of service, billing will be based on the highest monthly usage of the prior twelve months and will continue as such until meter is repaired and proven to be accurate.
6. **Customer's Facilities/Connection:** All of Customer's wastewater system materials and installation, including residential/commercial collection, shall be in accordance with "Water and Wastewater Specification for the City of Starkville", prepared by the City's Department of Public Works. The Owner reserves the right, but shall not be obligated, to appoint inspectors to follow the progress of the work, with authority to deny connection or use of system components not in accordance with this contract and/or the approved construction plans and specifications. Acceptance or approval by the inspector shall in no event be deemed to constitute final acceptance of same by the Owners. The inspection by

the Owner's inspectors shall not relieve the Customer of any responsibility for the proper performance of the work. Connection to the Owner's Point of Delivery will be made by the Customer, and will be observed/inspected by the Owner. The Owner shall have the right, but shall not be obligated, to inspect any installation before wastewater is introduced to the Owner's system, and reserves the right to reject any sewer collection systems not in accordance with the Owner's standards; but such inspection of failure to inspect or reject shall not render the Owner liable or responsible for any or damage resulting from defects in the installation of sewer collection systems or from accidents which may occur upon Customer's premises. The Customer shall provide Owner 60 day's prior written notice of the expected date of completion of Customer's wastewater system and the first date of initial wastewater flow.

7. **Ownership and Maintenance of Wastewater Facilities.** The parties agree that the Customer will own and be responsible for operation and maintenance of all facilities at and upstream of the Point of Delivery, and the Owner will be responsible for operation and maintenance from the Point of Delivery downstream, excluding the Customer's connection. Customer agrees to repair any damage to the Owner's facilities caused by the tap, installation or operation of Customer's pump station. The Customer shall have the metering device calibrated annually; the calibration report will be forwarded to the Owner's billing department.
8. **Concurrent Water Service Provider:** During the entire term of this Agreement, Customer shall maintain a contractual relationship with a water service provider providing water to Customer, such contract enabling Customer to discontinue water services to any end-user for nonpayment for wastewater services.
9. **Interruptions of Service.** The Owner will use reasonable diligence in supplying wastewater service, but shall not be liable for breach of contract or for any loss, injury, or damage to persons or property resulting from interruptions in service, failure of wastewater pump stations, force main failure or any other disruption of services, whether or not caused by Owner's negligence.
10. **Expansion and Wastewater Characteristics:** It is understood and agreed that Owner's wastewater treatment facilities have a definite capacity and permit requirements pursuant to the National Pollutant Discharge Elimination System (NPDES). Customer shall not expand without the express written approval of the Owner, such approval being at the Owner's sole discretion. After the first date of use by Customer of Owner's system, Customer agrees to notify Owner in writing of any new connection of an end-user prior to such connection. In the event connection of such end-user is expected to cause Customer to exceed the quantity set forth in Section 2 of this Agreement, or introduces any of the toxic pollutants listed in Table III of Appendix D of 40 CFR 122 of the Federal Clean Water Act, or otherwise adversely affects the Owner's treatment process in a manner that exceeds the Owner's NPDES permit levels, or materially changes the flow rate of

Customer's wastewater, the Owner retains the right to prevent such user from connecting to Customer's system. Failure to receive written approval for Customer to expand or to give notice of a new end-user shall render Customer liable for costs, losses or damage to any of Owner's system caused by the additions or expansion and/or shall make this Agreement voidable at the sole discretion of the Owner upon 90 days written notice.

- 11. Indemnification.** To the extent authorized by Mississippi law, the Customer shall indemnify, defend, save and hold harmless, protect, and exonerate, the Owner, both Mississippi State University and the City of Starkville, Mississippi, and each of their officers, agents, employees, and representatives, both in their official and in their individual capacities, from and against any and all claims, demands, liabilities, suits, actions, damages, losses and costs of every kind and nature whatsoever, including, without limitation, court costs, investigative fees, expenses, and attorney's fees, related this agreement arising out of or caused by the actions or inactions of Customer or its' partners, principals, officers, agents, employees or representatives. This indemnification provision shall survive the termination or expiration of this agreement.
- 12. Termination for Cause:** Unless otherwise stated herein, either party may terminate this agreement if the other party fails to perform the obligations to the other party under this agreement upon 90 days written notice.
- 13. Waiver.** The failure by Owner at any time to enforce any provision of this agreement shall not be construed as a waiver of any such provision. Such failure to enforce shall not affect the validity of the contract or any part thereof or the right of Owner to enforce the provision at any time in accordance with its terms.
- 14. Successors and Assigns.** This contract shall inure to the benefit of and shall be binding upon respective successors, legal representatives and assigns of the parties hereto, but is not assignable without the written consent of the Owner.
- 15. Applicable Law.** This Agreement shall be governed by the law of the State of Mississippi without regard to its choice of law provisions. This Agreement is subject all applicable rules, regulations or laws as may be applicable to similar agreements in the State of Mississippi and with owner. Customer is responsible for and agrees to obtain all necessary permits, certificates or the like that may be required by applicable law. Any litigation associated with this agreement shall take place in the Circuit Court of Oktibbeha County, Mississippi or United States District Court for the Northern District of Mississippi, Eastern Division, depending upon the nature of the claim and/or parties involved.
- 16. Term.** This contract shall extend for a term of 15 years. In the event Customer has not completed connection to Owner's system within one year of the effective date of this Agreement, this Agreement will be voidable at the sole option of the Owner.

17. **Governmental Entity.** The parties each recognizes and acknowledges that the other parties are political subdivision of the State of Mississippi and are entering this Agreement, including the provisions thereof, only to the extent authorized by Mississippi law. Any provision of the Agreement that is in any respect not authorized by Mississippi law is invalid.
